Principles of Newspaper Management James Pollard,2013-04-16 Written by the once Director of the School of Journalism at the Ohio State University, this is a fascinating guide for anybody interested in becoming a journalist or involved in the world of the printed media. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Strategic Newspaper Management Conrad C. Fink,1988 The time is right for bright, aggressive newspaper managers to influence and prosper, but bleak indeed for those newspapers whose managers lack the requisite knowledge. Using case studies and examples from the business, Fink shows why some newspapers change with the times and surge ahead and why some continue to publish to an eroding market base and fail. The difference between success and failure, he concludes, is in long-range planning and in daily operating methodology—in, simply, the professionalism of management at all levels.

A History of American Magazines, Volume II: 1850-1865 Frank Luther Mott,1938 The first volume of this work, covering the period from 1741-1850, was issued in 1931 by another publisher, and is reissued now without change, under our imprint. The second volume covers the period from 1850 to 1865; the third volume, the period from 1865 to 1885. For each chronological period, Mr. Mott has provided a running history which notes the occurrence of the chief general magazines and the developments in the field of class periodicals, as well as publishing conditions during that period, the development of circulations, advertising, payments to contributors, reader attitudes, changing formats, styles and processes of illustration, and the like. Then in a supplement to that running history, he offers historical sketches of the chief magazines which flourished in the period. These sketches extend far beyond the chronological limitations of the period. The second and third volumes present, altogether, separate sketches of seventy-six magazines, including The North American Review, The Youth's Companion, The Liberator, The Independent, Harper's Monthly, Leslie's Weekly, Harper's Weekly, The Atlantic Monthly, St. Nicholas, and Puck. The whole is an unusual mirror of American civilization.
