Marty Cortinas

*Beat the Odds* Marty Cortinas,2005-12-08 You've watched celebrity poker on TV; you've witnessed an accountant come from nowhere to win the World Series of Poker; now you're ready to cash in on the online action yourself! But before you do, you'll want to invest in a copy of *Beat the Odds: The Smart Player's Guide to Online Poker* for clear, no-nonsense instructions to savvy online poker playing. Learn the difference between online and real poker, how to set up an account and join a table, and where to go to find the most popular games--5-Card Draw, 5-Card Stud, 7-Card Stud, Texas Hold 'Em, and Omaha, as well as how to choose the right casino for you. Step-by-step instructions, plenty of pictures, and real world tips will show you the ropes and help you quickly develop online expertise.. You'll learn how to put on your best poker face with strategies (understanding the differences between poker sites and choosing the right casino, avoiding getting cheated, and software programs to track competitors) and your know-how of online poker legal issues, tournament play, and more!

Limit Hold'em: Winning Short-handed Strategies Terry Borer, Lawrence Mak,2016-03-23 Short-handed games are extremely profitable and fun to play. Terry Borer and Lawrence Mak – two short-handed experts, and Barry Tanenbaum – one of America's top poker coaches, will teach you how to dominate the short-handed tables, both live and on-line. You will learn: How to optimize your strategies for 6-handed, 3-handed, and even heads-up play. How to play every street at an expert level. How to select your site, limit and seat for maximum profit. How to master the mental game and cope with the swings of short-handed play. How to exploit bonuses and get the most rakeback for your time. How to use poker software and statistics to maximize your profits. By carefully studying the 245 quiz questions and examples in this book you will improve your game and be able to dominate and control your table. Terry and Lawrence have won hundreds of thousands of dollars playing on-line – exclusively in short-handed cash games. They have also consulted for an online gambling and poker website. Now they pass on their knowledge to you. Barry, author of *Advanced Limit Hold'em Strategy* and regular Card Player columnist, has been a full time professional for many years and is widely acknowledged as a top poker coach and teacher.

Killer Poker by the Numbers Tony Guerrero,2007 The first and only poker book to thoroughly cover the mathematical concepts behind every hand of poker and do it in an easy and accessible manner. At its root poker is a numbers game - this latest instalment in the bestselling Killer Poker series completely demystifies the math used to make winning decisions. Includes advice on how to determine strategy and profitability for various table types; how blind structures and table sizes can affect play; and how to work with probability, expected value, pot odds and more.

Kill Everyone Lee Nelson, Tysen Streib, Steven Heston,2009-07-15 One of the most highly regarded poker books to come out in the last decade is now even better than before. The expanded and revised second edition of *Kill Everyone*, by Aussie Millions champ Lee Nelson (with Steve Heston and Tyson Streib), now includes hand illustrations throughout the book—and even more enticing for poker players—commentary throughout the book by internet-poker and European playing sensation Bertrand Elky Gropellier, World Poker Tour's 2009 Poker Player of the Year. *Kill Everyone* begins where *Kill Phil* left off. Its perfect blend of real-time experience, poker math, and computational horsepower combine to create new concepts and advanced strategies never before seen in print for multi-table tournaments, Sit-n-Gos, and satellites. It also explains how to choose the right strategy for the right game, provides the proper tactics, and introduces new weapons into a tournament-poker-player's arsenal. This book is for anyone serious about playing tournament poker, both live and online. And for cash-game players, a bonus chapter, penned by online cash-game ace and 2007 WSOP bracelet winner Mark Vos, helps you develop your short-handed no-limit hold 'em cash game.

**Secrets of Short-handed Pot-Limit Omaha** Rolf Slotboom, Rob Hollink,2016-03-23 0 Comments Rolf Slotboom and Rob Hollink join forces to produce THE definitive guide, to short-handed Pot-Limit Omaha (tables with six or fewer players). Do you know Pot-Limit Omaha is one of the fastest growing forms of poker? Do you know that the biggest games online (in money) are Short-Handed Pot-Limit Omaha? Rolf and Rob will tell you how to: Gauge the optimum size of the buy-in Decide whether to check-raise or bet into the raiser Represent big hands Misrepresent hands in order to get paid off Get your opponents off good, but non-nut hands Judge when to raise with drawing hands The team – Rolf Slotboom – author of the classic “Secrets of Professional Pot Limit Omaha”. In his first attempt in 2007 on the World Series of Poker he cashed four times, including the main \$10,000 event. Rob Hollink has been a leading player for over 20 years and has won both a European tour title and, in 2008, a World Series bracelet.

**Holden On Hold'em** Anthony Holden,2016-06-09 Holden is an experienced poker player who does not pretend to be as expert as the world's top pros; but he can write better than them - and he knows most well enough to milk them for personalized advice, tips and subtle strategies. *HOLDEN ON HOLD'EM* thoroughly analyses the difference between home and casino play, between cash and tournament play, between internet poker and the real thing against real human beings. Amid definitive charts and tables of odds, probabilities and other statistics, sample hands, advice on etiquette and other niceties, there will be sections on bluff, tells and the nuances of 'position' and 'outs', as well as a brief history of the game and anecdotes about its great players. This book can claim to be the first really readable manual in the history of poker! An entertaining, anecdote-packed and invaluable companion to the narrative poker classics *BIG DEAL* and *BIGGER DEAL*.

