Get Trump Alan Dershowitz, 2023-03-14 In *Get Trump: The Threat to Civil Liberties, Due Process, and Our Constitutional Rule of Law*, Alan Dershowitz—#1 New York Times bestselling author and one of America's most respected legal scholars—analyses the unremitting efforts by political opponents of Donald Trump to “get” him—to stop him from running in 2024—at any cost. Alan Dershowitz has been called “one of the most prominent and consistent defenders of civil liberties in America” by Politico and “the nation's most peripatetic civil liberties lawyer and one of its most distinguished defenders of individual rights” by Newsweek. *Get Trump* makes clear that unconstitutional efforts to stop Trump from retaking the presidency challenge the very foundations of our liberty: due process, right to counsel, and free speech. Those who justify these dangerous departures from the rule of law argue that the threat posed by a second Trump presidency is “different” and “immediate,” while the departures from constitutional norms are longer term and more abstract. Dershowitz explains that defenders of Trump's constitutional rights—even those like him who oppose Trump politically—are sought to be silenced; their free speech rights attacked, their integrity questioned, and their careers threatened. Much of the media substitutes advocacy against Trump for objective reporting, while many in academia petition and propagandize against rights they previously valued—all in the interest of getting Trump. The essence of justice is that it must be equally applicable to all, Dershowitz notes. No one is above the law but digging to find crimes in order to influence an election does not constitute the equal application of the law. In order to assure equal application in comparable situations, he proposes two criteria for indicting a likely candidate of the opposing party: the Richard Nixon standard and the Hillary Clinton standard—and most recently, the Joe Biden standard. *Get Trump* warns that regardless of whether this anti-democratic effort to stop Trump from running succeeds or fails, it is likely to create dangerous precedents that will lie around like loaded weapons ready to be deployed against other controversial candidates, officials, or citizens about whom it can be argued that the danger they pose “is different.”

iPhoneography Pro Robert Morrissey, 2015-08-11 The iPhone is revolutionizing photography. Never before has a camera been so portable yet powerful, so versatile and ubiquitous. Yet, as this book shows, this amazing device has untapped potential for taking jaw-droppingly detailed, sharp, professional-quality images. In this book, commercial photographer Robert Morrissey investigates the photographic capabilities of the iPhone, right out of the box, then moves to advanced uses that

will surprise even seasoned photographers. Starting with the basics, Morrissey teaches readers critical strategies for taking great pictures—from how to properly hold your phone, to how and why to use the flash. You'll learn simple ideas for improving your photos—from crafting a strong composition to posing subjects for flattering results. Next, you'll learn to use the iPhone's panoramic and HDR features to take your imaging to the next level. You'll also get some great insights into how to photograph action, scenes with non-average tones, landscapes, and much more—with natural light and flash. The power of the iPhone grows exponentially when the photographer downloads applications ("apps")—incredible free and/or inexpensive software programs that add a mind boggling array of photographic options and features to the phone. Morrissey shows how to choose and use apps that allow for the use of ultrafast frame-per-second capture rates, old film (Tri-X and T-Max) emulsions, incredible filter and lens effects, unique borders, and much, much more. There is a large market for iPhone accessories, and many of them are geared toward pros. Many shooters are now using bracketing systems that allow for the attachment of professional DSLR-type camera lenses, an invention that takes their capture capabilities to surprising new heights. Accessories are also available that allow the iPhone to be mounted to a tripod or even a dolly for video shoots. Armed with this book, you'll learn to create technically sound, artistically inventive photos of any subject for any end use—from web use, to wall-size prints, to gallery presentation.

Girl, Get Your Credit Straight! Glinda Bridgforth, 2008-01-15 Is "retail therapy" your favorite pastime—even though you really can't afford it? Do you ignore the balance on your credit card statements, vowing to pay them off at some point down the line? Is your debt preventing you from living your dreams—like buying a home or starting a family? If so, girl, it's time to get your credit straight! These days, with easy access to multiple credit cards and glossy advertisements that entice us to spend at every turn, it's all too easy to start racking up debt—and even little slip-ups can lead to real damage over time. In this highly practical follow-up to her bestsellers *Girl, Get Your Money Straight!* and *Girl, Make Your Money Grow!*, financial expert Glinda Bridgforth delivers a power-packed plan for paying down debt, repairing your credit score, and securing your financial freedom—along with a future that makes your heart sing. Beginning with simple, engaging exercises to help you assess your spending habits and get clear about what you owe, *Girl, Get Your Credit Straight!* presents a detailed road map for eliminating debt, one step at a time. You will learn how to:

- Devise a system for tracking expenditures, anticipating end-of-month shortfalls, and paying bills on time, every time
- Find ways to supplement your income
- Consolidate loans to pay off debt faster, decrease stress, and save time and money
- Negotiate with your creditors to come up with a payment plan that works for you
- Discover the best loans to use for refinancing debt or making major new purchases
- Understand how credit bureaus work--and take steps to improve your score

Filled with Bridgforth's warmhearted wisdom and advice, and complete with worksheets, affirmations, and inspiring stories of African American women who've restored their credit and built new wealth, *Girl, Get Your Credit Straight!* is a fresh, empowering guide for any woman who wants to say goodbye to debt—for good.

