Models of Evangelism Priscilla Pope-Levison,2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures. This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism, whether it's through one-on-one conversations, social media, social justice, or the liturgy of worship services. At once biblical, theological, historical, and practical, this book by a seasoned scholar offers an engaging, well-researched, and well-organized presentation and analysis of eight models of evangelism. Covering a breadth of approaches--from personal evangelism to media evangelism and everything in between--Priscilla Pope-Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention. Each chapter introduces and assesses a model biblically, theologically, historically, and practically, allowing for easy comparison across the board. The book also includes end-of-chapter study questions to further help readers interact with each model.

Transforming Evangelism Henry H. Knight III,F. Douglas Powe Jr.,2019-02-15 Because of the more aggressive and confrontational tactics we hear about, evangelism has developed a bad connotation. Doors are shut hurriedly, phone calls end abruptly, and e-mails left unanswered. After all, isn't this a task better handled by the pastor? Perhaps it's time to reexamine John Wesley's model of evangelism as a full, natural circle—where it's a communal beginning point rather than a solitary end. The central motive of authentic evangelism is: Having received a message that's made all the difference in our lives, we desire to share that message with others in the hope that it will transform their lives as well. Wesley models an evangelism that reaches out and welcomes, invites, and nurtures, and speaks to both head and heart. Evangelism is about relationship, the authors write. How we are in relationship to God, who is able to transform us into new beings. How we are in relationship to our neighbor, whom we must love like ourselves. As one reviewer says, Knight and Powe have given us a relational book. They describe the deep connection between John Wesley's thoughts, Charles Wesley's hymns, scholarly thinking about evangelism and biblical understandings of the gospel—all in relation to the needs, concerns, and hopes of everyday people. Learn on your own or as a congregational group from this practical study on living an evangelistic life that demonstrates the

transforming power of loving God and neighbor.

The Kindred Spirits Supper Club Amy E. Reichert,2021-04-20 Jobless and forced home to Wisconsin, journalist Sabrina Monroe can tolerate reunions with frenemies and kisses from old boyfriends, but not the literal ghosts that greet her in this heartwarming tale of the power of love and connection from acclaimed author Amy E. Reichert. For Sabrina Monroe, moving back home to the Wisconsin Dells--the self-described Waterpark Capital of the World--means returning to the Monroe family curse: the women in her family can see spirits who come to them for help with unfinished business. But Sabrina's always redirected the needy spirits to her mom, who's much better suited for the job. The one exception has always been Molly, a bubbly rom-com loving ghost, who stuck by Sabrina's side all through her lonely childhood. Her personal life starts looking up when Ray, the new local restaurateur, invites Sabrina to his supper club, where he flirts with her over his famous Brandy Old-Fashioneds. He's charming and handsome, but Sabrina tells herself she doesn't have time for romance--she needs to focus on finding a job. Except the longer she's in the Dells, the harder it is to resist her feelings for Ray. Who can turn down a cute guy with a fondness for rescue dogs and an obsession with perfecting his fried cheese curds recipe? When the Dells starts to feel like home for the first time and with Ray in her corner, Sabrina begins to realize that she can make a difference and help others wherever she is.

Accent and Teacher Identity in Britain Alex Baratta,2018-04-05 In British society, we celebrate diversity and champion equality across many areas, such as race and religion. However, where do British accents stand? Do notions such as 'common' or 'posh' still exist regarding certain accents, to the extent that people are deemed fit, or not, for certain professions, despite their qualifications? Accent and Teacher Identity in Britain explores these questions and Alex Baratta's research shows that those with accents regional to the North and Midlands are most likely to be told by mentors and senior staff to essentially sound less regional, whereas those from the Home Counties are less likely to be given instructions to change their accent at all. Baratta investigates the notion of linguistic power, in terms of which accents appear to be favoured within the context of teacher training and from the perspective of teachers who feel they lack power in the construction of their linguistic teacher identity. He also questions modifying one's accent to meet someone else's standard for what is 'linguistically appropriate', in terms of how such a modified accent impact on personal identity. Is accent modification regarded by the individual neutrally or is it seen as 'selling out'?
