Tuesdays with Morrie Mitch Albom,2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author "A wonderful book, a story of the heart told by a writer with soul."—Los Angeles Times "The most important thing in life is to learn how to give out love, and to let it come in." Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college.

Their rekindled relationship turned into one final “class”: lessons in how to live. “The truth is, Mitch,” he said, “once you learn how to die, you learn how to live.” Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie’s lasting gift with the world.

*Social Smarts Strategies That Earn Free Book Publicity* Anne Hart, 2006-03-27 Empathy and social smarts help you earn free book publicity by connecting you with key people, media, schools,

and the publications of nonprofit agencies. As a writer, you can promote your own book and earn free book publicity by connecting key people, media, and nonprofits' newsletters with schools. Social intelligence used in book promotion is like a three-ring circus. Use empathy, that is people smarts, as a catalyst to bring together schools, nonprofit agencies, and authors. Observe, simplify, and offer commitment as charisma. Query editors of nonprofit publications. These nonprofit agencies often publish high-circulation newsletters and sometimes also publish sizable, glossy magazines. Some produce videos or documentaries. To connect with the nonprofit agencies' editors, use your social intelligence skills to make connections in the nonprofit agencies' public relations and communications departments. Join public relations societies, national associations, and help out the nonprofit agencies or organizations of your choice focusing on what gets published in their magazines or newsletters. If you want to earn free publicity for your book, supply these editors with facts, findings, and trends. Bring the nonprofits in contact with schools. When you talk to school assemblies or classrooms, relate your book topic to any specific work or project done by a nonprofit association for whom you could write an article for that association's newsletter or glossy magazine. Use social intelligence to connect to people. What you need to earn free publicity is self-awareness and an understanding of how the main topic of your book influences your own behavior and how others perceive your behavior.
