How to Heal the Sick Charles Hunter,Frances Hunter,2000-01-01 Never feel helpless again! A loved one is sick, your friend was just in an accident, a family member is facing an emotional crisis.... Have you ever desperately longed to reach out your hand and bring healing to these needs? At times, our hearts ache with the desire to help, but either we don't know how, or we are afraid and stop short. The truth is, the Holy Spirit within you is ready to heal the sick! Charles and Frances Hunter present solid, biblically based methods of healing that can bring not only physical health but also spiritual health and abundant life to you, your family, and everyone around you.

*How to Pass OSCP Series: Windows Privilege Escalation Step-By-Step Guide* Alan Wang,2020-11-13 This book is the first of a series of How To Pass OSCP books and focus on techniques used in Windows Privilege Escalation. This is a step-by-step guide that walks you through the whole process of how to escalate privilege in Windows environment using many common techniques. We start by gathering as much information about the target as possible either

manually or using automated scripts. Next, we search for misconfigured services or scheduled tasks, insufficient file permission on binaries or services, vulnerable kernel, vulnerable software running with high privileges, sensitive information stored on local files, credential saved in the memory, registry settings that always elevate privileges before executing a binary, hard-coded credential contained in the application configuration files, and many more.