What Snowflakes Get Right Ulrich Baer, 2019 Angry debates about polarizing speakers have roiled college campuses. Conservatives accuse universities of muzzling unpopular opinions, betraying their values of open inquiry; students sympathetic to the left openly advocate against completely unregulated speech, asking for safe spaces and protection against visiting speakers and even curricula they feel disrespects them. Some even call these students snowflakes—too fragile to be exposed to opinions and ideas that challenge their worldviews. How might universities resolve these debates about free speech, which pit their students' welfare against the university's commitment to free inquiry and open debate? Ulrich Baer here provides a new way of looking at this dilemma. He explains how the current dichotomy is false and is not really about the feelings of offended students, or protecting an open marketplace of ideas. Rather, what is really at stake is our democracy's commitment to equality, and the university's critical role as an arbiter of truth. He shows how and why free speech has become the rallying cry that forges an otherwise uneasy alliance of liberals and ultra-conservatives, and why this First Amendment absolutism is untenable in law and society in

general. He draws on law, philosophy, and his extensive experience as a university administrator to show that the lens of equality can resolve this impasse, and can allow the university to serve as a model for democracy that upholds both truth and equality as its founding principles.

Nice Girls Just Don't Get It Lois P. Frankel, Carol Frohlinger, 2011-04-19 Offering the same brand of practical, no-holds-barred, expert advice that made *Nice Girls Don't Get the Corner Office* an international million-copy bestseller, *Nice Girls Just Don't Get It* teaches us the skills we need to turn from a nice girl into a winning woman, not just in our careers but in our relationships, families, and everyday lives. Have you ever felt invisible? Taken advantage of? Reluctant (or unable) to articulate what you really want? If so, join the club. The nice girls club. Nice girls—that's right, girls—are those more concerned with pleasing others than with addressing their own needs and haven't yet learned how to overcome the childhood messages cultural stereotypes keeping them from getting their voices heard, their needs met, and the lives they want. This book will turn those nice girls into winning women. That is, women who factor their own needs in with those of others, confront those who treat them disrespectfully, maintain healthy and mutually beneficial relationships with appropriate boundaries— and as a result, are happier and more successful in every area of their life. In 2004, Lois Frankel blew the lid off so many of our long-held ideas about gender and success with her bestselling *Nice Girls Don't Get the Corner Office*, which went on to become such a huge phenomenon, the term nice girls has secured a place in our cultural lexicon. Here, Frankel teams up with negotiation expert Carol Frohlinger to bring this bestselling advice out of the workplace and provide a broader set of skills that any woman—whether a CEO or stay-at-home mom—can use to win anywhere, with anyone. Presented in the straightforward, digestible format that helped make *Nice Girl's Don't Get the Corner Office* an instant hit, Frankel and Frohlinger outline seven practical strategies and 99 supporting tactics that every winning woman should know. By the time you've finished reading this book, you'll be able to: • Get your husband to do his half of the household chores—without being made to feel like a nag. • Stop overextending yourself by taking on all the unpleasant tasks no one on your volunteer board, or your team at work will go near. • Win an argument with your mother in law about who will be hosting Christmas dinner. • Have the courage to send back a meal that isn't prepared the way you'd ordered it. • Confront a colleague who is shirking responsibility or taking credit for your work. • Convince a sales person to reduce a fee, waive a surcharge, or honor a store credit. • Question a doctor's course or treatment or request a second opinion, instead of simply going along in order to be a "good" patient. • Firmly but politely bow out of an extravagant vacation to celebrate a friend's birthday that you simply can't

afford-without feeling guilty about it. And so much more. A must-read for anyone who's ever felt taken advantage of by a friend or family member, unappreciated by a spouse or partner, or exploited by a vindictive neighbor or co-worker, Nice Girls Just Don't Get It offers women the indispensable knowledge and skills to get the things they want, the respect they've earned, and the success they deserve. From the Hardcover edition.

GetRight Pro Introduction

In the digital age, access to information has become easier than ever before. The ability to download GetRight Pro has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research

papers, the option to download GetRight Pro has opened up a world of possibilities. Downloading GetRight Pro provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading GetRight Pro has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download GetRight Pro. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the

world. However, it is essential to be cautious while downloading GetRight Pro. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading GetRight Pro, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download GetRight Pro has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
