Remembering the Stars of the NFL Glory Years Wayne Stewart,2017-07-13 The 1950s and 60s was a golden age for professional football. It was perhaps the toughest and roughest era for the sport, before rules were created to better protect the players, but it was also a time when legends were born. To many football fans this era remains the Glory Years of the NFL, when the stars that roamed the gridiron included the likes of Johnny Unitas, Bart Starr, Jim Brown, and Raymond Berry. In *Remembering the Stars of the NFL Glory Years: An Inside Look at the Golden Age of Football*, Wayne Stewart tells the story of professional football in the '50s and '60s through the words of the players themselves. Chapters cover Hall of Famers on both sides of the ball, players who made a lasting impression on the game, and the toughest players on the gridiron. Stewart intertwines profiles of these iconic players with the athletes' own memories, observations, and anecdotes, including their impressions of teammates and opponents. Two additional chapters consist of humorous quotes and the players' thoughts on how the game has changed since their heyday. Featuring exclusive interviews with players from the 1950s and '60s, *Remembering the Stars of the NFL Glory Years* provides an inside look at this distinct time in professional football. With a wide range of topics and insights included throughout, this book will both entertain and inform football fans and historians alike.

Lightning Boy Chad Raugewitz,2019-09-03 The sky was the limit with who knows what problems I could solve, world hunger or peace in the Middle East, just to name a

few. Yet fixing a junior high football game did not seem to be high on the world problems' list of things to fix. Ever wondered what you would do if you discovered that you had superpowers? For eighth-grader Johnny, this was a question that he had to answer. Would Johnny use his new abilities to please his own selfish desires, or would he use them for the good of humanity? Come find out what manifested from Johnny's decision in this action-packed novel called Lightning Boy. Read along, and you will feel you are alongside Johnny as he is confronted with breaking up a local crime ring or playing football against the highly rated cross-town rival. Discover how a regular student went from nothing status to making the headlines in the school newspaper. Come join Johnny as he makes his way through the ups and downs of junior high life. By the end of the novel, you too will be cheering for Johnny with every move he makes.

Scottish Sporting Legends Robert Philip,2011-09-01 Scotland may not have won a World Cup (yet!), but many of the country’s sportsmen and women are revered as global legends, including Olympic and US Open champion Andy Murray and winner of six Olympic gold medals, Sir Chris Hoy. In football, the likes of Denis Law, ‘Slim’ Jim Baxter and Jimmy ‘Jinky’ Johnstone would not have looked out of place in the canary yellow of Brazil, while managers Sir Matt Busby, Bill Shankly and Jock Stein have become part of football folklore, as has Sir Alex Ferguson in more recent times. Amazingly, Scots have reached the top in just about every major sport: Jim Clark and Sir Jackie Stewart in Formula One; Andy Murray in tennis; Ken Buchanan and Benny Lynch in the boxing ring; Chris Hoy in cycling; sprinters Allan Wells and Eric Liddell on the Olympic track; and, as befits a nation renowned as ‘the home of golf’, Sandy Lyle was recognised as the greatest player on the planet upon winning the Masters in 1988. Scottish sport is the richest of tapestries and in Scottish Sporting Legends the cream of the crop are entertainingly profiled in a revealing collection of pen portraits of stars past and present.

Man and Ball Stephen Ferris,2015-09-24 SHORTLISTED FOR RUGBY BOOK OF THE YEAR AT THE BRITISH SPORTS BOOK AWARDS 'When I came into the Ulster team,' Stephen Ferris says with typical candour, 'we were crap'. It was, however, preferable to his day job of paving driveways, and that day in 2005 saw the start of an incredible journey for Ferris, Ulster and Ireland rugby. A Celtic League title in his very first senior season with Ulster. A Grand Slam in 2009, followed by a sensational Lions breakthrough. A starring role in Ireland's greatest World Cup win, over Australia in 2011, when Ferris famously picked up Will Genia and carried him ten yards. And leading Ulster from nowhere to the Heineken Cup final. Stephen Ferris had an incredible rugby career, tragically ended by ankle injuries so severe they will never properly heal. He is an inspiration to the population of Ulster, an emblem of the sport that serves as such a positive expression of its culture and identity, and earned the respect and admiration of fans across Ireland for his strength, pace, skill and courage. Fearless, funny and full of an incredible array of stories from behind the scenes of Ulster, Ireland and the Lions, this is the must-have rugby book of the year.

Narrative Interaction Uta M. Quasthoff,Tabea Becker,2005-02-28 Telling stories in conversations is intricately interwoven with the interactive and local functions of story telling. Telling stories demands a certain kind of context and in itself establishes a particular interactive reality. Thus, narration is a specific kind of verbal interaction, governed by contextualizing devices, genre-specific cooperative regularities and corresponding verbal features. It plays an important role in institutional as well as in private modes of communication. The volume focuses on narration as a contextualized and contextualizing activity, which allocates specific structural tasks to the participants in the narrative process (narrator, co-narrator, listener). Thus, the research questions are oriented towards story telling under a functional and interactive perspective. The contributions analyze recordings of authentic narrations in different functions using different kinds of qualitative reconstructive methods. The data come from everyday as well as institutional settings and the languages covered are English, German, Greek, Hungarian, and Italian.
