From thorough coverage of the basics through advanced topics such as setting up security, building a home office network, and DVD authoring, this go-to reference is your perfect Vista resource.

Ballplayer Chipper Jones,Carroll Rogers Walton,2018-04-03 Atlanta Braves

third baseman and National Hall of Famer Chipper Jones—one of the greatest switch-hitters in baseball history—shares his remarkable story, while capturing the magic nostalgia that sets baseball apart from every other sport. Before Chipper Jones became an eight-time All-Star who amassed Hall of Fame-worthy statistics during a nineteen-year career with the Atlanta Braves, he was just a country kid from small town Pierson, Florida. A kid who grew up playing baseball in the backyard with his dad dreaming that one day he'd be a major league ballplayer. With his trademark candor and astonishing recall, Chipper Jones tells the story of his rise to the MLB ranks and what it took to stay with one organization his entire career in an era of booming free agency. His journey begins with learning the art of switch-hitting and takes off after the Braves make him the number one overall pick in the 1990 draft, setting him on course to become the linchpin of their lineup at the height of their fourteen-straight division-title run. Ballplayer takes readers into the clubhouse of the Braves' extraordinary dynasty, from the climax of the World Series championship in 1995 to the last-gasp division win by the 2005 "Baby Braves"; all the while sharing pitch-by-pitch dissections of clashes at the plate with some of the all-time great starters, such as Clemens and Johnson, as well as closers such as Wagner and Papelbon. He delves into his relationships with Bobby Cox and his famous Braves brothers—Maddux, Glavine, and Smoltz, among them—and opponents from Cal Ripken Jr. to Barry Bonds. The National League MVP also opens up about his overnight rise to superstardom

and the personal pitfalls that came with fame; his spirited rivalry with the New York Mets; his reflections on baseball in the modern era—outrageous money, steroids, and all—and his special last season in 2012. Ballplayer immerses us in the best of baseball, as if we're sitting next to Chipper in the dugout on an endless spring day.

MacBook All-in-One For Dummies Mark L. Chambers, 2011-12-27 Get comfortable and confident with your MacBook! Combining the fun-but-straightforward content of nine minibooks, this new edition of MacBook All-in-One For Dummies delivers helpful coverage of the rich features and essential tools you need to know to use the MacBook to its fullest potential. Windows XP Gigabook For Dummies Peter Weverka, Mark L. Chambers, Greg Harvey, Woody Leonhard, John R. Levine, Margaret Levine Young, Doug Lowe, 2004-05-10 What's a Gigabook? A collection of just about everything you need to know on a topic, all in one convenient place! Windows XP Gigabook For Dummies takes the best from five other For Dummies books and squeezes out everything but the most important stuff. This single super-sized reference—more than 800 pages' worth—gives you a go-to guide on everything connected with Windows XP, PCs and peripherals, the Internet, Office 2003, and Money 2004. You might think of it as a "greatest hits" collection. Want to know how to set up, navigate, use, and maintain Windows XP? It's all in Book I. Book II covers the care and feeding of PCs in general and takes you on a complete tour of peripherals—those add-ons that make computing cool. Want to explore the

world via the World Wide Web? Check Book III. And if you finally have to do some work, check into Book IV, where you'll get the complete story on Office 2003 and Money 2004. You'll discover how to: Customize Windows XP, set up user accounts, and share files Work with digital photos, Windows Media Player, and Windows Movie Maker Choose a printer, scanner, game hardware, and additional storage Set up a wireless home network Get online safely, protect your kids, create your own Webpages, and cruise for bargains on eBay Use Word, Outlook, Excel, and PowerPoint Manage your finances with Microsoft Money Windows XP Gigabook For Dummies is packed with information that's easy to find and even easier to understand. Keep it handy for reference—you'll be glad to have it!

Bowker's Guide to Characters in Fiction 2007 ,2008-02

The Year of the Locust Terry Hayes, 2004-02-06 Terry Hayes, author of the #1 global bestseller *I Am Pilgrim*, returns with this terrifying and eagerly awaited instant bestseller. If, like Kane, you're a Denied Access Area spy for the CIA, then boundaries have no meaning. Your function is to go in, do whatever is required, and get out again—by whatever means necessary. You know when to run, when to hide—and when to shoot. But some places don't play by the rules. Some places are too dangerous, even for a man of Kane's experience. The badlands where the borders of Pakistan, Iran, and Afghanistan meet are such a place—a place where violence is the only way to survive. Kane travels there to exfiltrate a man with vital information for the safety of

the West—but instead he meets an adversary who will take the world to the brink of extinction. A frightening, clever, vicious man with blood on his hands and vengeance in his heart...

