Cheat(er) Code S.A. Foxe, 2020-09-22 An erotic graphic novel that pushes all the right buttons, Cheat(er) Code is a hilarious, sexy, and surprisingly tender story about navigating heartbreak and rediscovering your own confidence. Kennedy and his boyfriend Seth have been together six years, and honestly, it's pretty comfortable. That is, until the couple gets into a huge, potentially relationship-changing fight. Kennedy turns to his trusty video games to distract himself, but when a random power surge hits, he's transported inside his video game library. Dazed and incredulous about his digital predicament, Ken finds himself seduced by a silver daddy, rutting with a couple of barbarians from an epic fantasy, and sorting through a lot of confusing feelings about his favorite anthropomorphic cheetah character. Kennedy will need to confront his biggest fears to get back to reality before the game glitches him out of existence, but sometimes, the unexpected (and unexpectedly sexy) is just what you need to hit the reset button. Hilarious and heartwarming, it's an absolute must for your favorite gaymer and an incredible read for anyone who's ever console-d themselves through a heartbreak." -Tini Howard

**Afterschool** Nancy Vansieleghem, Joris Vlieghe, Pieter Verstraete, 2015-10-22 Tangible tension of omnipresent images in education The intricate relation between images and education is an old issue that can easily be dated back to the rise of Modernity. Ever since, it has been argued on the one hand that images might assist teachers in educating the new generation, but on the other might detract students' attention by offering them mere entertainment instead of seriously pursuing essential subject material. Today, with the omnipresence of screens in our daily life, this tension has become all the more tangible. Some may even start to wonder whether education, traditionally conceived as schooling, is still achievable under these conditions. The title Afterschool refers to a film by Antonio Campos, which depicted these new conditions very accurately. In the same way the book articulates in an affirmative manner the role of education in an 'Afterschool' era, and also what images could signify in such an era, both for educators and educational researchers. All essays included in this book, in one way or another, respond to this process of digitization. At the same time, they present new and unexpected ways of making use of images in educational practice and research. Contributors Sönke Ahrens (independent researcher), Marc De Blicq (LUCA School of Arts, Ghent), Pieter-Jan Decoster (Ghent University), Florelle D'Hoest (Universidad Complutense de Madrid), Jan Dietvorst (visual artist), Jan Masschelein (KU Leuven), Nancy Vansieleghem (LUCA School of Arts, Ghent), Maarten Vervolsem (LUCA School of Arts, Brussels), Pieter Verstraete (KU Leuven), Roy Villevoeye (visual artist) & Joris Vlieghe (Liverpool Hope University)

The Cheater's Return Brian McGoldrick, 2021-03-06 Life on Earth was nearly eradicated in World War III, but using alien technology, the Patriarch of the Church of the Resurrection built a new society from the ashes. He created what he called the Constructed Reality MMORPG, Primacy Online, a world so real that the players could not distinguish it from reality. After outlawing wars between the city-states on Earth, he declared that all wars would be fought inside the world of Primacy Online. Thirteen hundred years later, the release of Primacy Online VI: Legacy of Balor signals the beginning of World War IX. Players from Earth's city-states will be locked in cryogenic capsules and play Primacy Online in War Mode. Their achievements in the game will determine the victory rankings of their city-states, but if they die in the game, they will die for real. Patrick Armagh found flaws in the game mechanics of Primacy Online and exploited them to rise to the peak of the game. But when the Church declared he was cheating, he was perma-banned from the game. Now, the Church has declared that Patrick and all the other perma-banned cheaters will be included in a special Church group for World War IX, where they can earn redemption for their sin of cheating. However, Morgan Danan, Speaker of the City of Mann, and the generally acknowledged number one player of Primacy Online, has a deal for Patrick. With her help and his method of cheating, he has the chance to become a virtual god within Primacy Online, but by taking up her offer, he will become an enemy of the Church. Like a significant percentage of Primacy Online players, Patrick suffers from an ultimately fatal, degenerative nervous system disorder. He has less than five years to live. With death staring him in the face and nothing to live for, he accepts Morgan Danan's offer, and once again, enters Primacy Online as Crom Cruach, a disgraced legend. Will Crom Cruach, once again, become a legend, or will he be destroyed by the Church? What secrets has the Church hidden inside the game?

*The Cheat Sheet* Sarah Adams, 2022-04-26 Is it ever too late to leave the friend zone? Discover the heartwarming friends to lovers romance that became a sensation on TikTok—now with a new chapter and a Q&A with the author! The friend zone is not the end zone for Bree Camden, who is helplessly in love with her longtime best friend and extremely hot NFL legend, Nathan Donelson. The only problem is that she can't admit her true feelings, because he clearly sees her as a best friend with no romantic potential, and the last thing Bree wants is to ruin their relationship. But those abs . . . Nope! Nothing but good old-fashioned, no-touching-the-sexiest-man-alive, platonic friendship for Bree. In any case, she has other things to worry about. After a car accident ended her chance at becoming a professional ballerina, Bree changed paths and now owns her own dance studio, with big dreams to expand it. But one more rent increase could mean the end of the studio entirely. Then, as usual, Nathan comes to the rescue and buys the entire building. A stubborn Bree is not happy about it and decides to rebel with a couple—okay, maybe more than a couple—of tequila shots. Then her plan backfires as she spills her deepest, darkest secret to a TMZ reporter. One viral video later, the world thinks Nathan and Bree are the perfect couple. Before they can really talk about her confession, Nathan's publicist proposes a big opportunity that could mean financial security for Bree. The catch? They have to pretend to be in love. For three whole weeks. What will happen when Bree gives in to the feelings she's been desperately hiding for so long, and could she be imagining that Nathan is actually enjoying it? Sarah Adams scores more than touchdowns in this exciting romantic comedy.
