The Dust of Old Dole Road Dan Oliver,2011-06 No One Knows When or Why it Started. Isn't That the Way it is with Those Who Abuse Others? Something happened. Some event, or word, or gesture, or situation triggers an explosive response of uncontrolled anger and hatred directed toward the target of the abuser. There are probably as many reasons as there are persons who fit the profile. When sober, Dad was in control. Only when under the influence of the alcohol demon did he lose control. So I tend to think that it was the drug that released the violent side of his character. Without the alcohol, Dad was loving and caring, gentle and patient. At least this was how I saw him. In the mid-twentieth century in a small Oregon logging community, Dan Oliver lived with his family in conditions reminiscent of the pioneer days of the 1800s. All modern conveniences were stripped away, and the family learned to make do with what was available. Throughout this struggle of abject poverty, the shadow of binge drinking hung like a storm cloud over the family. When Dan's father started drinking, the kids knew to run and hide on the slopes of Timber Butte. Their mother would stay behind, facing domestic violence and verbal abuse. Eventually, the storm would clear, and life would return to normal; every member of the family contributed to the survival, no matter how young or small. Life on Dole Road was full of hardships and suffering; but more than that, Dole Road was full of hope, pride in what someone can do with his own two hands, and faith in a God of mercy. If you're struggling with making your own peace, then let *The Dust of Old Dole Road* speak to you. Book jacket.

Raped by the State Randal R. Chance, 2004-03-01 A mysterious death has occurred at Baxter College, a prestigious woman's college in the Philadelphia suburbs. The horrendous and gruesome discovery is made when the niece of the President of Baxter College is found dead. Georgie Talbot, Director of Security at the college, is a young, naive, woman who becomes enmeshed with the investigation and uncovers secrets behind the college's ivy-covered stone walls. While pursuing the truth, Georgie is thrust into circumstances beyond her control. The President of the college demands Georgie work closely with the detective assigned to the case; a repugnant, arrogant man whom Georgie despises. She learns to trust herself and begins the process of conquering her fears. When she least expects it - Georgie falls in love. This novel is about being a survivor and realizing the strength that comes from within, even during times of enormous adversity.
