What Snowflakes Get Right Ulrich Baer, 2019 Angry debates about polarizing speakers have roiled college campuses. Conservatives accuse universities of muzzling unpopular opinions, betraying their values of open inquiry; students sympathetic to the left openly advocate against completely unregulated speech, asking for safe spaces and protection against visiting speakers and even curricula they feel disrespects them. Some even call these students snowflakes-too fragile to be exposed to opinions and ideas that challenge their worldviews. How might universities resolve these debates about free speech, which pit their students' welfare against the university's commitment to free inquiry and open debate? Ulrich Baer here provides a new way of looking at this dilemma. He explains how the current dichotomy is false and is not really about the feelings of offended students, or protecting an open marketplace of ideas. Rather, what is really at stake is our democracy's commitment to equality, and the university's critical role as an arbiter of truth. He shows how and why free speech has become the rallying cry that forges an otherwise uneasy alliance of liberals and ultra-conservatives, and why this First Amendment absolutism is untenable in law and society in general. He draws on law, philosophy, and his extensive experience as a university administrator to show that the lens of equality can resolve this impasse, and can allow the university to serve as a model for democracy that upholds both truth and equality as its founding principles.

Get Right Church: And Let's Go Home! Bobby John Richard, Jr.,

The Mr. Get Right Show Presents The Best Of Both Worlds Jovi Get

Right, 2020-12-23 Who knew growing up with your parents would be one of the best experiences? Certain things you don't realize until you are an adult. You don't realize how much your mother truly loves you and wants you to stay out of trouble. Understanding that you can't blame someone for not knowing how to be a father due to him being a child himself, but hold him accountable. Then forgiving YOURSELF for all the dumb accidents and mistakes you've made in life. *The Best of Both Worlds.*

What Great Ministry Leaders Get Right Jimmy Dodd, Renaut van der Reit, 2021-03-02 Ministry throws unexpected challenges at you. What if a little more training could help you navigate them successfully? Though church leaders take courses in preaching and Christian education, when do they learn about personal limitations and the benefits of intimate friendships? Or what about conflict resolution? Knowledge gaps like these are often the primary factors that lead to frustration and burnout. In *What Great Ministry Leaders Get Right*, Jimmy Dodd of PastorServe and Renaut van der Riet of Mosaic Church in Winter Garden, FL, outline the six core competencies church leaders need to develop healthy, biblical, and sustainable leadership. Jimmy and Renaut address the critical lessons often missing from ministry training that all leaders need to successfully serve their congregations. Whether you've been in the pulpit for years or are just beginning your ministry education, every

pastor can make sure they're prepared for the real-world challenges of ministry.

Get Right Church Earl Sorrell, 2018-07-19 As Christians, we need to be aware that we are in spiritual warfare every day. This is what Get Right Church is about. The book is written with hopes that the reader can see the many missed opportunities that God places before us daily to be blessing to others and opportunities to witness and attest to His greatness. It also allows the reader to see through the experiences of others what should be our reasonable service. It is our duty to be strong for the weak and share the gospel of Christ correctly. Too often, we as Christians negate the need for true spiritual and religious revivals in our personal lives. Many times the purpose of a revival is not clearly understood by Christians. Revivals are spiritual feasting on God's word. The duty of a Christian is to lead others to Christ through witnessing, not in words only, but through lifestyle. Get Right Church shares the trials, tribulations, and victories of believers as they continue to grow in the true knowledge, understanding, and wisdom of God. This growth is not just for their lives but to share freely while leading others to Christ as ambassadors. Get Right Church is about a lifestyle. Second Timothy 2:15-16 and 3:16-17 gives directions to study and control our speech with confirmation of the author of the Holy Bible and the reason to study. Romans 12:12 gives us directions how to live in this world and honor God, which is our reasonable service. These experiences are shared

to help others see that we can live a victorious lifestyle in Christ while giving glory and honor to God through our daily lives. Start your personal revival with Christ, and allow others to see him in you, which is your reasonable service to God.

Get Right Church & Let's Go Home Cassandra J. Snyder, 2008-05-23 Get Right Church and Lets Go Home is a book birthed from the spirit of God. Just imagine sitting at the foot of the throne with pen and paper and God telling you why He is concerned for the body of Christ. Just imagine God allowing you to feel His emotions for His people. If you can just picture the cross and the price that was paid and how the price has become so insignificant to the Church, then you can understand what this book is designed to accomplish. The things written in this book come straight from the word of God. The only way to dispute it is to dispute the word, the truth. I often tell my children that the truth is the truth whether you choose to accept it or not. You can analyze it. You can show what you think is a better way. You can even convince a nation that what you say is true, but when Jesus Christ returns and declares the truth, that will be it. All issues will be settled, all arguments will cease, all those who are going to heaven will go, and all those who are not will go to hell. No, it is not a damnation and hellfire book. It is a book written out of love. If God did not love us, He would not bother to reach us. He could just allow us to continue in this worlds deception and end up where many of us are now, separated from Him. The words

get right let us know that it is not too late. This book is just a warning to let the Church and the world know that time is not on our side. Time is insignificant to God but it means everything to us. When time ends it ends. Everyone will go to heaven once: some to be judged and some to be welcomed home. This book is designed to help you get home!

I'll Get Right Back to You & Other Annoyances Charles Rubin, 2012-08-09 This book is for anyone who has ever been pissed off, ticked off, ripped off one way or another, irked and annoyed. 42 candid, comical, often poignant, often chilling looks at the absurdities you face daily.

The Two Faces of the Church...Get Right with God Zamora Gonzalez, 2019-02-15 Frustrated and angry with members in the church and discouraged by their behavior? Ever felt betrayed and treated like a stranger by the church family? Struggling to stay in the church and fearful about the future without God in it? In, *The Two Faces of the Church...Get Right With God*, Zamora shares with transparency about the church shortcomings and how to stay connected to God and worthy of Him. Zamora shares her struggles to remain faithful to God as she noticed a shift in the church from holiness to carnality and the drifting away from Bible doctrines and the life-changing moment that brought her inner peace. Through her own experience, vignettes, and Biblical tips, she guides the way to healing and repentance that will draw you nearer to God – as you discover, You can stand up and do what you were called to do for the church. You will not allow the problems of this

world and the ungodly behaviors of the church members to affect you anymore. You will encounter many trials and tribulations but will remember that God remains faithful and true to His word. He will not walk away and leave you. You were not saved by your own volition but by God's pursuit to save you, and you are still here because God has extended your life for His purpose. If you who have been emotionally injured and experienced grave disappointments in the church and have questioned your walk with God; this book is for you.
