Burn Baby Burn Meg Medina, 2016-03-08 While violence runs rampant throughout New York, a teenage girl faces danger within her own home in Meg Medina's riveting coming-of-age novel. Nora Lopez is seventeen during the infamous New York summer of 1977, when the city is besieged by arson, a massive blackout, and a serial killer named Son of Sam who shoots young women on the streets. Nora's family life isn't going so well either: her bullying brother, Hector, is growing more threatening by the day, her mother is helpless and falling behind on the rent, and her father calls only on holidays. All Nora wants is to turn eighteen and be on her own. And while there is a cute new guy who started working with her at the deli, is dating even worth the risk when the killer likes picking off couples who stay out too late? Award-winning author Meg Medina transports us to a time when New York seemed balanced on a knife-edge, with tempers and temperatures running high, to share the story of a young woman who discovers that the greatest dangers are often closer than we like to admit – and the hardest to accept.

Burn for You Hannah Blowers,2022-10-04 He got me out of my clothes the night we met. I was soaking wet and extremely dirty. And he swept me off my feet and gave me a ride I'll never forget. Unfortunately, not that kind of wet or dirty, and not that kind of ride. He literally swept me off my feet when I was walking on the side of the road in the pouring rain, he blinded me with his headlights and I landed in a ditch. At first I thought Asher Evans might be a serial killer with his dangerously blue eyes, a My Little Pony blanket and his insistence on getting me into his vehicle, but it turns out he's a firefighter and a single dad with three daughters. He's always wanted to save people, and I've always wanted to be saved. It's a match made in

heaven—a platonic match. He’s my boss who’s fifteen years older than me, and I’m the nanny of his children. Romantically speaking, he’s off limits. For the first time in my life, I have a home. A family. And I can’t let anything or anyone destroy that. Definitely not some smoldering hot dad with a chiseled jaw, a panty-melting smile and three adorable daughters who almost instantly clawed their way into my heart. Because falling for him could burn everything I’ve built with the Evans family to the ground.

But for a girl whose life has been full of misfortune-forever is a fantasy word that only exists in fairy tales and fables. In spite of blow after blow Tori still fights to grab onto her happily ever after with Scott. But as the wedding looms on the horizon, the demons of her past resurface with a vengeance-and this time they’re dragging him down with her. For Scott, to sacrifice himself for his bride is not even a question. It’s his duty, his honor. The man goes down; the girl goes free. That is his mantra. His