*The No B.S. Guide To Winning Online No Limit Texas Hold'em* ,

**Earn \$30,000 Per Month Playing Online Poker** Ryan Wiseman,2010-11-16 Much like a pilot need not know the pure physics behind his flight, a skilled poker player need not know the pure mathematics behind winning poker play. Too often have poker books taken a purely theoretical approach to poker instruction. This book is the only poker book available that caters specifically to online sit'n'go (SNG) single'table low'limit Texas Hold'em tournaments. More importantly, it is the only poker book that guides the reader on a progressive path upward through the various limits, with only the information necessary to win with any bankroll or skill level to beat that specific low limit. Presented in a series of steps, the book provides guidelines that help tell the reader when to move up to a higher limit. SNG's have very predictable durations (40'60 minutes) so the reader could effectively set aside blocks of time to play. Unlike other games, the book contends that SNG's have very predictable win/loss rates, can be defeated systematically, and offer an innate system of progression. That is, the various buy'in amounts can be viewed as a climbable ladder that helps gauge success. As with any gambling, winning is not a sure thing. But this book gives you the tools you need to win.

The Last Chance Kid Will Keen,2017-04-01 When Lane Condry, The Last Chance Kid, paid a rare visit to the family home in Arizona's San Pedro Hills, he found his younger brother, Nate, acting suspiciously, and the property being threatened by unscrupulous mine owner Jack Kenyon.

*James Van Allen* Abigail Foerstner,2009-06 Astrophysicist and space pioneer James Van Allen (1914–2006), for whom the Van Allen radiation belts were named, was among the principal scientific investigators for twenty-four space missions, including Explorer I in 1958, the first successful U.S. satellite; Mariner 2's 1962 flyby of Venus, the first successful mission to another planet; and the 1970s Pioneer 10 and Pioneer 11 missions that surveyed Jupiter and Saturn. Although he retired as a University of Iowa professor of physics and astronomy in 1985, he remained an active researcher, using his campus office to monitor data from Pioneer 10—on course to reach the edge of the solar system when its signal was lost in 2003—until a short time before his death at the age of ninety-one. Now Abigail Foerstner blends space science drama, military agendas, cold war politics, and the

events of Van Allen’s lengthy career to create the first biography of this highly influential physicist. Drawing on Van Allen’s correspondence and publications, years of interviews with him as well as with more than a hundred other people, and declassified documents from such archives as the Jet Propulsion Laboratory, the Kennedy Space Center, and the Applied Physics Laboratory, Foerstner describes Van Allen’s life from his Iowa childhood to his first experiments at White Sands to the years of Explorer I until his death in 2006. Often called the father of space science, James Van Allen led the way to mapping a new solar system based on the solar wind, massive solar storms, and cosmic rays. Pioneer 10 alone sent him more than thirty years of readings that helped push our recognition of the boundary of the solar system billions of miles past Pluto. Abigail Foerstner’s compelling biography charts the eventful life and time of this trailblazing physicist.

Disposable Heroes Gregory Mattix,2020-12-20 Boomer is a pretty simple guy for an alien hybrid. He runs on booze, caffeine, and junk food. He works as a bullet-resistant tank for a crew of street-running mercenaries. If someone needs hurting or something needs blowing up, he’s the guy to do it. It might not be the most glam life in Arutairu Megacity, but it’s his, and he’s rather attached to it. When Boomer's team takes on a shady job with the promise of a stellar payday, the proverbial excrement quickly meets the fan, and hit squads come after him and his crew. Normally, a few amateur goons with guns would just make for good target practice, but he suddenly finds himself unable to protect his friends. His rapidly expanding list of problems soon includes double-crosses, femme fatales, a hybrid assassin wielding alien weaponry, and an army of mercs gunning for him and his rapidly dwindling crew. As if that mess wasn’t enough to deal with, he fears he might be losing his sanity as he blunders into the middle of a conspiracy so vast it will shake the foundations of the entire city. What’s a dumb grunt like him to do? Get some bigger guns and fight back, of course. And make some bastards rue the days they were born. Disposable Heroes is a white-knuckle xenopunk thriller from the author of Extensis Vitae, Remember Tomorrow, and Nexus of the Planes. Keyword Tags: Cyberpunk, alien hybrid, alien colonization, alternate history, Science fiction, science fiction book, sci-fi, sci-fi book, sci-fi adventure, sci-fi adventure book, science fiction adventure, science fiction adventure book, action, cyberpunk book, genetic engineering, dystopia, dystopian, dystopian book, dystopian sci-fi, dystopian science fiction, sci-fi thriller, technothriller, cybernetics.

*Poker World* Nicolae Sfetcu, Introduction in poker: online poker, rules, hands, strategy, cheating, casino, tournaments, poker jargon, equipment, gambling, resources. Poker is a microcosm of all we admire and disdain about capitalism and democracy. It can be rough-hewn or polished, warm or cold, charitable and caring or hard and impersonal. It is fickle and elusive, but ultimately it is fair, and right, and just. -- Lou Krieger

**PokerAce Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download

free **PokerAce** PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth

noting that while accessing free PokerAce PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of PokerAce free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About PokerAce Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
