Powers, Christopher J. Powers, Jessie Raye

Skinner, 2012-01-31 This book will assist you through the various stages of poker table design and construction from start to finish along with extra information for added upgrades and modifications. These design plans will set your table apart from the rest with the flexibility of having a completely removable padded rail. The removable rail feature allows for no fuss cleaning and maintenance, just like the professional poker tables in the casinos! The step by step guide is easy to follow and is full of large, high quality pictures and diagrams to steer you through the challenging stages of poker table construction and upholstering. Enjoy the satisfaction of owning a professional style poker table and build with confidence when you purchase this guide. **Poker Table Characteristics:** Removable one piece padded rail. The vinyl is not stapled directly to the bottom of the table top like most other cheap designs. Optional sizes for 6 person, 8 person, and 10 person poker tables. Optional drop-in cup holders. Easily clean and replace vinyl and felt when needed. Options for different style table

legs or pedestal bases Included in This Book: In every chapter we provide you with a list of materials and tools required. Recommendations on selecting quality materials to build a great poker table. List of recommended suppliers by material type. Guidance on designing your poker table to fit your needs. Inches to metric conversion table. Tips and tricks to avoid mistakes. Steps to maintain your poker table. The author James Powers has owned and operated a business building and selling poker tables for many years to individuals and casinos. These designs have been constantly refined and updated over the years and now he offers them to you.

The Poker Player Game Strategies for Beginners Art Stovall, 2015-10-10 The contents of this book serve as anecdote to the widely held views that the gambler is always the best chip manager. Employing the rules of the poker player game and strategies in this book will enable the novice player to become a chip manager that rivals even the professional who plays the poker game as a sport. The player that uses an aggressive betting attack strategy designed a: to counter the gambler's inappropriate aggression and b: to change the sequence of a gambler's strategy executions, which should cause gamblers to throw their starting cards in the dead card stack. Strategies in this book, when applied successfully, allows a player the privilege of taking a principal position that provides the advantage of the last betting action. These pre and post flop continuation betting strategies

reduce gambling opponents value range assessment for a positive chip-gathering effort. Though there are more than one gambler in a game; these rules of engagement are presented for beginning players to improve their potential or profits. The difference between the gamblers and players' are that gamblers take unnecessary risk without regard for value range assessments for positive chip-gathering efforts. The player on the other hand is self-disciplined, patient and focused while waiting to go after the highly populated pots with many chips. This book surpasses all others in that it deals with the humanistic input, gambling addiction and the impact on the sport's game player's positive chip-gathering efforts.

Exploitive No Limit Holdem Paul Ratchford, 2014-06-26 My biggest strength at the poker table is my ability to adapt in real time to my opponents. Exploitive No Limit Holdem was written not just to help you understand advanced NLHE theory, but more importantly to help you

apply that knowledge exploitively at the poker table. I focus more on the attacking side of poker than the defending side. In many ways I feel like a good defense will come naturally for those who have a good offense. If you understand how and why you are targeting an opponent, you will also notice when you are the mark. When you finish reading this book I am confident that you will be a better player. Wherever possible I try to give you real world examples of the concepts I am discussing. Theory without applications is useless, and I recognize that my readers need more than just theory to help them improve. Included in Exploitive No Limit Holdem is an extensive discussion of how to improve your red line, the mental game, math, expected value, game theory, and risk management. Very little in poker is "solved" and that makes teaching the game challenging. Exploitive No Limit Holdem focuses not only on how to fix leaks in your game and attack opponents' weaknesses, but also on how you can keep growing as a player after reading this book. Exploitive No Limit Holdem can help you deepen your understanding of No Limit Holdem, which will enable you to adapt and stay profitable in a dynamic and rapidly changing industry like poker.

Winning at Internet Poker For Dummies Mark Harlan,Chris Derossi,2005-04-22 Take poker online the fun and easy way! Five years ago, 50 million people were playing poker recreationally or professionally. Now that number is more than 100 million, including a huge influx of young people. Online betting is up nearly four-fold over the past year, with total wagers running over \$30 billion. Winning at Internet Poker For Dummies provides the lowdown on the hottest game around, highlighting the best sites and virtual games and showing how to make secure online bets. The book covers setting up an account, securing funds,

navigating a basic online poker game, using Internet abbreviations and lingo, observing online poker etiquette, playing popular online poker games such as Texas Hold 'Em and Omaha, devising a winning strategy, and participating in tournaments.

