Jasinda Wilder

Hammered Jasinda Wilder,2018-06-28 ***This novel is a contemporary second chance romantic comedy featuring mature characters.*** Dad Bod Contracting—for ALL your domestic contracting needs. Have a leaky faucet or clogged disposal? Need a new patio with intricate brickpaving designs? Want your garage transformed into a yoga studio? Dad Bod Contracting has you COVERED. Our clean, well-mannered, and friendly professionals pride themselves on attention to detail. Every job comes with a 100% customer SATISFACTION guarantee. No job is too small. Hand us your “honey-do” list and we’ll get it done, and we’ll look good doing it! A good job well done is one phone call away, so call Dad Bod Contracting today! It started with a window that was jammed shut. Pretty simple, right? All I wanted was to open the windows while I tidied the house. I’d been after my no-good husband to do it for months, but he never did. And then he shacked up with his secretary, leaving me with a pile of bills, husband-free for the first time in ten years, and with a house that was falling apart. The ad popped up on the side of my social media feed—a local contracting agency willing to do pretty much anything. Since I don’t really know a screwdriver from a ratchet, I gave them a call. And let me tell you, the ad was NOT lying. Jesse O’Neill can do it ALL...and looks amazing doing it. He fixed my window, so I called him back to fix the sagging, splintery front steps. Which led to him fixing my kitchen sink. And then he recarpeted my stairs. And then fixed the squeak in my bed. He was supposed to fix my house, not my rusty, sputtering libido. And certainly not my broken heart. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px 'Times New Roman'} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px 'Times New Roman'; min-height: 16.0px} span.s1 {font-kerning: none}

Endgame, Volume 1 Derrick Jensen,2006-06-06 The long-awaited companion piece to Derrick Jensen's immensely popular and highly acclaimed works *A Language Older Than Words* and *The Culture of Make Believe*. Accepting the increasingly widespread belief that industrialized culture inevitably erodes the natural world, *Endgame* sets out to explore how this relationship impels us towards a revolutionary and as-yet undiscovered shift in strategy. Building on a series of simple but increasingly provocative premises, Jensen leaves us hoping for what may be inevitable: a return to agrarian communal life via the disintegration of civilization itself.

Running Ronnie O'Sullivan,2013-10-10 World Snooker Champion Ronnie O'Sullivan's frank and honest account of his astonishingly dramatic life. I used to rely on drugs and alcohol to keep me going, but now I've got the healthiest addiction going - running. This book explains how running has helped me to fight my demons - my addictive personality, depression, my dad's murder conviction, the painful break-up with the mother of my children - and allowed me to win five World Snooker Championships. It is also about all of the great things in my life - my kids, snooker, my dad's release from prison, great mates who have helped me, and the psychiatrist Dr Steve Peters, who has taught me how not to run away when things get tough. Finally, it's about what it's like to get the buzz - from running, from snooker, from life. Because when it comes down to it, everyone needs something to drive them on.

Savage! Janine Self,Robbie Savage,2011-01-18 Robbie Savage could have been just another Manchester United reject. Instead, he used the Old Trafford scrapheap as a springboard to become one of the most instantly recognisable footballers in the Premier League, despite being told by Sir Alex Ferguson he was not good enough to stay in the class of '92 alongside David Beckham, Paul Scholes, Ryan Giggs, Nicky Butt and Gary Neville. For the last 16 years, Savage has carved out a reputation as a hard man and wind-up merchant with an unerring ability to grab a headline. From deliberately getting Tottenham's Justin Edinburg sent off in a Wembley Cup final to the 'Jobbiegate' row with referee Graham Poll and the bust-ups with John Toshack, Rio Ferdinand, Graeme Souness and Paul Jewell, the list is endless. Yet numerous footballing legends will testify to the skill of the midfielder, who has starred for Crewe, Leicester, Birmingham, Blackburn and Derby and won 39 international caps for Wales. Behind the long blond hair, the Armani tattoo and the flamboyant cars, Savage has always been the heartbeat of his team. *Savage!* provides a unique insight into the extraordinary life of an elite sportsman, a colourful character and loving family man. Love him or loathe him, Robbie Savage's story is a remarkable one.

Between Two Thorns (The Red Rose #1) S.J. Wharton,

Hammering Techniques in Greek and Roman Jewellery and Toreutics Treister,2021-11-29 This book traces the development of hammering techniques in Greek, Roman and related (e.g. Graeco-Scythian) jewellery and toreutics based on the analysis of ancient tools used for manufacture of hammered metalwork, primarily punches and matrices with figural designs, and actual finds of metalwork and jewellery. The book offers essays on metalworkers' tools from Mycenaean Greece until the Late Roman Period. It includes chapters on different categories of hammered metalwork in the corresponding periods and Excursus about particular matrices or punches and hoards of toreutics. Bringing together the tools of metalworkers and actual objects manufactured with them opens new perspectives on chronological and cultural attribution of ancient jewellery and toreutics and illuminates the role of mass production and artistic creativity in ancient history. The book is illustrated with 133 photographs.

Urban Nightscapes Paul Chatterton, Robert Hollands, 2003-09-02 In many western cities, urban nightlife is experiencing a 'McDonaldisation', where big branded names are taking over large parts of downtown areas, leaving consumers with an increasingly standardised experience. This book takes a new look at this rapidly changing aspect of urban life, examining the relationships between young adults, nightlife and city spaces. It focuses on what the authors call 'urban nightscapes' - both mainstream and alternative youthful cultural activities in bars, pubs, night-clubs and music venues, which occur against a backdrop of increasing corporate influence in the night-time economy.
