Project X Jim Shepard,2007-12-18 In the wilderness of junior high, Edwin Hanratty is at the bottom of the food chain. His teachers find him a nuisance. His fellow students consider him prey. And although his parents are not oblivious to his troubles, they can't quite bring themselves to fathom the ruthless forces that demoralize him daily. Sharing in these schoolyard indignities is his only friend, Flake. Branded together as misfits, their fury simmers quietly in the hallways, classrooms, and at home, until an unthinkable idea offers them a spectacular and terrifying release. From Jim Shepard, one of the most enduring and influential novelists writing today, comes an unflinching look into the heart and soul of adolescence. Tender and horrifying, prescient and moving, *Project X* will not easily be forgotten.

Project X Cheryl Headford,2020-01-03 Matthew and his friend Cory are thrilled to attend one of the most prestigious universities in the UK. On their pre-entry visit, they met Morgan Bentley and his stuck-up friends. Matthew takes an instant dislike to the arrogant, conceited, self-obsessed, beautiful, intelligent, and charismatic boy. Throughout the next year, Matthew harbours his dislike, never missing the opportunity to complain to his best friend, Cory, what a bastard Morgan is. Then, an unexpected turn of events catapults Matthew, Morgan, and Cory into a nightmare, and all the things Cory had said about Matthew's true feelings about Morgan come crashing down on his head, and he realises that what he thought was hatred and anger was, in fact, growing attraction and begrudging admiration. But when the deadly nature of the elusive *Project X* is revealed, it seems their budding romance is doomed before it begins, as one of them is unlikely to survive.

Project X-Out Alexander R. King,2014-05-27 This planet is filled with all types of criminals. Some act out with rage and kill other people, while others are reckless and abuse drugs, but the one type that no one seems to take as seriously is a school bully. Bullying affects everyone in different ways. It can even change a good person to become a bad one. I was one of those good people. Once upon a time... This is a story about a boy, Lex Rivers, who, through his entire life, was bullied and hated by everyone but his family. He had little to no friends while in school, but the friends he did have he cherished so deeply and would do anything to protect them. He keeps a journal which he writes in on a regular basis. Inside this journal at the back is a list of people along with a small report of what kind of person they are and how they have mistreated others in the past. Rivers has plans to kill everyone who's name is written in his journal. One by one he plans out how, when, and where he is going to kill these individuals. He has many obstacles and trials to complete while deciding if he really wants to kill these people. The largest one being a girl he fell in love with. The only girl who can change his vicious way of life.
