Jewels, Jewelry, and Other Shiny Things in the Buddhist Imaginary Vanessa R. Sasson, 2021-09-30 Renunciation is a core value in the Buddhist tradition, but Buddhism is not necessarily austere. Jewels—along with heavenly flowers, rays of rainbow light, and dazzling deities—shape the literature and the material reality of the tradition. They decorate temples, fill reliquaries, are used as metaphors, and sprout out of imagined Buddha fields. Moreover, jewels reflect a particular type of currency often used to make the Buddhist world go round: merit in exchange for wealth. Regardless of whether the Buddhist community has theoretically transcended the need for them or not, jewels—and the paradox they represent—are everywhere. Scholarship has often looked past this splendor, favoring the theory of renunciation instead, but in this volume, scholars from a wide range of disciplines consider the role jewels play in the Buddhist imaginary, putting them front and center for the first time. Following an introduction that relates the colorful story of the Emerald Buddha, one of the most famous jewels in the world, chapters explore the function of jewels as personal identifiers in Buddhist and other Indian religious traditions; Buddhaghosa's commentary on the Jewel Sutta; the paradox of the Buddha's bejeweled status before and after renunciation; and the connection in early Buddhism between jewels, magnificence, and virtue. The Newars of Nepal are the focus of a chapter that looks at their gemology and associations between gems and celestial deities. Contributors analyze the Fifth Dalai Lama's reliquary, known as the "sole ornament of the world"; the transformation of relic jewels into precious substances and their connection to the Piprahwa stupa in Northern India and the Nanjing Porcelain Pagoda. Final chapters offer detailed studies of ritual engagement with the deity known as Wish-Fulfilling Jewel Avalokiteśvara and its role in the new Japanese lay Buddhist religious movement Shinnyo-en. Engaging and accessible, *Jewels, Jewelry, and Other Shiny Things in the Buddhist Imaginary* will provide readers with an opportunity to look beyond a common misconception about Buddhism and bring its lived tradition into wider discussion.

A Chariot to Freedom Shechen Gyaltsap Gyurme Pema Namgyal, 2021-12-28 A unique commentary on the preliminary practices of Vajrayāna Buddhism, from a beloved Nyingma master. A Chariot to Freedom is one of the most beloved presentations of the preliminary practices, or ngöndro, that form the foundation of the Vajrayāna Buddhist path. This set of practices, common to all schools of Himalayan Buddhism, is what nearly every practitioner begins with, yet it also constitutes a complete method in and of itself. Although ngöndro are considered a prerequisite for further teachings and initiations into other practices, many of even the most accomplished masters continue to engage in them every day. Most of the other excellent works on these foundational techniques are specific to a particular tradition, but this text is widely considered to be exemplary, in part, because it is applicable to all traditions of ngöndro. Drawing from the original words of the Buddha in the sūtras and from later treatises by such masters as Nāgārjuna, Shāntideva, and Guru Padmasambhava, Shechen Gyaltsap's commentary is a wonderfully curated anthology of Buddhist teachings on the preliminary practices of Vajrayāna Buddhism. It covers the thoughts that turn one's mind away from ordinary pursuits and toward enlightenment, taking refuge, arousing the mind set on enlightenment (bodhichitta), purification, maṇḍala offering, and Guru Yoga. Shechen Gyaltsap explains why each practice is beneficial and provides profound and eminently useful guidance for practitioners, while simultaneously transmitting the wisdom of generations of Buddhist masters.

The Complete Nyingma Tradition from Sutra to Tantra, Books 1 to 10 Choying Tobden Dorje, 2015-06-02 From the main practice manual studied by the lay yogi-practitioner lineages of Tibet, now in English for the first time, this volume presents the foundational stages of the Buddhist path according to the Nyingma, or Ancient, tradition of Tibetan Buddhism. In 1838, Choying Tobden Dorje, a Buddhist yogi-scholar of eastern Tibet, completed a multivolume masterwork that traces the entire path of the Nyingma tradition of Tibetan Buddhism from beginning to end. Written by a lay practitioner for laypeople, it was intended to be accessible, informative, inspirational, and above all, practical. Its twenty-five books, or topical divisions, offer a comprehensive and detailed view of the Buddhist path according to the early translation school of Tibetan Buddhism, spanning the vast range of Buddhist teachings from the initial steps to the highest esoteric teachings of great perfection. Choying Tobden Dorje's magnum opus appears in English here for the first time. In Foundations of the Buddhist Path, which covers the first ten of the treatise's twenty-five books, the author surveys the scope of the entire work and then begins with the topics that set the cornerstones for all subsequent Buddhist practice: what constitutes proper spiritual apprenticeship, how to receive the teachings, how to make the best use of this life, and how to motivate

ourselves to generate effort on the spiritual path. He then describes refuge and the vows that define the path of individual liberation before turning to the bodhisattva's way—buddha nature, how to uplift the mind to supreme awakening, the bodhisattva's training, and the attainments of the paths leading to supreme awakening.

