Star in the Storm Joan Hiatt Harlow, 2013-07-30 All non-shepherding dogs have been outlawed from the rocky coastal village where Maggie lives. Unwilling to give up her beloved Newfoundland, Sirius, Maggie defies the law and hides Sirius away. But when a steamer crashes into the rocks during a violent storm and starts to sink with a hundred passengers on board, Maggie faces a difficult choice. She knows Sirius can help rescue the people trapped on the ship, but bringing him out of hiding would put his own life in jeopardy. Is Maggie's brave dog a big enough hero to save the desperate passengers—and himself? This heartwarming story of a lovable dog and his feisty mistress is based on true stories about Newfoundland dogs and filled with drama, tension, and exciting rescues.

Star's Storm S. E. Smith, New York Times and USA TODAY Bestselling author of Science Fiction, Urban Fantasy, and Paranormal Romance brings another action, adventure, and suspense-filled story to transport readers out of this world. Star Strauss has always been a fighter. From the time she was born prematurely to her life on the road as a circus performer. She has never let her small stature

keep her from achieving her dreams. She is one of the best aerial performers in the world. Her love of being up high and flying free has helped her overcome the challenges she faces when she is on the ground. Only her circus family, her sister, and her best friend have ever really understood her need for freedom. Her life changes when she finds herself on a distant world where every creature seems to tower over her. Jazin Ja Kel Coradon is the third son of the ruling House of Kassis. He is known not only for his skills as a fierce warrior, but for his knowledge of communication, security, and weapons systems. This knowledge has increased the effectiveness of the Kassis defenses protecting their world from attack from a new group of rebels who threaten their very existence. He will fight until his last breath to protect his people. His life changes when he meets a tiny creature who is unlike anything he has ever seen. She is tiny, delicate, and beautiful. The problem is she is also the strongest, most stubborn female he has ever met. She refuses to do what he tells her, she defies him at every turn, and doesn't seem to understand that all he wants to do is protect her. If he could just get her to stay in the nice safe bubble he has created for her, his life would be so much simpler! Star had enough of

people back home trying to put her in a glass box, she wasn't about to let anyone on an alien world try to put her in one! When the man she loves is kidnapped, she will do what she does best. She will use her skills as a performer to rescue him from the men determined to extract the information they need to bring down the Kassis defense system before they kill him. Sometimes being small has its advantages. The enemy never expects a pint-size female to have the strength of a warrior and a stubborn warrior is about to find out he has a partner who can stand tall with him in the face of danger. **To Storm Heaven** Esther Friesner, 2012-12-11 When Lelys, ambassador of the plague-ridden

colony planet of Orakisa, approaches the Federation seeking help for her dying world, the U.S.S. Enterprise speeds to the rescue. Captain Picard and his crew escort the Orakisan delegation to its long-lost sister-world, Ne'elat, where the ambassador and the Away Team are initially welcomed, but then endangered. As the Enterprise officers make their way through a web of planet-wide intrigue, time is running out the people of Orakisa and the inhabitants of their sister-worlds as well.

**Children of the Storm** Kirsten Beyer, 2011-05-31 A thrilling novel that continues the epic saga of the Starship Voyager! Little is known about the Children of the Storm—one of the most unique and potentially dangerous species the Federation has ever encountered. Non-corporeal and traveling through space in vessels apparently propelled by thought alone, the Children of the Storm at one time managed to destroy thousands of Borg ships without firing a single conventional weapon. Now in its current mission to the Delta Quadrant, Captain Chakotay and Fleet Commander Afsarah Eden must unravel why three Federation starships—the U.S.S. Quirinal, Planck, and Demeter—have suddenly been targeted without provocation and with extreme prejudice by the powerful Children of the Storm...with

thousands of Starfleet lives at stake from an enemy that the Federation can only begin to comprehend...

Storm-Star I.N. Morgan,2019-09-02 Ash Jagerhund thought he found the answers to the questions that have plagued him all these years since his mother disappeared. A phone call from a stranger leads him to Rust Springs, Ohio: a quaint town with a dark secret. Violence, corruption, and misery unfold as he finds out about a local cult and the pasts of new friends. Will he find the truth or will it destroy him in the process?

*Storm from the Shadows* David Weber,2009-03-01 Perfidious Plots, Courageous Resolve<sup>3/4</sup>and, of course, Starships Blown to Smithereens! The Solarian League Navy has been the premier navy of the galaxy for centuries. Indeed, no one can remember a time when it hasn't been acknowledged as the

