The Semantic Web – ISWC 2018 Denny

Vrandečić, Kalina Bontcheva, Mari Carmen Suárez-Figueroa, Valentina Presutti, Irene Celino, Marta Sabou, Lucie-Aimée Kaffee, Elena Simperl, 2018-10-01
The two-volume set LNCS 11136 and 11137

constitutes the refereed proceedings of the 17th International Semantic Web Conference, ISWC 2018, held in Monterey, USA, in October 2018. The ISWC conference is the premier international forum for the Semantic Web / Linked Data Community. The total of 62 full papers included in this volume was selected from 250 submissions. The conference is organized in three tracks: for the Research Track 39 full papers were selected from 164 submissions. The Resource Track contains 17 full papers, selected from 55 submissions; and the In-Use track features 6 full papers which were selected from 31 submissions to this track.

The Akunin Project Elena V. Baraban, Stephen M. Norris, 2021-02-01 The Akunin Project is the first book to study the fiction and popular history of Grigorii Chkhartishvili, one of the most successful writers in post-Soviet Russia. In the first two decades of the twenty-first century, Chkhartishvili published over sixty books under the pen names Anatolii Brusnikin, Anna Borisova, Akunin-Chkhartishvili, and, most commonly, Boris Akunin. His series featuring the tsarist secret policeman Erast Fandorin has sold over 15 million books in Russia alone, making Akunin one of the bestselling authors of the post-Soviet era. Combining intertextuality, allusions, pastiche, and other markers of postmodern playfulness, many

of Akunin's works have been translated into English and have also been adapted for film and television. Akunin's public profile has been further enhanced by his active involvement in mass political protests against Vladimir Putin. Despite Akunin's international reputation as a celebrated writer, there is very little critical work on his literary output and his mysterious persona. Bringing together scholars of literature, history, and culture, The Akunin Project fills this gap by exploring the author's bestselling adventure novels and recent histories of the Russian state. The book includes translations of five short works previously unavailable in English as well as an interview with the author.

The Reader Bernhard Schlink, 2001-05-01

INTERNATIONAL BESTSELLER • Hailed for its coiled eroticism and the moral claims it makes upon the reader, this mesmerizing novel is a story of love and secrets, horror and compassion, unfolding against the haunted landscape of postwar Germany. A formally beautiful, disturbing and finally morally devastating novel. —Los Angeles Times When he falls ill on his way home from school, fifteen-year-old Michael Berg is rescued by Hanna, a woman twice his age. In time she becomes his lover—then she inexplicably disappears. When Michael next sees her, he is a young law student, and she is on trial for a hideous crime. As he watches her refuse to defend her innocence, Michael gradually realizes that Hanna may be guarding a secret she considers more shameful than murder.

События истории России. Русское государство
Вячеслав Яцко, 2022-05-15 Учебное пособие включает:

четверостишия, предназначенные для того, чтобы облегчить запоминание дат и событий истории России; комментарии, описывающие исторические события; вопросы и задания. Особое внимание уделяется причинам, лежащим в основе исторических процессов. Пособие состоит из девяти частей, посвящённых 80-ти событиям. Первая часть доступна бесплатно. Во второй части описываются события XII-XVI веков, связанные с созданием и развитием Московского княжества и Русского царства. Подробно рассматриваются последствия Монгольского нашествия и Ордынского ига, причины объединения Русских земель под эгидой Московского княжества. Описываются реформы, проведённые Иваном IV: административная, судебная, церковная, военная; оценивается их значение. Рассматриваются причины и последствия введения опричнины; оцениваются итоги деятельности царя. Для наглядного представления событий приводятся таблицы, рисунки, карты. Приводится список персоналий, содержащий сведения об исторических деятелях.

