Lily Geismer

This Is My Jail Melanie Newport,2022-11-15 While state and federal prisons like Attica and Alcatraz occupy a central place in the national consciousness, most incarceration in the United States occurs within the walls of local jails. In *This Is My Jail*, Melanie D. Newport situates the late twentieth-century escalation of mass incarceration in a longer history of racialized, politically repressive jailing. Centering the political actions of people until now overlooked—jailed people, wardens, corrections officers, sheriffs, and the countless community members who battled over the functions and impact of jails—Newport shows how local, grassroots contestation shaped the rise of the carceral state. As ground zero for struggles over criminal justice reform, particularly in the latter half of the twentieth century, jails in Chicago and Cook County were models for jailers and advocates across the nation who aimed to redefine jails as institutions of benevolent transformation. From a slave sale on the jail steps to new jail buildings to electronic monitoring, from therapy to job training, these efforts further criminalized jailed people and diminished their capacity to organize for their civil rights. With prisoners as famous as Al Capone, Dick Gregory, and Harold Washington, and a place in culture ranging from Upton Sinclair’s *The Jungle* to B. B. King’s *Live in Cook County Jail*, *This Is My Jail* places jails at the heart of twentieth-century urban life and politics. As a sweeping history of urban incarceration, *This Is My Jail* shows that jails are critical sites of urban inequality that sustain the racist actions of the police and judges and exacerbate the harms wrought by housing discrimination, segregated schools, and inaccessible health care. Structured by liberal anti-Blackness and legacies of violence, today’s jails reflect longstanding local commitments to the unfreedom of poor people of color.

Front Runner Felix Francis,2015-10-13 British investigator Jefferson Hinkley is back in this compelling Dick Francis thriller by the New York Times–bestselling author of *Crisis*. In his role as an undercover investigator for the British Horseracing Authority, Jeff Hinkley is approached by a multi-time champion jockey to discuss the delicate matter of losing races on purpose. Little does he know that the call will set off a lethal chain of events, including the apparent suicide of the jockey and an attempt on Hinkley’s own life. Never one to leave suspicious events alone, Hinkley begins investigating the jockey and the races he may have thrown. But there are others out there who intend to prevent his inquiry from probing further...at any cost.

Equestrian Cultures Kristen Guest,Monica Mattfeld,2019-01-11 As much as dogs, cats, or any domestic animal, horses exemplify the vast range of human-animal interactions. Horses have long been deployed to help with a variety of human activities—from racing and riding to police work, farming, warfare, and therapy—and have figured heavily in the history of natural sciences, social sciences, and the humanities. Most accounts of the equine-human relationship, however, fail to address the last few centuries of Western history, focusing instead on pre-1700 interactions. *Equestrian Cultures* fills in the gap, telling the story of how prominently horses continue to figure in our lives, up to the present day. Kristen Guest and Monica Mattfeld place the modern period front and center in this collection, illuminating the largely untold story of how the horse has responded to the accelerated pace of modernity. The book’s contributors explore equine cultures across the globe, drawing from numerous interdisciplinary sources to show how horses have unexpectedly influenced such distinctively modern fields as photography, anthropology, and feminist theory. *Equestrian Cultures* boldly steps forward to redefine our view of the most recent developments in our long history of equine partnership and sets the course for future examinations of this still-strong bond.

Race Horse Men Katherine C. Mooney,2014-05-19 Katherine C. Mooney recaptures the sights, sensations, and illusions of America's first mass spectator sport. Her central characters are not the elite white owners of slaves and thoroughbreds but the black jockeys, grooms, and horse trainers who called themselves race horse men and made the racetrack run--until Jim Crow drove them from their jobs.

New Orleans Sports Thomas Aiello,2019-08-01 New Orleans has long been a city fixated on its own history and culture. Founded in 1718 by the French, transferred to the Spanish in the 1763 Treaty of Paris, and sold to the United States in 1803, the city’s culture, law, architecture, food, music, and language share the influence of all three countries. This cultural mélange also manifests in the city’s approach to sport, where each game is steeped in the city’s history. Tracing that history from the early nineteenth century to the present, while also surveying the state of the city’s sports historiography, *New Orleans Sports* places sport in the context of race relations, politics, and civic and business development to expand that historiography—currently dominated by a text that stops at 1900—into the twentieth century, offering a modern examination of sports in the city.

Pugh's Queensland Almanac, Law Calendar, Directory, and Coast Guide ,1876

Don't Blame Us Lily Geismer,2017-01-31 *Don't Blame Us* traces the reorientation of modern liberalism and the Democratic Party away from their roots in labor union halls of northern cities to white-collar professionals in postindustrial high-tech suburbs, and casts new light on the importance of suburban liberalism in modern American political culture. Focusing on the suburbs along the high-tech corridor of Route 128 around Boston, Lily Geismer challenges conventional scholarly assessments of Massachusetts exceptionalism, the decline of liberalism, and suburban politics in the wake of the rise of the New Right and the Reagan Revolution in the 1970s and 1980s. Although only a small portion of the population, knowledge professionals in Massachusetts and elsewhere have come to wield tremendous political leverage and power. By probing the possibilities and limitations of these suburban liberals, this rich and nuanced account shows that—far from being an exception to national trends—the suburbs of Massachusetts offer a model for understanding national political realignment and suburban politics in the second half of the twentieth century.