most powerful fleet in existence. Until now, that is. A conference to end the terrible war between the Peeps of Haven and the Manticorean Star Kingdom is slated. Peace is finally within reach. Yeah, right. Not with the slaver conspiracy that calls itself Manpower, Inc. pulling intergalactic strings. The plan To plunge the Star Kingdom into a two-front war with Peeps and Sollies<sup>3/4</sup>a process calculated to blast Honor Harrington's home system to smoking ruin! Assassination's afoot. And out on the galactic frontier known as the Verge, big trouble boils over as Solarian League arrogance butts up against the steely resolve of Harrington prot\_g\_ Michelle Henke, aka Admiral Gold Peak. Too bad for the Sollies. For Harrington's officers have a habit of coming through in the clutch and finding a way to snatch victory from the jaws of defeat. But most of all<sup>3/4</sup>whatever the odds<sup>3/4</sup>they never, ever give up the fight! At the publisher's request, this title is sold without DRM (Digital Rights Management). Shadow of Saganami sequel<sup>3/4</sup>and the latest entry in David Weber's astoundingly adventurous, phenomenally popular, and multiply USA Today and New York Times best-selling Honor Harrington saga! Following in the best tradition of C.S. Forester, Patrick O'Brian and Robert A Heinlein! These hugely entertaining

and clever adventures are the very epitome of space opera. <sup>3</sup>/<sub>4</sub>Publishers Weekly Weber's descriptions of space combat remain magnificent. <sup>3</sup>/<sub>4</sub>Science Fiction Weekly

**Before the Storm: Star Wars Legends (The Black Fleet Crisis) Michael P. Kube-**

Mcdowell,1996-03-01 In the blockbuster bestselling tradition of Heir to the Empire comes this thrilling addition to the Star Wars(r) saga, as peace gives way to a new threat... It is a time of tranquillity for the New Republic. The remnants of the Empire now lie in complete disarray, and the reemergence of the Jedi Knights has brought power and prestige to the fledgling government on Coruscant. Yesterday's Rebels have become today's administrators and diplomats, and the factions that fought against imperial tyranny seem united in savoring the fruits of peace. But the peace is short-lived. A restless Luke must journey to his mother's homeworld in a desperate and dangerous quest to find her people. An adventurous Lando must seize a mysterious spacecraft that has weapons of enormous destructive power and an unknown mission. And Leia, a living symbol of the New Republic's triumph, must face down a ruthless leader of the Duskhan League, an arrogant Yevetha who seems bent on a

genocidal war that could shatter the fragile unity of the New Republic...and threaten its very survival.

*A Storm of Glass and Stars* Marion Blackwood, 2020-10-19 What could you learn to live without? Your heart? Your mind? Your soul? Having lost her purpose in life, the Oncoming Storm leaves behind everything and everyone she has ever known, and takes off across the continent. But there is one thing from which she can't run. Trouble. When Shade and Elaran track her down, she manages to get them all captured by the star elves. During their stay in the star elves' capital, the Oncoming Storm must learn to navigate a world far outside her comfort zone: court life. With no frame of reference to go by, she desperately scrambles to keep up appearances while also trying to find a way out. But nothing is quite as straightforward as it first seems. When secrets about herself and the world around her are revealed, she is forced to question whether the star elves really are the bad guys. It might actually be someone else entirely. Namely, the Oncoming Storm herself. Can she figure out the truth before she gets her friends killed? Or will she lose herself in the darkness first?

Star Wars: The Rising Storm (The High Republic) Cavan Scott, 2021-06-29 NEW YORK TIMES BESTSELLER • The heroes of the High Republic era return to face a shattered peace and a fearsome foe, following the dramatic events of *Light of the Jedi*. In the wake of the hyperspace disaster and the heroism of the Jedi, the Republic continues to grow, bringing more worlds together under a single unified banner. Under the leadership of Chancellor Lina Soh, the spirit of unity extends throughout the galaxy, with the Jedi and the newly established Starlight Beacon station at the vanguard. In celebration, the chancellor plans the Republic Fair, a showcase of the possibilities and the peace of the expanding Republic—a peace the Jedi hope to foster. Stellan Gios, Bell Zettifar, Elzar Mann, and others join the event as ambassadors of harmony. But as the eyes of the galaxy turn toward the fair, so too does the fury of the Nihil. Their leader, Marchion Ro, is intent on destroying this unity. His storm descends on the pageantry and celebration, sowing chaos and exacting revenge. As the Jedi struggle to curb the carnage of the rampaging Nihil, they come face-to-face with the true fear their enemy plans

to unleash across the galaxy—the kind of fear from which even the Force cannot shield them.

**Sun Storm** Asa Larsson, 2006-04-25 WINNER OF SWEDEN'S BEST FIRST CRIME NOVEL

**AWARD** • In the land of silence and snow, the killing has begun . . . Rebecka Martinsson is heading home to Kiruna, the town she'd left in disgrace years before. A Stockholm attorney, Rebecka has a good reason to return: her friend Sanna, whose brother has been horrifically murdered in the revivalist church his charisma helped create. Beautiful and fragile, Sanna needs someone like Rebecka to remove the shadow of guilt that is engulfing her, to forestall an ambitious prosecutor and a dogged policewoman. But to help her friend, and to find the real killer of a man she once adored and is now not sure she ever knew, Rebecka must relive the darkness she left behind in Kiruna, delve into a sordid conspiracy of deceit, and confront a killer whose motives are dark, wrenching, and impossible to guess. . . . Praise for *Sun Storm* "Richly atmospheric."—Kirkus Reviews "Larsson builds suspense gradually but inexorably, and she is equally good at creating mood. . . . This impressive debut heralds another striking voice from Scandinavia."—Booklist "For those who eschew exotic travel in favor of the

familiar hammock, there's nothing better than a well-written and well-translated story from some place you'll probably never visit. is that story and more!"—Rocky Mountain News

