Roderick Hudson James H.,1935 Henry James (1843–1916) was an American author regarded as a key transitional figure between literary realism and literary modernism. Roderick Hudson,

egotistical, beautiful and an exceptionally gifted sculptor. He is taken from New England to Rome by Rowland Mallet, a rich man of fine appreciative sensibilities, who intends to give Roderick the scope to develop his genius. Together they seem like twins or lovers, opposing halves of what should have been an ideal whole.

Storm of Steel Ernst Junger, 2016-05-31 One of the great war memoirs, now featuring a foreword by the New York Times bestselling author of *Matterhorn* in time for the centenary of World War I and the Battle of the Somme. A worldwide bestseller published shortly after the end of World War I, *Storm of Steel* is a memoir of astonishing power, savagery, and ashen lyricism. It illuminates not only the horrors but also the fascination of total war, as seen through the eyes of an ordinary German soldier. Young, tough, patriotic, but also disturbingly self-aware, Ernst Jünger exulted in the Great War, which he saw not just as a great national conflict but also—more importantly—as a unique personal struggle. Leading raiding parties, defending trenches against murderous British incursions, simply enduring as shells tore his comrades apart, Jünger keeps testing himself, braced for the death that will mark his failure. His account is ripe for rediscovery upon the centennial of the Battle of the Somme—a major set piece in *Storm of Steel*—and a bracing read for fans of *Redeployment* and *American Sniper*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. NOC Stories Greg Hlavaty, 2018-05-15 True Stories of Outdoor Adventure and Inspiration All fans of whitewater sports have been impacted by the Nantahala Outdoor Center (NOC) in one way or another. In 1972, the NOC was the outgrowth of an idea that friends working together to pursue their outdoor passions could change lives for the better. Today, the center is a seminal Southeastern paddling hub. Compiled by Payson Kennedy and edited by Greg Hlavaty, *NOC Stories* is a collection of 62 entertaining stories by NOC staff veterans—memories that describe the center's first 25 years. It approaches the story of the NOC's inception, a time of exponential growth in whitewater sports and instruction, a time when the NOC's contribution to paddling technique and instruction reverberated around the world. It is both a history of NOC's leading role in the evolution of commercial river running and an overview of when kayaking, as a sport, exploded in the United States. The remembrances presented here blend history with adventure as they document the NOC's singular

vision.
