It's Trevor Noah: Born a Crime Trevor Noah,2019-04-09 The host of The Daily Show, Trevor Noah, shares his personal story and the injustices he faced while growing up half black, half white in South Africa under and after apartheid in this New York Times bestselling young readers' adaptation of his adult memoir. “A piercing reminder that every mad life--even yours--could end up a masterpiece. --JASON REYNOLDS, New York Times bestselling author We do horrible things to one another because we don't see the person it affects. . . . We don't see them as people. Trevor Noah, host of The Daily Show on Comedy Central, shares his remarkable story of growing up in South Africa with a black South African mother and a white European father at a time when it was against the law for a mixed-race child to exist. But he did exist--and from the beginning, the often-misbehaved Trevor used his keen smarts and humor to navigate a harsh life under a racist government. In a country where racism barred blacks from social, educational, and economic opportunity, Trevor surmounted staggering obstacles and created a promising future for himself thanks to his mom's unwavering love and indomitable will. This honest and poignant memoir adapted from the #1 New York Times bestseller Born a Crime: Stories from a South African Childhood will astound and inspire readers as well as offer a fascinating perspective on South Africa's tumultuous racial history. Sovereign Attachments Shenila Khoja-Moolji,2021-06-15 Sovereign Attachments rethinks sovereignty by moving it out of the exclusive domain of geopolitics and legality and into cultural, religious, and gender studies. Through a close reading of a stunning array of cultural texts produced by the Pakistani state and the Pakistan-based Taliban, Shenila Khoja-Moolji theorizes sovereignty as an ongoing attachment that is negotiated in public culture. Both the state and the Taliban recruit publics into relationships of trust, protection, and fraternity by summoning models of Islamic masculinity, mobilizing kinship metaphors, and marshalling affect. In particular, masculinity and Muslimness emerge as salient performances through which sovereign attachments are harnessed. The book shifts the discussion of sovereignty away from questions about absolute dominance to ones about shared repertoires, entanglements, and co-constitution.

Transnational Belonging and Female Agency in the Arts Basia Sliwinska,Catherine Dormor,2022-10-20 Transnational Belonging and Female Agency in the Arts interrogates the politics of space expressed via womxn's artistic practices, which prioritise solidarity and collaboration across borders, imagining attentive geographies of difference. It considers belonging as a manifestation of processes of becoming that traverse borders and generate new spaces and forms of difference. In doing so, the book aims to catalyse mutual social relations founded upon responsibility and response-ability to each other. The transnational framework activates concerns around belonging at a time of intensified divisions, partitioning global narratives, unequal trajectories and increasing violence against bodies of the most vulnerable, largely founded on Eurocentric paradigms of political, economic and cultural superiority. The contributors engage in a conversation signalling transversal thinking and artmaking in order to articulate and activate 'in-between' spaces. This is to welcome co-affective models of belonging that question versatile embodiments of subjectivity as both agentic and as interrelational. Organised around the triangulation of modes of belonging: spatial, affective and collective, overarched by a transnational lens that acknowledges non-hierarchical, local and socially relevant genealogies against universalising politics of globalisation, these essays consider afresh ways in which female agency disrupts borders and activates concerns around different forms of belonging, citizenship and transnationalisms. The Quotable Joe Katherine Rodriguez,2020-09-25 Former vice president Joe Biden has said many things throughout his career where he has put his foot in his mouth, flat-out lied or flip-flopped on his votes, made up false stories, plagiarized, and said racist comments. Things have not changed for “Sleepy Joe” since he decided to run for president in 2020. During his run on the 2020 campaign trail, he’s told people at campaign rallies to “vote for someone else” and has called them “lying, dog-faced pony soldiers.” Throughout this book, you can expect to find some of Biden’s most off-the-wall statements that make him the most embarrassing candidate to ever run for president.
