**How to Barter for Paradise** Michael Wigge,2014-01-02 Most people like to travel in comfort: they stay in fancy hotels, never leave tourist spots, and stay away from the locals. Michael Wigge isn't like

most people, though. After travelling the world without money for 150 days while writing *How to Travel the World for Free*, his next challenge: turn an apple into a house in Hawaii. Wigge goes around fourteen countries and six continents exchanging goods for more valuable ones, and he meets an array of good-humored people who take his deals. Taking on his Barterman persona, he trades the apple for sixteen cigarettes in Germany; a couple of trades later in India, he fixes up a motorized rickshaw and trades it for silk; in Australia, a millionaire amuses himself by offering him an art piece for the silk if Wigge feeds a wild crocodile. Finally, he arrives in Hawaii armed with two bicycles, a surfboard, Portuguese porcelain, three solid-gold coins, a Porsche wristwatch, a record by musician Coati Mundi and accompanying contract for 25 percent of the proceeds from his next single, a voucher for a two-night stay in a mansion in L.A., and a piece of original artwork by painter Alex Stenzel—now he just has to find someone to give him a house in exchange. On the 200-day journey around the world, Wigge makes forty-two trades and meets strange, kind, funny, friendly, eccentric, and good-natured people who help him in his quest. It's a journey you won't want to miss!

*Eurogames* Stewart Woods, 2012-08-30 While board games can appear almost primitive in the digital age, eurogames--also known as German-style board games--have increased in popularity nearly concurrently with the rise of video games. Eurogames have simple rules and short playing times and emphasize strategy over luck and conflict. This book examines the form of eurogames, the hobbyist culture that surrounds them, and the way that hobbyists experience the play of such games. It chronicles the evolution of tabletop hobby gaming and explores why hobbyists play them, how players balance competitive play with the demands of an intimate social gathering, and to what extent the social context of the game encounter shapes the playing experience. Combining history, cultural studies, leisure studies, ludology, and play theory, this innovative work highlights a popular alternative trend in the gaming community.

**Monarch Rising** Harper Glenn,2022-10-04 In a chilling near-future New United States of America, Jo Monarch has grown up in the impoverished borderlands of New Georgia. She's given one chance to change her fate... if she can survive a boy trained to break hearts. Today is the day Jo Monarch

has been wishing on the moon about her entire life. It's the day of the Lineup, when she could be selected to leave her life in the Ashes behind. The day she could move across the mountains to a glittering, rich future. Once Jo is plucked from the Lineup, the real test begins. She still needs to impress the New Georgia Reps at tonight's Gala, and her path forward leads straight to Cove Wells. The damaged stepson of one of the Reps, Cove has been groomed as an emotional weapon, taught that love is a tool -- and he's set on breaking Jo's heart next. When a riot breaks out back in the Ashes the night of the Gala, Jo's dreams might all go up in smoke. Can she really have everything she's ever wished for... when it means leaving all her loved ones behind in the fire? Harper Glenn's debut is as gripping as it is prescient, an unflinching meditation on whether love can save us from ourselves, and what it takes to be born anew.