Токсичний інфопростір. ГЕОРГІЙ ГЕОРГІЙОВИЧ ПОЧЕПЦОВ, 2023-03-21 Вдома й на роботі ми щодня борсаємося в потужному потоці інформації, що плине із соцмереж, сайтів, новинних порталів. Українці рідко ставимо під сумнів факти, що споживаємо в інфопросторі. А він стає дедалі токсичнішим: фейки, пропаганда, висмикнуті з контексту слова отруюють. Час фільтрувати інформацію, яку ми всмоктуємо. Ця книжка буде за протигаз. Усім, кому стане хоробрості визнати: нашими умами керують, деформуючи факти підтасованими свідченнями. Усім, хто цікавиться, як працюють механізми створення фейків, звідки в нас ласість до сфабрикованих

сенсаций і яка з цього користь для можновладців. У сучасної людини майже не залишилося вибору, жити чи не жити водночас у трьох просторах: фізичному, інформаційному та віртуальному. І поки хтось безконтрольно тиражує фейки, а хтось розгрибає наслідки в реальному світі, нам до снаги зберегти ясність мислення і свободу дії!

Respekt ,2009

Reader, I Married Him Tracy Chevalier,2016-04-07
'This collection is stormy, romantic, strong – the Full Brontë' The Times A collection of short stories celebrating Charlotte Brontë, published in the year of her bicentenary and stemming from the now immortal words from her great work Jane Eyre.

Михаил Юрьевич Лермонтов. Тайны и загадки военной службы русского офицера и поэта Николай Лукьянович,2023-01-30 Представленная монография посвящена малоизвестным страницам жизни Михаила Юрьевича Лермонтова – его военной службе, которая оказала глубокое влияние на творчество великого поэта. В ней также подробно рассмотрены социальный статус, психология, духовные и ценностные ориентиры русских офицеров того времени, в первую очередь, друзей и сослуживцев поэта. В книге приведены воспоминания современников Лермонтова, а также официальные документы о его военной службе в гвардии и на Кавказе. Монография адресована всем читателям, которые ценят и любят творчество великого русского поэта и офицера Михаила Юрьевича Лермонтова. В формате PDF A4 сохранен издательский макет книги.

Eräpyhä liitto Antero Uitto,Ari Rautala,2023-10-10 Kun valtapolitiikka ohitti ideologian Kattava historiateos maailmansotien

välisestä ajanjaksosta, jolloin hylkiövaltioiden asemaan joutuneet Saksa ja Neuvosto-Venäjä löysivät toisistaan liittolaisen valtapyrkimyksilleen. Ensimmäisen maailmansodan jälkeen Venäjästä ja Saksasta tuli muun maailman silmissä hylkiövaltioita. Saksa sotaan syyllisenä ja hävinneenä osapuolena, Neuvosto-Venäjä kommunistivaltiona, jota kammoksuttiin lännessä. Aikaisemmista vihostuuksistaan ja perinpohjaisista ideologisista eroavaisuuksistaan huolimatta Saksa ja Venäjä tekivät hämmästyttävän paljon poliittista, taloudellista ja sotilaallista yhteistyötä 1920-luvun alusta lähtien. Vuonna 1922 Saksan ja Neuvostoliiton solmima Rapallin sopimus antoi Saksalle mahdollisuuden Versaillesin rauhansopimuksen vastaisesti kehittää asejärjestelmiään Neuvostoliiton alueella. Neuvostoliitto taas tarvitsi kipeästi uutta teknologiaa. Tämä johti sotilaalliseen yhteistyöhön, joka hyödytti molempia osapuolia ja kesti aina kesäkuuhun 1941 asti. Vuonna 1939 Saksa ja Neuvostoliitto allekirjoittivat keskinäisen hyökkäämättömyyssopimuksen. Molotovin-Ribbentropin-sopimuksen salaisessa pöytäkirjassa maat jakoivat Itä-Euroopan etupiireihin. Molemmat maat onnistuivat valtaamaan etupiirinsä, joskaan puna-armeija ei onnistunut miehittämään Suomea. Kesäkuussa 1941 Hitler käynnisti operaatio Barbarossaksi kutsutun yllätyshyökkäyksen Neuvostoliittoon. Eversti evp Ari Rautala (s. 1954) on julkaissut useita sotahistoriaa käsitteleviä teoksia. Helsingiläinen Rautala toimi sotilasurallaan mm. Helsingin Ilmatorjuntarykmentin komentajana. Ennen