**A Storm in the Stars** Don Zancanella, 2022-08-16 In London, early in the nineteenth century, five-year-old Mary Godwin, daughter of philosopher William Godwin, plays with her sister Fanny, mourns her deceased mother, and marvels as a hot air balloon lands not far from the Thames. Nearby, in Sussex, eleven-year-old Percy Shelley entertains his three sisters by telling them stories and performing tricks with chemicals and fire. A few years later Mary and Percy meet and fall in love in the Godwin bookshop near Black Friar's Bridge. At first their romance seems doomed--Percy is a well-known atheist and already has a wife, and Mary is only seventeen and under the care of her father and his overbearing second wife. But they consider such impediments trivial and are soon on their way to Ireland, to Switzerland, and across Europe (with Mary's flighty half-sister Claire in tow). Upon reaching Lake Geneva they find lodgings near where the notorious poet Lord Byron and his peculiar personal physician John Polidori are staying--the same Lord Byron Claire seduced back in London, her

reasoning being that if Mary can have a poet, why can't she? And so begins the summer when Mary Shelley will begin writing her novel about a man who brings to life a creature of his own making, Percy and Lord Byron will debate politics and poetry in the midst of lightning storms, Polidori will begin writing his novel about a man with a taste for human blood, and snow will fall in the middle of July.

**Celestial Storm** Viola Grace,2010-10-15 Andra Nickles has been a Terran courier assigned to the Sector Guard for a few years. The storm that wraps her ship and makes its way inside finds her just outside of Udell. With her body overwhelmed, her mind shuts down and the entity within the storm takes up residence. Racked with radiation that she doesn't know how to control, she is relegated to the home of Udell's avatar, Nich, where she learns a little about his race and a lot about his taste in botanicals. Using flowers as a tool to visually measure her radioactive output is unorthodox, but everything she is now experiencing is beyond her situational training. With care and control, she becomes the Celestial Storm, now she just needs to rework the name.

**Storm Assault** B. Larson,2013-08-12 Kyle Riggs has been away from Earth for a long time...but

that's about to change. In STORM ASSAULT, the eighth book of the Star Force Series, the story moves in a new direction. Massive fleets are built by both Star Force and the Imperials-but there is a third player in the game: the Blues. A three-way battle for the known star systems breaks out, with the fates of many worlds and species hanging in the balance. Riggs realizes he must destroy his enemies before they destroy him. Seeking justice and revenge, he gathers his strength and ventures out on a mission of conquest from the Eden System. Humanity must fight to survive, and Riggs is the right man for the job.

A Star in My Life Victory Storm, 2020-03-01 What's gonna happen when you've just run the risk of breaking Marc Hailen's nose, the actor known to have just insured his body for ten million dollars? Berenice didn't think she has ever felt the need to answer a question like that, but the adverse fate, together with the hostile quadrature and constellations, has led her to encounter one of the most handsome, famous and well-to-do men at the time! Will Berenice be able to find a solution to hold off the pompous and arrogant nature of the star Marc Hailen, without falling in love with him? Just behind

him there was one of the posters stuck up by fans of the actors starring in *The Supremacy*, the movie that was being shot in those days. It just took a few seconds for her to match perfectly the image of the actor Marc Hailen with that one of the man being in front of her. She opened her mouth to speak, but she was barely able to make sounds. “Well, what now?” he went on, more and more irritated, making Berenice’s brain go haywire. This last one was reviewing all the articles and videos that she had seen about him. “You insured your body for ten million dollars,” was the one thing she could say with a feeble voice. “That’s right. And now, unless you want to spend the rest of your life paying for your mistakes, I would advise you to give me some ice and a coffee. At once.”

**A Shit Storm** Lisa Gillis, 2015-03-12 I’m Tristan Loren aka J.J. aka son of Jackal’s Jack Storm and I have two problems right now—don’t laugh. College is about to begin, and I don’t want to go. Also, I’ve somehow graduated high school a virgin. Tristan Loren is the first to admit he’s lived a privileged

life. However, the top schools, the best games and phones and cars, the finest of whatever his heart desired has come with strangers yelling for his attention and camera flashes in his face. Even when his father retires the rock star life and moves the family from L.A., their lives are rarely incognito. His classmates have visions of college life in the fall following senior year, while his fantasy is a normal existence. Whatever normalcy is, he's sure it's not graduating with honors--and his virginity. Aside from having a paranoid mom who has made it her mission to see that he's never alone with a girl, he wants his first time to be with someone who doesn't know him as Jack Storm-of-the-multi-platinum-Jackal Junior. Chasing the vision of a woman and a world who doesn't know of him takes him from the sunshiny suburbs of Dallas to the snowy streets of Detroit. Getting his V card swiped and finding his own identity comes with an entirely different price tag. A Shit Storm can stand alone but for fans of Six Silver Strings Series, this novel is the first in the E-String Set and includes scenes with characters from G-Strings and D-Strings with several appearances of Jack and Marissa Storm.
