**Snooker's World Champions** Luke Williams, Paul

Gadsby, 2012-10-05 The top snooker players in the world compete for several trophies every year, but one carries more prestige than all the others put together - the World Championship. No other tournament in the sport carries with it so much history, so many golden moments of spectacular success and dramatic failure. Meticulously researched and including exclusive interview material with Steve Davis, Stephen Hendry and 2005 world champion Shaun Murphy, among others, *Masters of the Baize* is a comprehensive guide to the men who have lifted the greatest prize in snooker. From the legendary Joe Davis, the first champion in 1927, to modern-day masters like Mark Williams, all the sport's world champions are put under the microscope, while the colourful careers of forgotten figures such as Walter Donaldson and John Pulman and rogue heroes like Alex Higgins and Ronnie O'Sullivan are brought vividly to life. After uncovering the inauspicious origins of the game in nineteenth-century India, the authors examine every former world champion in his own comprehensive chapter. Additionally, a special section focuses on the extraordinary popularity of Jimmy White, by far the greatest player never to have won the title and one of the most emotive names in the sport.

*On Snooker* Mordecai Richler,2001-12-30 A brilliant, witty & compact look at the game of snooker (pool) -- past & present -- by one of the world's great novelists. Mordecai Richler honed his cueing action in the pool halls of Montreal. He was addicted to the game & its grown-up cousin -- snooker -- ever after. Richler traces the history of snooker from its 19th-century origins to the tobacco-sponsored world of today's game. He visits the craftsmen who

make the cues, the agents who control the sport, the groupies who follow the circuit & the millionaire players themselves. The 'Obad boys' from Alex Higgins to Ronnie O'Sullivan, his fellow countrymen Cliff Thorburn & Kirk Stevens &, the central figure of the book, Stephen Hendry, the game's most talented exponent ever. This is sports writing at its best!

Poolology - Mastering the Art of Aiming Brian Crist,2017-04-28

\*\*\*\* This is the SOFTCOVER/GLUED BINDING edition, NOT the notebook spiral binding \*\*\*\* Poolology is a breakthrough aiming system for pool players. I was once asked, How do you aim?, and I couldn't answer. I said I didn't know, and I'm sure the player that asked me that thought I was holding out on him, keeping some great secret to myself. But it was true - other than to call it instinct, I had no idea how to aim. I'd never been taught how to aim. I just shoot balls into the pocket. This question, How do you aim?, is what prompted me to write Poolology. After experimenting with various aiming systems, I learned that most aiming systems don't work for most people. That explains why so many pool players struggle to be consistent shot makers. I wanted to fix that. I wanted to find a system that could teach players how to aim any shot on the table, how to develop a feel for pocketing balls. No such system existed, until now. It's called Poolology!