siirtymistään reserviin hän palveli Moskovassa, jossa opiskeli kaksi vuotta Venäjän Yleisesikunta-akatemiassa ja työskenteli puolustusasiamiehenä Suomen Moskovassa-suurlähetystössä. Hän julkaissut mm. teokset Jatkosota Stalinin kanavalla ja Aseveljet korpisodassa. Antero Uitto (s.1944) on insinööri ja tietokirjailija. Hän harrastaa kirjojen keräilyä ja on Bibliofiilien seuran jäsen. Uitto on toimittanut salanimellä Antero Kautto teokset Stalinin istunnot ja Puna-armeijan marssiopas Suomeen sekä omalla nimellään teokset Talvisota Puna-armeijan silmin ja Punalaivaston väyläoppaat Haminasta Hankoon 1954-1988.

Russia's Turkey Policy during the Putin Era Vefa Kurban, 2020-10-15 Russia-Turkey relations have a long-standing history dating back many years. Having been shaped sometimes by competition and sometimes by cooperation, these relations gained different dimensions when Vladimir Putin's star rose in the political world in the new millennium. This book discusses the history of the relations between the two countries, before analysing the situation of the Russian Federation and the Republic of Turkey in the first 20 years of the 21st century.

Complex Social Systems in Dynamic Environments Svetlana G. Maximova, 2023-06-29 This edited book considers social systems as self-organizing structures that reproduce new structural elements endowed with certain functional connections. The authors analyze innovative processes in social systems, leading to the sustainable convergence of knowledge and the emergence of technologies that improve the level of material well-being in

society. The book summarizes research results in the field of digitalization and reveals deep connections with social problems. In addition, the book presents a whole array of innovative research on social systems management and the application of knowledge and intelligence to the solution of social problems. The contributing scholars and practitioners reflect on various types of social systems and assess the influence of disruptive factors from natural and coupled human-natural environments, discussing possible mechanisms for their neutralization. Sustainable development of social systems is among the most important tasks facing the contemporary world. The contributed book highlights challenges to the sustainability of social systems, draws sociotechnical images of the future world order generated by the rapid development of intellectual technologies, and critically analyzes promising concepts for more sustainable social future. Among the discussed topics in the book are social governance, digital economy, technological landscapes, social systems modeling and simulation, cyber-social systems, knowledge-based innovation systems, complex processes in social systems, institutional arrangements, and other advancing research areas. The high-quality and original studies presented in the book appeal to those interested in broadening their perspectives on complexity science, complex social systems research, complex systems management, advanced technological development in social systems, etc. Since the book is rich with well-thought theories, advanced research approaches, and interdisciplinary research

results, it becomes a great source of new ideas and insights on complex social systems.

The Caucasus Policy of Russia in the Early 21st Century Vefa Kurban, 2020-08-20 This book discusses the Caucasus, analysing its strategic aspects and the policies of Russia towards the region throughout history and especially during the Putin administration. It also considers Russia's relations with both Azerbaijan and Georgia after they gained their independence, and sheds light on the Chechen-Russian conflict and Russo-Georgian Wars that took place following the dissolution of the Soviet Union.

