Strong Towns Charles L. Marohn, Jr.,2019-10-01 A new way forward for sustainable quality of life in cities of all sizes Strong Towns: A Bottom-Up Revolution to Build American Prosperity is a book of forward-thinking ideas that breaks with modern wisdom to present a new vision of urban development in the United States. Presenting the foundational ideas of the Strong Towns movement he co-founded, Charles Marohn explains why cities of all sizes continue to struggle to meet their basic needs, and reveals the new paradigm that can solve this longstanding problem. Inside, you'll learn why inducing growth and development has been the conventional response to urban financial struggles—and why it just doesn't work. New development and high-risk investing don't generate enough wealth to support itself, and cities continue to struggle. Read this book to find out how cities large and small can focus on bottom-up investments to minimize risk and maximize their ability to strengthen the community financially and improve citizens' quality of life. Develop in-depth knowledge of the underlying logic behind the "traditional" search for never-ending urban growth Learn practical solutions for ameliorating financial struggles through low-risk investment and a grassroots focus Gain insights and tools that can stop the vicious cycle of budget shortfalls and unexpected downturns Become a part of the Strong Towns revolution by shifting the focus away from top-down growth toward rebuilding American prosperity Strong Towns acknowledges that there is a problem with the American approach to growth and shows community leaders a new way forward. The Strong Towns response is a revolution in how we assemble the places we live.

The Angel of Knowlton Park (A Joe Burgess Mystery, Book 2) Kate Flora,2014-04-10 Real-world, intense, deeply flawed characters. Hard story to tell; even harder to read, but worth every minute. A real page turner. ~Terry P., Verified Reviewer Portland, Maine, homicide detective Joe Burgess needs a vacation. But there's a dead child in Knowlton Park. Rolling up on the scene with a canoe on the roof and fishing poles flapping, Burgess finds little Timmy Watts, viciously stabbed, and carefully wrapped in a new blue blanket. Timmy's parents are life-long crooks, his brothers deal drugs and his sister turns tricks. The only one who seems to care is Timmy's hearing-impaired sister, Iris. But she's keeping her secrets. Then Iris disappears, and Burgess is battling against time to keep more children from dying. The story ramps up on the first page and does not let down until the short post climax. ~Verified Reviewer This is another amazing book from a skilled author of police procedurals with much more human understanding than the genre usually offers. ~Verified Reviewer THE JOE BURGESS MYSTERIES Playing God The Angel of Knowlton Park Redemption And Grant You Peace Led Astray A Child Shall Lead Them A World of Deceit
