Charlie Chaplin and A Woman of Paris Wes D. Gehring, 2021-01-15 Charlie Chaplin's *A Woman of Paris* (1923) was a groundbreaking film which was neither a simple recycling of Peggy Hopkins Joyce's story, nor quickly forgotten. Through heavily-documented period research, this book lands several bombshells, including Paris is deeply rooted in Chaplin's previous films and his relationship with Edna Purviance, Paris was not rejected by heartland America, Chaplin did romantic research (especially with Pola Negri), and Paris' many ongoing influences have never been fully appreciated. These are just a few of the mistakes about Paris.

The Daily Coyote Shreve Stockton, 2008 Developed from her tremendously popular blog, this book offers the inspiring and beautifully illustrated account of the author's experiences raising an orphaned coyote as a beloved pet. Full-color photographs throughout.

Charlie, the Wonder Cat C. Robert Holloway, 2011-09-14 After decades of avoiding, occasionally fearing cats, C. Robert Holloway adopts a rescue cat from the SPCA for the specific purpose of eradicating the rodent problem at his French Quarter apartment. In admiration for a friend's cat named Charlie, he names him Charlie, Too but quickly realizes the Too is too cumbersome and, more bewildering, his critter has little inclination for killing any living creature, especially mice. This distressing trait is in high contrast to Charlie's captivating, canine-like social skills and an IQ rivaling the US Navy's dolphins. For the next seven years, Charlie and CRH's bonding coalesces in a determination to be together whenever possible, sharing eating and sleeping habits, learning each other's language, mediating friends' arguments, amalgamating political persuasions, even travelling together by plane and automobile across the USA. Early on in their relationship, Charlie demonstrates an inordinate fascination for CRH's laptop, frequently reaches for the delete button, and in the doing, makes valuable editorial contributions. Eventually he masters lifting the PC's lid and turning it on when CRH is away. When Charlie becomes gravely ill, CRH discovers his true age to be much older than originally listed by the SPCA. Distressed by concern and grief, he drags him to several Veterinary specialists in the area, while begging Charlie to hold on until his condition can be properly diagnosed and a cure might be found. Charlie rallies for a few months, then, just before Christmas, succumbs to cancer of the liver. Soon after his passing, C. Robert stumbles on a remarkable document which confirms the power of unconditional love, the jubilation that comes from unwavering responsibility, and, on closer reading, a poignant argument to give the concept of reincarnation another appraisal.

Charlie's Diner Dennis F. Killeen, 2021-01-13 Charlie Winter was a grieving widower who mourned not only the loss of his wife but also the death of his young daughter a few years prior to his wife's death. All of Charlie's wealth could not make up for the pain he endured, and he envied happy families. His grief and envy were enough for him to seek ruining those families who were happy. Although the Owen family struggled with ordinary

household finances, they seemed to be a happy family. Paul felt he made sufficient money so that Ann could stay home and raise their two kids. Ann had a different opinion as she paid the bills. This typical family disagreement was challenging the portrayal of a happy family. A chance lunch at Charlie's favorite diner will alter the lives of the Owen family forever.
