**Replay** Ken Grimwood,2010-09-14 Jeff Winston, forty-three, didn't know he was a replayer until he died and woke up twenty-five years younger in his college dorm room; he lived another life. And died again. And lived again and died again -- in a continuous twenty-five-year cycle -- each time starting from scratch at the age of eighteen to reclaim lost loves, remedy past mistakes, or make a fortune in the stock market. A novel of gripping adventure, romance, and fascinating speculation on the nature of time, Replay asks the question: What if you could live your life over again?

**Replay** Sharon Creech,2009-10-06 Newbery Medal winner Sharon Creech's inspired novel tells the story of a boy who fantasizes about who he is in order to discover who he will become. Now with fresh and gorgeous new cover art, this touching tale has received many starred reviews, and was called a warm, funny, philosophical novel by Kirkus Reviews. With the backdrop of a large family and a theater as its frame, this is a story about twelve-year-old Leo, who has a talent for transforming the ordinary into the extraordinary. That's why he's called fog boy. He's always dreaming, always replaying things in his brain. As an actor in the school play, he is poised and ready for the curtain to open. But in the play that is his life, he is eager to discover what part will be his. With the universal theme of finding one's true identity, and set amid a loud, noisy, memorable family, Leo's story is one that all kids will relate to. And there's a full play at the end of the book that kids and teachers can perform!

**Replay** Sally Odgers,2017-01-27 This time round, I am a human girl and Harry is a dog. This is inconvenient, because my parents didn't really want a dog with a jutting eyebrow fringe and a shaggy, untrimmed beard. Nor did they want a dog that cost five hundred dollars. A pedigreed Schnauzer! I said in despair when I recognised him that morning at the agricultural show. Why did you have to be a pedigreed Schnauzer, Harry? I mean - why did you have to be a dog? Harry looked sheepish. His beady little eyes peered out from underneath that peculiar fringe. Sorry, Aelfthryth... A curse (or maybe a blessing?) sent Saxon girl Aelfthryth, and her boy husband, Hereweald, tumbling through time. They wake anew in each century, and live for a brief time under different identities. To occupy a tedious captivity in their current incarnation, Aelthryth tells her story to her fellow captive, the mysterious Saranna.

*Replay: Classic Modern Drama Reimagined* Toby Zinman,2014-11-20 Replay: Classic Modern Drama Reimagined spans over a century of great theatre to explore how iconic plays have been adapted and versioned by later writers to reflect or dissect the contemporary zeitgeist. Starting with A Doll's House, Ibsen's much-reprised masterpiece of marital relations from 1879, Toby Zinman explores what made the play so controversial and shocking in its day before tracing how later reimaginings have reworked Ibsen's original. The spine of plays then includes such landmark works as Strindberg's Miss Julie, Oscar Wilde's comic The Importance of Being Earnest, Chekhov's Three Sisters and Uncle Vanya, Hansberry's A Raisin in the Sun, the Rattigan centenary revivals, Thornton Wilder's Our Town, ultimately arriving at Beckett's Waiting for Godot. Taking each modern play as the starting point, Zinman explores the diverse renderings and reworkings by subsequent playwrights and artists –including prominent directors and their controversial productions as well as acknowledging reworkings in film, opera and ballet.Through the course of this groundbreaking study we discover not only how theatrical styles have changed but how society's attitude towards politics, religion, money, gender, sexuality and race have radically altered over the course of the century. In turn Replay reveals how theatre can serve as both a reflection of our times and a provocation to them.

*Instant Replay* Jerry Kramer,Dick Schaap,2011-09-13 A sports classic, Jerry Kramer and Dick Schaap's Instant Replay takes readers inside the 1967 season of the Green Bay Packers, following that storied team from training camp to their dramatic victory in Super Bowl II. Candid and often amusing, Jerry Kramer describes from a player's perspective a bygone era of sports, filled with blood, grit, and tears. No game better exemplifies this period than the classic "Ice Bowl" conference championship game between the Packers and the Dallas Cowboys, which Kramer, who made the crucial block in the climactic play, describes in thrilling detail. We also get a rare and insightful view of the Packers' legendary leader, coach Vince Lombardi. As vivid and engaging as it was when it was first published, Instant Replay is an irreplaceable reminder of the glory days of pro football.

From New York City to Buenos Aires, Andrew embarks on a gripping race against time, in a twisting tale that is by turns funny and heartrending, from an international-bestselling author whose novels have sold more than forty million copies. “A riveting paranormal premise propels this thriller . . .