Identity of Long-tail Entities in Text F. Ilievski, 2019-11-29 The digital era has generated a huge amount of data on the identities (profiles) of people, organizations and other entities in a digital format, largely consisting of textual documents such as news articles, encyclopedias, personal websites, books, and social media. Identity has thus been transformed from a philosophical to a societal issue, one requiring robust computational tools to determine entity identity in text. Computational systems developed to establish identity in text often struggle with long-tail cases. This book investigates how Natural Language Processing (NLP) techniques for establishing the identity of long-tail entities – which are all infrequent in communication, hardly represented in knowledge bases, and potentially very ambiguous – can be improved through the use of background knowledge. Topics covered include: distinguishing tail entities from head entities; assessing whether current evaluation datasets and

metrics are representative for long-tail cases; improving evaluation of long-tail cases; accessing and enriching knowledge on long-tail entities in the Linked Open Data cloud; and investigating the added value of background knowledge (“profiling”) models for establishing the identity of NIL entities. Providing novel insights into an under-explored and difficult NLP challenge, the book will be of interest to all those working in the field of entity identification in text.

From Vladimir Lenin to Vladimir Putin Vladimir N. Brovkin, 2023-10-13 This book integrates Soviet and post-Soviet Russian history into a coherent whole by focusing on the culture, role models, habits and behavior patterns that provide continuity between various political regimes, systems, and rulers from Vladimir Lenin to Vladimir Putin. The unifying theme of all these periods is the central question of identity – how the Russians have defined themselves, their country, and their values. Why did the Bolsheviks try to erase any trace of Old Russia and with what did they try to replace it? Why did Stalin wipe out the kulaks and the old Bolsheviks? What were the political consequences of the Great Patriotic War on the Russians as people? When post-Stalin Russia slowly weakened and gave way to the humanism and Westernization that led to the collapse of the Soviet system, why did the 1990s generate a resurgence of anti-western nationalism? And how to explain the slow and steady break with the West under President Putin? This will be a core textbook for undergraduate and graduate students of Russian and European history, and a

valuable text for all those interested in how the Russian past influenced and shaped current politics, and in the international East–West divide in particular.

Financial Technology (FinTech),
Entrepreneurship, and Business Development
Bahaaeddin Alareeni, Allam Hamdan, 2022-07-02 This book constitutes the refereed proceedings of the International Conference on Business and Technology (ICBT2021) organized by EuroMid Academy of Business & Technology (EMABT), held in Istanbul, between 06–07 November 2021. In response to the call for papers for ICBT2021, 485 papers were submitted for presentation and inclusion in the proceedings of the conference. After a careful blind refereeing process, 292 papers were selected for inclusion in the conference proceedings from forty countries. Each of these chapters was evaluated through an editorial board, and each chapter was passed through a double-blind peer-review process. The book highlights a range of topics in the fields of technology, entrepreneurship, business administration, accounting, and economics that can contribute to business development in countries, such as learning machines, artificial intelligence, big data, deep learning, game-based learning, management information system, accounting information system, knowledge management, entrepreneurship, and social enterprise, corporate social responsibility and sustainability, business policy and strategic management, international management and organizations, organizational behavior and HRM,

operations management and logistics research, controversial issues in management and organizations, turnaround, corporate entrepreneurship, innovation, legal issues, business ethics, and firm governance, managerial accounting and firm financial affairs, non-traditional research, and creative methodologies. These proceedings are reflecting quality research contributing theoretical and practical implications, for those who are wise to apply the technology within any business sector. It is our hope that the contribution of this book proceedings will be of the academic level which even decision-makers in the various economic and executive-level will get to appreciate.

Concepts in Information Technology for Class IX (Based on Libre) (Code 402) (A.Y. 2023-24)Onward
Anju Gupta,2023-05-20 This book titled Concepts in Information Technology for Class 9 [Subject Code: 402) fulfills all the needs and requirements of the latest syllabus released by the CBSE and it also comprises the recommendations of the National Education Policy 2020 which focusses on development of critical thinking, life skills, problem solving skills, experiential learning, etc. Salient features of this book are: • As per the latest curriculum and examination pattern prescribed by the Central Board of Secondary Education, New Delhi. • The book is divided into two sections: • Part A deals with the Employability Skills with chapters on the units: Communication Skills - I, Self-Management Skills - I, ICT Skills - I, Entrepreneurial Skills - I and