Initial Scope Bhikshuni Thubten Chodron,2015-01-01 In the early eleventh century the Indian Buddhist master Atisha condensed essential points from the sutras and ordered them into the text Lamp of the Path. These were then expanded upon in the fourteenth century by the Tibetan Buddhist master LamaTsongkhapa into the text The Great Exposition on the Gradual Path to Enlightenment(Lamrim Chenmo). Venerable Thubten Chodron taught on this text over several years at Dharma Friendship Foundation, and related these practical teachings to our daily lives. These ebooks are lightly-edited transcripts of those teachings. They have been organized and formatted by Lai Wee Chiang. This second volume contains teachings on: - Remembering Death - The Actual Way to Become Mindful of Death - The Lower Realms - Taking Refuge - The Objects of Refuge - How to Take Refuge - The Benefits of Having Taken Refuge - Guidelines for the Practice of Refuge - Karma - 10 Destructive Actions and Their Results - Constructive Actions and Their Results - The Intensity of Karma - Other Ways of Differentiating Actions - Specific Aspects of Actions and Their Results - General Advice on Engaging in Positive Actions and Avoiding Destructive Ones

Buddhism Dalai Lama,Thubten Chodron,2014-11-18 Explore the common ground underlying the diverse expressions of the Buddha's teachings with two of Tibetan Buddhism's bestselling authors. Buddhism is practiced by hundreds of millions of people worldwide, from Tibetan caves to Tokyo temples to redwood retreats. To an outside viewer, it might be hard to see what they all have in common. In Buddhism, His Holiness the Dalai Lama and American Buddhist nun Thubten Chodron map out with clarity the convergences and the divergences between the two major strains of Buddhism--the Sanskrit traditions of Tibet and East Asia and the Pali traditions of Sri Lanka and Southeast Asia. Especially deep consideration is given to the foundational Indian traditions and their respective treatment of such central tenets as the four noble truths the practice of meditation the meaning of nirvana enlightenment. The authors seek harmony and greater understanding among Buddhist traditions worldwide, illuminating the rich benefits of respectful dialogue and the many ways that Buddhists of all stripes share a common heritage and common goals.

Delve into the substance of spiritual practice in this fourth volume of the Dalai Lama's definitive series on the path to awakening, Following in the Buddha's Footsteps. You'll first hear His Holiness's explanation of the Buddha, Dharma, and Sangha, why they are reliable guides on the path, and how to relate to them. His Holiness then describes the three essential trainings common to all Buddhist traditions: the higher trainings in ethical conduct, concentration, and wisdom. These chapters show us how to live a life free of harm to self or others and give us detailed instructions on how to develop single-pointed concentration as well as the higher states of concentration available to an earnest practitioner. In addition, the chapters on wisdom contain in-depth teachings on the noble eightfold path and the four establishments of mindfulness for developing greater awareness and understanding of our body, feelings, mind, and other phenomena. Together, these topics form the core of Buddhist practice. This is a book to treasure and refer to repeatedly as you begin the path, progress on it, and near the final goal of nirvana.

I Bring You Glad Tidings Dennis Sutherland, 2015-03-11 One night a few years after the tragic death of his fiancée, David Knight has a dream - or is it a dream? In it, his dead girlfriend shows him a diagram of a time machine that he instinctively knows will work. Working in secret, he builds the machine and tests it several times only to find that some 1,000 years in the future, humanity has ceased to exist. As he works his way back towards the present, he sees scenes of death and destruction that horrify him. Knowing that he may be the only human alive who can intervene to save humanity, David travels into the past to discover the origins of Christianity and examine the millennia of religion-based conflicts that have plagued human history. In his research in the past, he is shocked to learn there was no historical Jesus as described in the Gospels of Matthew, Mark, Luke and John. As he gets to know the four writers, he learns that Mark is leading a movement to help unify the Jewish people who are under the tyrannical rule of the Romans. Mark and his brethren are trying to help people see that there can be new life, rebirth and draws his character of Jesus as a human sent from God to save His people. In helping them with their work, David sees a way to reveal the manuscript to his own time and if modern scientific research can confirm its finding, then the future of the human race has a chance of survival. Returning to his real time, he puts in motion a series of events that he hopes will turn humanity away from the brink of extinction....
