Sailing Made Easy American Sailing,2010-01-01 Sailing Made Easy is the first step in a voyage that will last you the rest of your life. It is a gift from a group of dedicated sailing professionals who have committed their lives to sharing their art, their skill, and their passion for this wonderful activity. This book, which Sailing Magazine called best in class upon its release in 2010, is the most comprehensive education and boating safety learn-to-sail guide to date. It is also the official textbook for the ASA Basic Keelboat Standard (ASA 101). Incorporated in the textbook are useful illustrations and exceptional photographs of complex sailing concepts. The text's most distinguishing feature is its user friendly spreads in which instructional topics are self-contained on opposing pages throughout the book. There are also chapter end quizzes and a glossary to help those new to sailing to navigate their way through the extensive nautical terminology.

Learn Sailing Right! United States Sailing Association,2012 Learn Sailing Right Intermediate Sailing is the next logical step in the progression of skills. Learn Sailing Right! Intermediate Sailing is about sailing faster and smarter with greater confidence. As an intermediate sailor, you no longer need to think about how to tack, return to the dock or rig your boat. These maneuvers are now as natural as breathing. Where sailing is simplified for beginners as they learn fundamental skills and concepts, intermediate sailors are ready for deeper explanations and some of the details behind how a sailboat works.