Green Skills - I. • Part B deals with the Subject Specific Skills consists of five units. These units are Introduction to IT-ITeS Industry, Data Entry and Keyboarding Skills, Digital Documentation, Electronic Spreadsheet and Digital Presentation. • The last three units of Part B are based on LibreOffice suite of software. The version of this application used is LibreOffice 7.3. These chapters of Part B respectively use the Writer, Calc and Impress software. Some of the features inside the chapters are: • Chapter content which has been kept logical to meet the requirements of the tech-savvy students. • Activity provides a useful way to check the knowledge given practically. • Fact gives an interesting historical fact related to the matter. • Hot Keys gives some use of keyboard keys to quicken the task. • Explore gives a way for the students to know more and increase their knowledge. • Did You Know? provides an interesting piece of knowledge to get them interested. • Summary summarises the chapter at its end. • Every chapter has its accompanying exercise. Also, each unit ends with its Question Bank consisting of competency based question, very short, short, long questions, etc. Video Lectures • Chapterwise video lectures are given for the students to understand better. • In order to access videos, Download Merit Box Android App from Playstore. Scan the QR code given in the chapter to watch the videos through the MERIT Box Android Mobile App. Online Support • E-books (for teachers only). Teacher Resource Book • overview of the chapters. • Lesson plan. • Answers of the exercise. We hope that this

book will meet the needs and requirements of the students and teachers as laid down in the syllabus. Any suggestions for further improvement of the book will be most welcomed. -Authors

Ducks, Newburyport Lucy Ellmann, 2019-08-20
WINNER OF THE 2019 GOLDSMITHS PRIZE • SHORTLISTED FOR THE 2019 BOOKER PRIZE • A NEW YORKER BEST BOOK OF 2019 • A NEW YORK TIMES NOTABLE BOOK OF 2019 • A TIME MUST-READ BOOK OF 2019 This book has its face pressed up against the pane of the present; its form mimics the way our minds move now toggling between tabs, between the needs of small children and aging parents, between news of ecological collapse and school shootings while somehow remembering to pay taxes and fold the laundry.—Parul Sehgal, New York Times Baking a multitude of tarts tatins for local restaurants, an Ohio housewife contemplates her four kids, husband, cats and chickens. Also, America's ignoble past, and her own regrets. She is surrounded by dead lakes, fake facts, Open Carry maniacs, and oodles of online advice about survivalism, veil toss duties, and how to be more like Jane Fonda. But what do you do when you keep stepping on your son's toy tractors, your life depends on stolen land and broken treaties, and nobody helps you when you get a flat tire on the interstate, not even the Abominable Snowman? When are you allowed to start swearing? With a torrent of consciousness and an intoxicating coziness, *Ducks, Newburyport* lays out a whole world for you to tramp around in, by turns frightening and funny. A heart-rending indictment of America's barbarity, and a lament for the way we are

blundering into environmental disaster, this book is both heresy—and a revolution in the novel.

Embracing eBook Trends</p> <ul style="list-style-type: none"> ◦ Integration of Multimedia Elements ◦ Interactive and Gamified eBooks 	<p>In the digital age, access to information has become easier than ever before. The ability to download WikiReader has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download WikiReader has opened up a world of possibilities.</p> <p>Downloading WikiReader provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on</p>

any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading WikiReader has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download WikiReader. These websites range from academic databases offering research papers and journals to online

libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading WikiReader. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that

prioritize the legal distribution of content. When downloading WikiReader, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download WikiReader has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide.

However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About WikiReader Books

What is a WikiReader PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a WikiReader PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word,

or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper.

Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a WikiReader PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a WikiReader PDF to another file format?**

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export

feature to convert PDFs to formats like Word, Excel, JPEG, etc.

Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a WikiReader PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" ->

"Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as:

LibreOffice: Offers PDF editing features.

PDFsam: Allows splitting, merging, and editing PDFs.

Foxit Reader: Provides basic PDF viewing and editing

capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss.

Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file?

Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific

software or tools, which may or may not be legal depending on the circumstances and local laws.
