On Wings of Hope Cynthia Lynch Bischoff PhD,2019-12-19 Have you ever wondered about the universe, your purpose here on earth, or what might await you in the afterlife? Author and life coach Cynthia Lynch Bischoff has often reflected on those questions in her transformational work with her clients. *On Wings of Hope: Leading Lily Home* explores those questions through a poignant recollection of Bischoff's experience in assisting a young client through her journey with breast cancer and untimely death. Based on a true story and filled with wisdom and life lessons, this account describes Lily's inspiring passage from despair to enlightenment as a result of Bischoff's

unconventional therapy and compelling and inspirational view of the afterlife. Her story, a journey from heartache to peace, demonstrates that the world is illusory and that we create our own reality. It offers an integration of Bischoff's varied areas of expertise—life coaching, spiritual psychology, philosophy, and energy healing—to present a unique approach toward understanding the meaning of life, relationships, and mortality. Heartfelt and unforgettable, this memoir brings you face-to-face with important insights about life as it shares one woman's true experience with death and the afterlife. "... Approached with love and sensitivity and honor, this is a book to be savored.... The precious beauty of Life itself is found in every line. Absolutely lovely." - Nonfiction Authors Association, Gold Winner Award "Told with gentle grace, *On Wings of Hope* powerfully illustrates how compassion and deep listening can create trust so that understanding and growth can take place.... Bischoff's exceptional spirituality guides us all to understand how love is what wins in the end." - Michael S. Glaser, PhD, Poet Laureate of Maryland 2004-2009

Beneath the Wings of Geronimo's Spirit R. James Roybal, 2013-09-17 San Augustino said quietly. Be careful with that blade Robert. You might cut yourself! San Augustino was rewarded with Robert shouting a fearful battle cry and charging with his saber held high in an anticipated downward thrust! Gasps of horror could be heard at the display of the ungentlemanly like conduct! Robert on the other hand, was beginning to become disheartened with what he thought was going to be an easy victory with his surprise attack. He was mentally out of balance because his saber had only cut air and hit the ground! Worse was the sudden realization that he had complexly missed San Augustino and was now lying with his face in the mud! Robert immediately jumped up screaming in frustrated anger aided by the feeling of the pain of an imaginary saber blade in his back! Robert knew in his heart that he would

have taken advantage of the situation, if the tables had been turned and Augustino had been the one sliding on his face. Robert neednt have feared, because San Augustino was still standing perfectly poised about ten feet away almost in the same position that he had been standing when Robert had originally charged! It was almost as if San Augustino had not moved! Robert suddenly felt a stinging sensation on his chest and looking down was horrified to see a thin red streak that was starting to spread his across his white shirt! It was the thinnest of cuts and although not very wide looked painfully deep and more importantly, was rapidly bleeding his strength away!

Beneath the Mockingbird's Wings (Spirit of Appalachia Book #4) Gilbert Morris, Aaron McCarver, 1999-10-01 New in the Bestselling SPIRIT OF APPALACHIA! The American Revolution may have ended, but life for the settlers of the land over the Appalachian Mountains was hardly settled. British attempts to drive the Americans out of the land and hostilities with the Cherokees put a tremendous strain upon the inhabitants. Nathaniel Fox Carter, part-Cherokee, finds himself caught in the region's increasing unrest. When he decides to explore his ancestry, he is befriended by Hannah Spencer, who tries to help him discover who he is and where he belongs. Little does he know that forces from both sides of his heritage are conspiring toward his destruction. Will Hannah be able to convince Carter that working for the cause of war is not

the right path to follow?

UNDER MY BUBBE'S WINGS: How Grandma's Spirit Got Me Through Nazi Captivity Iser Flaum, 2017-12-15 This is a true-life memoir of defiant endurance through cruelty and traumatic loss, leading to ultimate survival. The author presents his father's ordeals during five and a half years of Nazi captivity during the Holocaust. Included is a section of his mother's similar experiences, although limited by her difficulty in discussing this topic. As the title infers, throughout he perceives the aura of his late grandma's spirit protecting him with her angelic wings, as vowed in an early vision. Besides the brutal forced labor, extreme hunger, and massive life upheaval, there are numerous near-death escapes. He consistently feels luck being steered his way. With this fortune, perseverance, and daring he ends up as the lone survivor of his large family. A similar outcome applies to the author's mother. Narrated from a first-person viewpoint it depicts forced migrations, Warsaw ghetto internment, and an ever worsening struggle to survive. Finally he must endure a series of Nazi camps for years until Russian liberation brings the war's end. He becomes aware of the complete loss of family, being alone in the world in his early twenties. Finally free, DP camp life offers renewal, marriage, USA migration, and starting over.

