**The Island** Marlene Zarecki Goodell,2014-07-21 Led back home to Neville Island, Pennsylvania, to help care for her terminally ill father during the last days of his life, Marlene Goodell is transported back into her memories living on the island during the 1960s as she and her friends skipped and danced their way through both the rough and smooth waters of their times. As personal loss prompts her to move from her present into days gone by, Goodell nostalgically shares a glimpse into post-World War II America as she reflects on her fascinating family history and an upbringing where she learned to embrace the simple and predictable island lifestyle amid a world embroiled in turmoil. Through her reflections, it soon becomes clear that her family's dreams for their life in America set the stage for every future decision. Eventually this led them to set down roots on the Pennsylvania island and create a life where Goodell thrived, learned to respect the power of the water, and became an entrepreneur at age sixteen. The Island retells a nostalgic story as a girl grows up on Neville Island, Pennsylvania, and builds a firm foundation with strong convictions, a determination to persevere, and an unwavering love for family.

Hallelujah! The Welcome Table Maya Angelou,2009-06-03 Throughout Maya Angelou's life, from her childhood in Stamps, Arkansas, to her world travels as a bestselling writer, good food has played a central role. Preparing and enjoying homemade meals provides a sense of purpose and calm, accomplishment and connection. Now in Hallelujah! The Welcome Table, Angelou shares memories pithy and poignant—and the recipes that helped to make them both indelible and irreplaceable. Angelou tells us about the time she was expelled from school for being afraid to speak—and her mother baked a delicious maple cake to brighten her spirits. She gives us her recipe for short ribs along with a story about a job she had as a cook at a Creole restaurant (never mind that she didn't know how to cook and had no idea what Creole food might entail). There was the time in London when she attended a wretched dinner party full of wretched people; but all wasn't lost—she did experience her initial taste of a savory onion tart. She recounts her very first night in her new home in Sonoma, California, when she invited M. F. K. Fisher over for cassoulet, and the evening Deca Mitford roasted a chicken when she was beyond tipsy—and created Chicken Drunkard Style. And then there was the hearty brunch Angelou made for a homesick Southerner, a meal that earned her both a job offer and a prophetic compliment: “If you can write half as good as you can cook, you are going to be famous.” Maya Angelou is renowned in her wide and generous circle of friends as a marvelous chef. Her kitchen is a social center. From fried meat pies, chicken livers, and beef Wellington to caramel cake, bread pudding, and chocolate éclairs,

the one hundred-plus recipes included here are all tried and true, and come from Angelou’s heart and her home. Hallelujah! The Welcome Table is a stunning collaboration between the two things Angelou loves best: writing and cooking.

*No Tears for Carol* Vaughn West Carol Vaughn West,Carol Vaughn West,2009-05 No tears for Carol is the story of a courageous woman and her struggle to survive in a world she did not understand or feel she belonged in. Borne into a world of the occult, she escaped only to endure an incestuous childhood marked by terror, and physical and emotional abuse, which locked her away in a traumatic fog until she was seventeen years of age. How much pain and abuse can one person endure? The answer is endless as long as she is walking in the arms of her Heavenly Father. This is my story. It is a lifetime of memories, pain, terror and finally freedom. It is a story of a shaky faith in a 'daddy' God who never condemned the times I fell but rewarded me endlessly for the times I allowed Him to gently pick me up and try once more! My life is like a movie, as if I am walking this journey with you. I see no faces in my childhood and I disassociate as though I were merely a spectator looking on. I believe that life is an illusion, a conglomerate of facts we tell ourselves to make it through the day and night. I was a chameleon, taking on the persona of those around me, flowing from one dictator to the next. In retrospect it was the knowledge that I was invisible, that even the dead dry hay, fed to the cattle, had more value than I did. That was my legacy from my mother! I ask you not to focus on Carol but on Jesus Christ, who walked this journey with me. It was His love and strength that got me through it. God did not want puppets to follow Him around so He gave man free will. The people in my life chose to abuse me. I also chose to abuse myself. But Jesus told me He would, Restore the years the locust have eaten, and my friend He has done just that. I believe my book will give hope, courage and compassion to understand individuals who have such unfortunate afflictions.