Mac OS X Hands-on Training Garrick Chow, 2003 Do you like to learn by doing? Do manuals leave you craving real-world examples? Are you looking for concrete training that goes beyond theory and reference materials? This is the book you've been waiting for! Whether you've recently switched to the Mac or you're a veteran of earlier Mac operating systems, this book will get you up to speed and using OS X in no time. Illustrated with hundreds of detailed screen shots and accompanied by a CD-ROM loaded with sample files and Quick Time movies, Mac OS X Hands-On Training teaches you the ins and outs of this amazing operating system and its programs, guiding you step-by-step, providing tips and tricks along the way. Book jacket.

How to Raise an Adult Julie Lythcott-Haims, 2015-06-09 New York Times Bestseller Julie Lythcott-Haims is a national treasure. . . . A must-read for every parent who senses that there is a healthier and saner way to raise our children. -Madeline Levine, author of the New York Times bestsellers *The Price of Privilege* and *Teach Your Children Well* For parents who want to foster hearty self-reliance instead of hollow self-esteem, *How to Raise an Adult* is the right book at the right time. -Daniel H. Pink, author of the New York Times bestsellers *Drive* and *A Whole New Mind* A provocative manifesto that exposes the harms of helicopter parenting and sets forth an alternate

philosophy for raising preteens and teens to self-sufficient young adulthood. In *How to Raise an Adult*, Julie Lythcott-Haims draws on research, on conversations with admissions officers, educators, and employers, and on her own insights as a mother and as a student dean to highlight the ways in which overparenting harms children, their stressed-out parents, and society at large. While empathizing with the parental hopes and, especially, fears that lead to overhelping, Lythcott-Haims offers practical alternative strategies that underline the importance of allowing children to make their own mistakes and develop the resilience, resourcefulness, and inner determination necessary for success. Relevant to parents of toddlers as well as of twentysomethings—and of special value to parents of teens—this book is a rallying cry for those who wish to ensure that the next generation can take charge of their own lives with competence and confidence.

Exposure Robert Bilott, 2020-07-14 “For Erin Brockovich fans, a David vs. Goliath tale with a twist” (The New York Times Book Review)—the incredible true story of the lawyer who spent two decades building a case against DuPont for its use of the hazardous chemical PFOA, uncovering the worst case of environmental contamination in history—affecting virtually every person on the planet—and the conspiracy that kept it a secret for sixty years. The story that inspired *Dark Waters*, the major motion picture from Focus Features starring Mark Ruffalo and Anne Hathaway, directed by Todd Haynes. 1998: Rob Bilott is a young lawyer specializing in helping big corporations stay on the

right side of environmental laws and regulations. Then he gets a phone call from a West Virginia farmer named Earl Tennant, who is convinced the creek on his property is being poisoned by runoff from a neighboring DuPont landfill, causing his cattle and the surrounding wildlife to die in hideous ways. Earl hasn't even been able to get a water sample tested by any state or federal regulatory agency or find a local lawyer willing to take the case. As soon as they hear the name DuPont—the area's largest employer—they shut him down. Once Rob sees the thick, foamy water that bubbles into the creek, the gruesome effects it seems to have on livestock, and the disturbing frequency of cancer and other health problems in the area, he's persuaded to fight against the type of corporation his firm routinely represents. After intense legal wrangling, Rob ultimately gains access to hundreds of thousands of pages of DuPont documents, some of them fifty years old, that reveal the company has been holding onto decades of studies proving the harmful effects of a chemical called PFOA, used in making Teflon. PFOA is often called a "forever chemical," because once in the environment, it does not break down or degrade for millions of years, contaminating the planet forever. The case of one farmer soon spawns a class action suit on behalf of seventy thousand residents—and the shocking realization that virtually every person on the planet has been exposed to PFOA and carries the chemical in his or her blood. What emerges is a riveting legal drama "in the grand tradition of Jonathan Harr's *A Civil Action*" (Booklist, starred review) about malice and

manipulation, the failings of environmental regulation; and one lawyer's twenty-year struggle to expose the truth about this previously unknown—and still unregulated—chemical that we all have inside us.

Electronic Musician, 2000

Mastering Windows XP Home Edition Guy Hart-Davis, 2001 Hart-Davis offers the insider knowledge needed in order to make the most of Microsoft's powerful new home operating system, whether it's upgrading from Windows 98 or Me or moving straight to XP.