Shadowed By Wings Janine Cross, 2007-04-03 The Dragon Temple denies the role of dragonmaster to women, but Zarq is convinced that the doctrine allowing it has been deliberately lost to the obscurity of history. She begins a

desperate search through the Temple's archives, while enduring the rigorous athletic training required of her apprenticeship. Her fellow apprentices are fiercely competitive, and her overlord, Waikar Re Kratt, has taken an unnerving interest in her. Yet all this pales in comparison to her craving for hallucinogenic dragon venom and her desire to understand the dragons themselves—both of which make her a vessel to receive the ancestral memories of the great beasts. Now, eager for the knowledge only Zarq can uncover, the Temple has her imprisoned and subjected to starvation and torture—all to make her reveal the dragons' deepest secrets....

Just the Story of "Two Wings" A Lakota Plains Indian Valerie A.

Lancaster, 2015-06-25 I am a North American Lakota Indian and live on the edge of the Great Plains, where the prairie joins with tall grasslands and where wide valleys and dense woodlands can be found. I was born in the shadow of the Black Hills, a sacred place for my people and those of our kind. We were a part of nature and moved with ease across the land. All life was precious and we believed in the love of the Great Spirit. We honoured our Mother the Earth and loved her creatures as brothers. We looked to the rivers with the same respect that we had for the land and we tried to treat all men as equal, for all things are connected. We knew the flame which burns within is the true person whom we are and how our bodies only exist, while we walk on this Earth-plane. Our spirit is the part which journeys on. It can never die and

has travelled through many lives, in many shapes and forms . . . and now moves in this being which is I. My story is one which you may care to read - a story of those who lived long ago. Our people knew well of the Natural Laws and followed the teachings passed down through Tribal Elders, who openly shared their knowledge of life here and beyond. I am, I have been - and I always will be. When my earth body dies my spirit will again fly free and one day will hopefully be able to revisit this world, to talk with those of like-minds. I am the Spirit within. I am the part of you that can touch the stars and tread the ocean, feel the silence and speak the thought, without me - all is nought. I am the Spirit within. Inspirational Story and Verse from "Just Poems"

The Beauty of Wings Alexandra Mika, 2015-04-28 *The Beauty of Wings* is a magical true story of inner transformation. It unravels the details of author Alexandra Mika's healing journey, from an excruciatingly painful childhood of bullying, exclusion, and asthma to her mid-twenties filled with anorexia, pneumonia, panic, and suffocation to near death. Through dedication and determination Alexandra propels herself out of dark waters and comes home to her natural state of bliss, radiant health, and love. Journey with Alexandra on a pilgrimage of self-awakening through Reiki (energy healing), a profound connection with an extraordinary horse, connecting deeply with the natural world, yoga, and learning to love herself unconditionally. Through the metaphor of lungs as butterfly wings, readers journey from the dark isolation

of the cocoon into the freedom and majestic nature of the butterfly. The Beauty of Wings reveals the unlimited potential of the human spirit and the capacity within the heart for healing, transformation, and unconditional love. "The Beauty of Wings is the story of an incredible journey of inner awakening, a story concerned with the task of learning to love oneself. This remarkable young woman has achieved what we would call "speaking oneself into being" through aligning her inner and outer speech with positive thinking and rising above any and all of life's obstacles through determination. Her true story demonstrates the power of consistent positive thoughts to heal the body, heal the mind, and to positively change one's life." –Pia Smith Orleane & Cullen Baird Smith, authors of Conversations With Laarkmaa, Remembering Who We Are and The Return of the Feminine. "With great courage and honesty, Alexandra shares from the heart her story of struggle and pain, to surrender, healing and empowerment. From suffering to triumph, she speaks her truth and grows her wings to fly to new heights spreading the message of hope and beauty, as do the butterflies that have always been with her." –Tara Cindy Sherman, ERYT-500

It aims to give hope to those who have lost a loved one and to those who are about to pass beyond – hope that this is not an end. Written for lay people, rather than experienced spiritualists or mediums, and for anyone who is curious about exploring further, it provides practical tools to help readers find their own spiritual truth and path.
