**Play Culture in a Changing World** Marjatta Kalliala,2005-11-16 The cultural context in which children grow up has a powerful influence on the way they play. At a time of rapid change in post-industrial societies, childhood play is changing to reflect children's experiences. Adults need to understand that children have their own play culture, which might be different from that of the adults' own childhoods. Enlivened by the voices of young children engaged in contemporary play, this accessible book enables readers to re-evaluate the contribution of play in childhood. It explores the persistence of fundamental play themes alongside new variations on traditional themes, including: Competitions and games Games of chance and luck The world of make-believe 'Dizzy play' This book helps adults to be reflective and to encourage children's play by understanding and valuing their play culture. It is important reading for early years students and practitioners.

**EB00K: Play and Playwork: 101 Stories of Children Playing** Fraser Brown,2014-10-16 Children like to play. They get all sorts of benefits from playing. They get the most benefit from play when they are in control of what they are doing. Yet there are lots of circumstances today that mean children are not able to control their own play and that's where playwork comes in, where the role of the playworker is to create environments that enable children to take control of their playing. This book aims to explore the similarities, differences and tensions that exist between play and playwork including appropriate definitions and the conflict around the role of the adult. Fraser Brown proposes a play to playwork continuum, where playing can be considered a 'developmental and evolutionary' activity and playwork a 'compensatory' activity. Helpfully structured around the aspects considered by the author as most important for playwork, this book uses 101 fascinating stories of children playing to illuminate a range of play and playwork theories. The rich array of powerful stories - drawn from the casebooks of eminent and experienced playworkers - speak for themselves whilst at the same time triggering theoretical explorations that are interwoven with the stories in each chapter. Mesmerizing, absorbing and original, this is essential reading for playwork students and practitioners, as well as for students and practitioners of early years, childhood, children's health and wellbeing, and children's social care.

Vampire History and Lore Stuart A. Kallen, 2011 Throughout history vampires have been viewed as hideously repellant, strikingly attractive, dangerously evil, and piteously gloomy. Lincoln and Shakespeare Michael Anderegg, 2021-02-19 It was the measure of Shakespeare's poetic greatness, an early commentator remarked, that he thoroughly blended the ideal with the practical or realistic. "If this be so," Walt Whitman wrote, I should say that what Shakespeare did in poetic expression, Abraham Lincoln essentially did in his personal and official life. Whitman was only one of many to note the affinity between these two iconic figures. Novelists, filmmakers, and playwrights have frequently shown Lincoln quoting Shakespeare. In *Lincoln and Shakespeare*, Michael Anderegg for the first time examines in detail Lincoln's fascination with and knowledge of Shakespeare's plays. Separated by centuries and extraordinary circumstances, the two men clearly shared a belief in the power of language and both at times held a fatalistic view of human nature. While citations from Shakespeare are few in his writings and speeches, Lincoln read deeply and quoted often from the Bard's work in company, a habit well documented in diaries, letters, and newspapers. Anderegg discusses Lincoln's particular interest in Macbeth and Hamlet and in Shakespeare's historical plays, where we see themes that resonated deeply with the president—the dangers of inordinate ambition, the horrors of civil war, and the corruptions of illegitimate rule. Anderegg winnows confirmed evidence from myth to explore how Lincoln came to know Shakespeare, which editions he read, and which plays he would have seen before he became president. Once in the White House, Lincoln had the opportunity of seeing the best Shakespearean actors in America. Anderegg details Lincoln's unexpected relationship with James H. Hackett, one of the most popular comic actors in America at the time: his letter to Hackett reveals his considerable enthusiasm for Shakespeare. Lincoln managed, in the midst of overwhelming matters of state, to see the actor's Falstaff on several occasions and to engage with him in discussions of how Shakespeare's plays should be performed, a topic on which he had decided views. Hackett's productions were only a few of those Lincoln enjoyed as president, and Anderegg documents his larger theater-going experience, recreating the Shakespearean performances of Edwin Booth, Charlotte Cushman, Edwin Forrest, and others, as Lincoln saw them.

A Heart at Fire's Center Steven C. Smith, 2002-05-31 No composer contributed more to film than Bernard Herrmann, who in over 40 scores enriched the work of such directors as Orson Welles, Alfred Hitchcock, François Truffaut, and Martin Scorsese. In this first major biography of the composer, Steven C. Smith explores the interrelationships between Herrmann's music and his turbulent personal life, using much previously unpublished information to illustrate Herrmann's often outrageous behavior, his working methods, and why his music has had such lasting impact. From his first film (*Citizen Kane*) to his last (*Taxi Driver*), Herrmann was a master of evoking psychological nuance and dramatic tension through music, often using unheard-of instrumental combinations to suit the dramatic needs of a film. His scores are among the most distinguished ever written, ranging from the fantastic (*Fahrenheit 451*, *The Day the Earth Stood Still*) to the romantic (*Obsession*, *The Ghost and Mrs. Muir*) to the terrifying (*Psycho*). Film was not the only medium in which Herrmann made a powerful mark. His radio broadcasts included Orson Welles's Mercury Theatre on the Air and *The War of the Worlds*. His concert music was commissioned and performed by the New York Philharmonic, and he was chief conductor of the CBS Symphony. Almost as celebrated as these achievements are the enduring legends of Herrmann's combativeness and volatility. Smith separates myth from fact and draws upon heretofore unpublished material to illuminate Herrmann's life and influence. Herrmann remains as complex as any character in the films he scored—a creative genius, an indefatigable musicologist, an explosive bully, a generous and compassionate man who desperately sought friendship and love. Films scored by Bernard Herrmann: *Citizen Kane*, *The Ghost and Mrs. Muir*, *Vertigo*, *Psycho*, *Fahrenheit 451*, *Taxi Driver*, *The Magnificent Ambersons*, *The Man Who Knew Too Much*, *North By Northwest*, *The Birds*, *The Snows of Kilimanjaro*, *Cape Fear*, *Marnie*, *Torn Curtain*, among others
