Master of the Game Sidney Sheldon,2010-05-25 Kate Blackwell is the symbol of success—a beautiful woman who has parlayed her inheritance into an international conglomerate. This Is Not a Book Keri Smith,2009-09-01 From the internationally bestselling creator of Wreck This Journal, a curious, engaging, and creative rethinking of all the different things a book can be. In this uniquely skewed look at the purpose and function of a “book”, Keri Smith offers an illustrated guide that challenges readers to creatively examine all the different ways This Is Not a Book can be used. With intriguing prompts, readers will discover that the book can be: A secret message—tear out a page, write a note on it for a stranger, and leave it in a public place. A recording device—have everyone you contact today write their name in the book. An instrument—create as many sounds as you can using the book, like flipping the pages fast or slapping the cover. This Is Not a Book forces you to ask, “If it’s not a book, what is it then?”—with a kaleidoscope of possible answers.

The 10,000 Dollar Flip Book ,2012-10-31 From photographer Santiago Melazzini, maker of popular flipbooks such as Tango Dancer and I Love You, comes a special four-in-one, full-color flipbook disguised as a stack of \$100 bills. Running a thumb over the edges of the “bills” in the stack, the viewer will observe four short, satirical films on the transience of wealth. A recurring cast of characters plays roles based on stereotypes from slapstick silent movies: the wealthy, arrogant high roller; the robber in his prison stripes and domino mask; and the opportunistic showgirl. In a time of financial uncertainty gripping the world, this playful and good-natured item is a reminder that fortunes can change in the blink of an eye, but a sense of humor is an asset that, once possessed, can never be taken away.

Thus begins Sidney Sheldon's chilling new novel, Tell Me Your Dreams. Three beautiful young women are suspected of committing a series of brutal murders. The police make an arrest that leads to one of the most bizarre murder trials of the century. Based on actual events, Sheldon's novel races from London to Rome to the city of Quebec to San Francisco, with a climax that will leave the reader stunned.