World Class Shipboard Hospitality Paolo

Benassi, 2023-01-01 This text provides a comprehensive overview on how modern cruise ships are run, covering the most important topics of today's shipboard operation involving Deck, Engine and Hotel divisions, with a focus on the recent innovations in the Culinary Arts, Entertainment productions, Spa and Beauty facilities and a specific reference on how to maximize onboard revenues such as Casino, Bar, Duty-Free Shops, Shore Tours, Photo Gallery, and onboard Art Auctions. A special chapter is dedicated to the procedures to prevent virus outbreaks including Norovirus and Coronavirus. World Class Shipboard Hospitality is addressed to all those who want to get an unbiased understanding of today's cruise industry such as worldwide media professionals, tourism and hospitality college teachers, cruise industry administrators, product and service suppliers, crew manning agencies and business executives. It can also be a guide for marine, tourism, and hospitality students to learn from a reliable source, and a tool to encourage candidates interested in a career in the industry, as well as to assist existing cruise employees to be eligible for a promotion. Today there are several books about cruising and cruise ships with description and evaluation of ships, cruise

mystery, fiction stories, and personal memories; however, World Class Shipboard Hospitality has the advantage to describe the cruise business operation with first-hand knowledge from an inside point of view and with a richness of professional information, that makes it unique in its genre.

WORDS OF PRAISE A culmination of decades worth of experience and dedication to the cruise industry. A must-read for all cruising enthusiasts and industry staff! --Cornelis van der Hel, former Princess Cruises' Passenger Services General Manager

This extremely timely and totally comprehensive narrative details everything needed to provide safe and successful cruises throughout the world. The number one critical resource for everyone in the entire cruise industry. ---Jeri Trannett DeTillio, Journalist and Coach

Thanks to his remarkable experience in the cruise sector, Benassi gives us a valuable and complete professional training manual, a useful guide also for hotel school's students interested to start a career on a cruise ship. --Damiano Oberoffer, Head Professor at Macugnaga Monterosa School

They are floating hotels with luxury restaurants and high-level entertainment, but they need to be perfect to accomplish their mission: to give people a break from reality in the most amazing surroundings.... Benassi has spent almost his entire adult life in the hospitality industry, whether on the ground or at sea. His book considers the main aspects of shipboard hospitality, its evolution, the highs, and lows encountered recently during the pandemic, and primarily the human aspect of it all. It is a book

crafted with attention, passion, and, above all, love. World Class Shipboard Hospitality is a must-read for anyone who works in the industry, who dreams of working at sea, or for those who, simply, dream of escaping in the lap of luxury if only for a few days. ---Dr. Antonino Laspina, Director Italian Trade Commission The wealth of knowledge this will provide not only to seasoned professionals in the industry but to those wanting to pursue a career in the maritime business is imposing. --Keith Woods, Corporate Account Manager at Ecolab Inc. Covering the full shipborne hotel organization and hotel and sanitation procedures in modern cruise ships. It is practical, easy to read, extended to all aspects of guest satisfaction and sanitation, and contains daily life cases illustrating the theory. A must for any medium and high-level cruise line executives and senior onboard staff. --Andres Molina Marti, Cruise ship's design and operation consultant and former C.O.O. in Pullmantur Cruises (RCCL Group) Paolo Benassi gives a fascinating cross-sectional overview of a cruise ship and its complex meritocratic hierarchy. He offers interesting anecdotes and practical advice to guide the ship industry to the other side of the COVID-19 storm, with the experience of a well navigated seaman and the style of a professional coach. --Dr. Ilaria Serra, Professor of Italian and Comparative Studies, Florida Atlantic University, Boca Raton, Florida This book charts who we are and what we do as a business. As we gradually emerge from the global COVID pandemic, we can use it profitably both as a learning tool and support engagement

with future crews. --Andrea Cavallucci, Shipboard Finance Process Lead, MSC Cruises
