The Sapphire A. E. W. Mason,2017-12-26 During the morning Captain Crowther stood beside his helmsman at the high wheel on the roof of the steamer. The Second Defile with its monstrous, high cliff, its racing waters, and the unmanageable great rafts of teak wood floating down to Rangoon presented always a delicate problem in navigation. But Captain Crowther certainly knew his business. He edged his steamer in here, thrust a raft aside there, and by lunch-time the hills had fallen back and we were thrashing down the broader waterway to Schwegu. At luncheon Crowther took the head of the table and I found that a place had been laid for me at his elbow. He was a man of thirty-six years or so, and he had the sort of hard, leering, and wicked face the early craftsmen were so fond of carving on the groins and pillars of French cathedrals. I took a dislike to him at my first glance.

At State college he became the editor of the school newspaper and excelled in his course work. He found love with Angela Hernandez, that was short lived by an auto accident. Upon graduation he worked for a national news paper and his job was to dispute propaganda being propagated by the radical left. Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
