Jetan Fredrik Ekman,2022-09-13 Throughout its hundred-year history, the game Jetan has influenced many writers and game designers. Invented by author Edgar Rice Burroughs for his 1922 novel The Chessmen of Mars, Jetan has been played by enthusiastic fans and serious gamers alike. This first-ever book on Jetan explores the game's rules in depth and provides new interpretations based on up-to-date research. It chronicles the game's history, explores tactics and variants and provides a complete standard for notating games. Also included are three annotated Jetan playthroughs and several practice exercises. Over 80 diagrams and photographs are used as illustrations, and an essay about Edgar Rice Burroughs' lifelong interest in sports and games further contextualizes the game.

Evolutionary Game Design Cameron Browne,2011-09-15 The book describes the world's first successful experiment in fully automated board game design. Evolutionary methods were used to derive new rule sets within a custom game description language, and self-play trials used to estimate each derived game's potential to interest human players. The end result is a number of new and interesting games, one of which has proved popular and gone on to be commercially published.

*You Could Look It Up* Jack Lynch,2016-02-23 Knowledge is of two kinds, said Samuel Johnson in 1775. We know a subject ourselves, or we know where we can find information upon it. Today we think of Wikipedia as the source of all information, the ultimate reference. Yet it is just the latest in a long line of aggregated knowledge--reference works that have shaped the way we've seen the world for centuries. You Could Look It Up chronicles the captivating stories behind these great works and their contents, and the way they have influenced each other. From The Code of Hammurabi, the earliest known compendium of laws in ancient Babylon almost two millennia before Christ to Pliny's Natural History; from the 11th-century Domesday Book recording land holdings in England to Abraham Ortelius's first atlas of the world; from Samuel Johnson's A Dictionary of the English Language to The Whole Earth Catalog to Google, Jack Lynch illuminates the human stories and accomplishment behind each, as well as its enduring impact on civilization. In the process, he offers new insight into the value of knowledge.

**The Modern Divine Comedy Book 8: Paradiso 2 Departure** Andrew J. Farrara,2022-10-13 The PARADISO is considered the most perfect part of the hereafter where the souls are permitted to live eternally if they can successfully complete the very difficult Celestial Examination process engaging the intellectual and personal guilt and forgiveness requirements system. Many celestial citizens take years, decades or centuries to complete. The Celestial Trial of Josephus, the Annual Lantern Parade and Romano’s awakening from his dream nightmare at the ending are the major subjects in this Book. This Celestial Trial of the ancient Jewish General and Roman writer, propagandist and collaborationist Flavius Josephus in discovering the real Spiritual Truths at the Celestial Supreme Court headed by the Biblical prophets Noah, Abraham and Moses is portrayed. Josephus is defended in Court by a late 19th century mortal American Barrister named Darryl Buchanan from Philadelphia who just successfully defended John D Rockefeller before Almighty GOD Himself in God’s Personal Supreme Peoples Court. The goal of the Celestial Trial of ‘Josephus verses the Celestial Kingdom’ is to discover the Holy Secrets and Spiritual Truths of his writings as to determine whether he did or did not fabricate and/or conceal the Biblical truths and steal the Prophecy that the next Ruler of the Roman Empire was destined to come from Judea to save his own body and soul? The Annual Lantern Parade at the Celestial Circus Maximus on Christmas Day has been a tradition since Jesus died on the Cross in the first century AD. The theme this year is called the Ancient & Divine Mysteries of the Universe. BOOK FOUR ends with the Devil and his Three Crown Princes still trying to manipulate, dominate and overthrow the Kingdom with a Final Curtain Call where the Tragic End Game occurs and the Mise-en-Abime shows the hero Journalist Romano home awoken immediately after his dream in his basement apartment at a New York City Catholic Church.

**First Person** Noah Wardrip-Fruin,Pat Harrigan,2004 The relationship between story and game, and related questions of electronic writing and play, examined through a series of discussions among new media creators and theorists.
