I Was Born for This Alice Oseman,2022-10-18 From the bestselling creator of HEARTSTOPPER and LOVELESS, a deeply funny and deeply moving exploration of identity, friendship, and fame. For Angel Rahimi life is about one thing: The

Ark -- a boy band that's taking the world by storm. Being part of The Ark's fandom has given her everything she loves -- her friend Juliet, her dreams, her place in the world. Her Muslim family doesn't understand the band's allure -- but Angel feels there are things about her they'll never understand. Jimmy Kaga-Ricci owes everything to The Ark. He's their frontman -- and playing in a band with his mates is all he ever dreamed of doing, even it only amplifies his anxiety. The fans are very accepting that he's trans -- but they also keep shipping with him with his longtime friend and bandmate, Rowan. But Jimmy and Rowan are just friends -- and Rowan has a secret girlfriend the fans can never know about. Dreams don't always turn out the way you think and when Jimmy and Angel are unexpectedly thrust together, they find out how strange and surprising facing up to reality can be. A funny, wise, and heartbreakingly true coming of age novel. *I Was Born for This* is a stunning reflection of modern teenage life, and the power of believing in something -- especially yourself.

Solitaires, Solidaires Elise Hugueny-Léger,Caroline Verdier,2015-09-04 Solitaires, Solidaires stems from the 2013 Women in French conference, which celebrated twenty-five years since the creation of the network of the same

name, and brought together the Women in French UK and Women in French in Scotland meetings, which had, until then, been running en solitaire on each side of the border. It therefore seemed opportune to reflect on the theme of female solidarity, its various shapes and constructions, and its meaning. Studies included in this bilingual volume focus on the representation of female solidarity and solitude in French and Francophone society, literature, journalism and history, covering texts ranging from the 17th to the 21st centuries. The various contributions explore how the construction of female solidarities and identities has depended not only on networks, dialogues and correspondences, but also (and often simultaneously) on isolation, confrontations and rivalry between women, and on unconventional representations of femininity and motherhood.