No Strangers Here Carlene O'Connor,2023-08-29 Set in Ireland's striking, rugged countryside, the USA Today bestselling author's unsettling, atmospheric new crime fiction novel combines the eerie mood of Tana French and Louise Penny with the compulsively taut plotting of Dervla McTiernan and Lucy Foley, as an Irish veterinarian grapples with life, death, family dynamics, and the secrets at the heart of her small community... On a rocky beach in the southwest of Ireland, the body of a wealthy racehorse owner Johnny O'Reilly has been discovered. In a town like Dingle, everyone knows a little something about everyone else. But dig a bit deeper, and there's always much more to find. And when Detective Inspector Cormac O'Brien is dispatched out of Killarney to lead the murder inquiry, he's determined to unearth every last buried secret. Dimpna Wilde hasn't been home in years. But faced with a triple bombshell--her mother is rumored to have been in a relationship with Johnny, her father's dementia is escalating, and her brother is avoiding her calls--Dimpna moves back to Dingle to clear her family of suspicion. And as she takes over the family practice, she finds herself in a race with the detective inspector to uncover the dark, twisting truth behind murder, no matter how close to home it strikes . . .

A Guide to the Microfilm Edition of Records of Ante-bellum Southern Plantations from the Revolution Through the Civil War ,1990

Proud to Be an Okie Peter La Chapelle,2007-04-03 *Proud to be an Okie* is a fresh, well-researched, wonderfully insightful, and imaginative book. Throughout, La Chapelle's keen attention to shifting geographies and urban and suburban spaces is one of the work's real strengths. Another strength is the book's focus on dress, ethnicity, and the manufacturing of style. When all of these angles and insights are pulled together, La Chapelle delivers a fascinating rendering of Okie life and American culture.—Bryant Simon, author of *Boardwalk of Dreams: Atlantic City and the Fate of Urban America*

Reflex Dick Francis,2005-10-04 A jockey unravels nasty secrets of corruption, blackmail, and murder in this mystery from grand master of crime fiction Dick Francis. Longtime jockey Philip Nore is no hero. But when he begins to suspect that a racetrack photographer’s fatal accident was really murder, he sets out to discover the truth and trap the killer. Slowly, he unravels some nasty secrets of corruption, blackmail and

murder—and unwittingly sets himself up as the killer’s next target... “Reflex enthralls.”—The New York Times

Lightwave: Folding Space Series Books 4.0 through 7.0 AM Scott,2021-07-05 The exciting continuation of the Folding Space Series, starting with Lightwave: Lost! United we fall, divided we run. Saree’s secret identity isn’t so secret anymore, so she agrees to leave Lightwave behind—forever. When every mercenary, bounty hunter and opportunist is searching for you, traveling alone is terrifying. But if she stays on Lightwave, their enemies will find them. While Lightwave and her crew run for the fringes of known space, Saree and her seemingly sentient shuttle, Hal, head the other direction. But are they really safer apart? Will Hal’s impulsive behavior thrust them straight into a black hole? And what happens when the Time Guild decides to interfere? This, and many other adventures await in the Folding Space Universe!

Deportes José M Alamillo,2020-07-17 Deportes uncovers the hidden experiences of Mexican male and female athletes, teams and leagues and their supporters who fought for a more level playing field on both sides of the border. They proved that they could compete in a wide variety of sports at amateur, semiprofessional, Olympic and professional levels.

Process ,1932

Dark All Day Brenden Carlson,2023-02-14 In an alternate 1933, a sleuth and his robot partner are caught in the middle of a legal battle that will decide the fate of the world’s machine population. Carlson does a good job populating his gritty, split-level world with dodgy mobsters, deadly dames, and killer machines. — Publishers Weekly, for Night Call Two months after an investigation that nearly put Elias Roche behind bars, the former cop turned mob enforcer has endeavoured to separate himself from his past by going straight. Now working as a private investigator, his attempts to build himself a quiet life have so far been promising. However, while Manhattan’s Lower City is in the midst of a reignited mob war, Elias is faced with finding a man who doesn’t want to be found, absolving a machine of a murder charge, and discovering a network of secrets that keeps the world turning, almost literally. Reuniting with his old Automatic partner, Allen, and reporter-turned-hitman Simone, Elias must search for the truth amid a web of conspiracy and lies. While failure would result in the eradication of all Automatics in America and cripple the megacorporation that hired him to investigate, success could uncover truths no one is ready to face: truths about the city, Allen’s past, and which side they are all truly fighting for.

Getting the books **Folder Jockey** now is not type of inspiring means. You could not forlorn going as soon as ebook stock or library or borrowing from your friends to open them. This is an entirely easy means to specifically acquire lead by on-line. This online broadcast Folder Jockey can be one of the options to accompany you subsequent to having further time.

It will not waste your time. consent me, the e-book will totally flavor you supplementary issue to read. Just invest tiny grow old to entre this on-line notice **Folder Jockey** as with ease as evaluation them wherever you are now.
