International Financial Statistics September 2006 International Monetary Fund. Statistics Dept.,2006-09-01 International Financial Statistics provides a complete library of continuously updated international statistics on all aspects of international and domestic finance. The monthly print edition contains over 1,000 pages of statistical data in each issue. It reports, for most countries of the world, current data needed in the analysis of problems of international payments and of inflation and deflation, i.e., data on exchange rates, international liquidity, money and banking, interest rates, prices, production, international transactions, government accounts, and national accounts. Information is presented in country tables and in tables of area and world aggregates.

Water Scarcity and Sustainable Agriculture in Semiarid Environment Ivan Francisco Garcia Tejero,Victor Hugo Duran Zuazo,2018-01-03 Water Scarcity and Sustainable Agriculture in Semiarid Environment: Tools, Strategies and Challenges for Woody Crops explores the complex relationship between water scarcity and climate change, agricultural water-use efficiency, crop-water stress management and modeling water scarcity in woody crops. Understanding these cause- and effect relationships and identifying the most appropriate responses are critical for sustainable crop production. The book focuses on Mediterranean environments to explain how to determine the most appropriate strategy and implement an effective plan; however, core concepts are translational to other regions. Informative for those working in agricultural water management, irrigation and drainage, crop physiology and sustainable agriculture. Focuses on semi-arid crops including olive, vine, citrus, almonds, peach, nectarine, plum, subtropical fruits and others Explores crop physiological responses to drought at plant, cellular and/or molecular levels Presents tool options for assessing crop-water status and irrigation scheduling
