*Fiasco* Lane Hart,D.B. West,2023-10-11 Fiasco has always been the guy who can't do anything right. In fact, it's why he was given his unfortunate nickname. When he takes two bullets during a shooting, Fiasco nearly loses his life. And in a way, dying may have been the easy way out. But once he saw Joanna's face, the angelic nurse doing everything she could to save his life, he wanted nothing more than to live. Overcoming his injuries is just the first obstacle Fiasco will have to face. If he can't get back to his construction job soon, he'll lose everything he's worked so hard to have, along with all the people who depend on him. With Joanna's help, Fiasco begins to wonder if he could be more than the screw up of the Dirty Aces MC, right before it all comes crashing down on him yet again.

*Pediatric and Adolescent Concussion* Jennifer Niskala Apps, Kevin D. Walter, 2011-12-14 Between the growing numbers of children and adolescents playing sports and the increased attention to head injuries by the larger sports community and the general public, pediatric concussions are emerging as a major concern. And as practitioners are seeing more young clients with head injuries, questions arise about age-appropriate assessment, diagnosis, treatment, and return to activity. *Pediatric and Adolescent Concussion: Diagnosis, Management, and Outcomes* offers evidence-based guidelines where few previously existed. This comprehensive volume clearly explains the effects of traumatic injury on the developing brain in sports- and non-sports-related contexts, and establishes a framework for immediate and long-term management, especially the crucial first 24 hours. Chapters provide a basic grounding in its subject with a history of concussion as a medical entity and a review of definitional and classification issues, take the reader through the steps of a neuropsychological evaluation, pinpoint post-injury issues, and offer strategies for the prevention of further or future injury. *Pediatric and Adolescent Concussion: Diagnosis, Management, and Outcomes* serves as both educational resource and practical framework for a wide array of professionals, including neuropsychologists, sports medicine physicians, child psychologists and psychiatrists, pediatric and family

physicians, athletic trainers, social workers, and educators.

*Roxy's Story* Jess Phillips,

Touching the Dragon James Hatch, Christian D'Andrea, 2019-04-09 "Jimmy Hatch is a personal hero of mine." –Anderson Cooper "Irresistible. . . . A wounded SEAL's shame becomes a salvation." –J. Ford Huffman, Military Times James Hatch is a former special ops Navy SEAL senior chief, master naval parachutist, and expert military dog trainer and handler. On his fateful final mission in Afghanistan, his SEAL team was sent to recover Bowe Bergdahl—the soldier who deserted his post and fell into the hands of Al-Qaida and the Taliban. The mission went south, and Hatch was left with a shattered femur from an AK-47 round and the SEAL dog who fought alongside him was dead. As a result of his horrific leg wound, his twenty-four-year military career came to an end—and with it the only life he'd ever known. In Touching the Dragon, we witness his long road to recovery. Getting well physically required eighteen surgeries, twelve months of recovery, and learning to walk again. But getting well mentally would prove to be much tougher, as he fought through the depths of despair, alcoholism, and the pull to end his own life. What emerges is a different kind of hero's journey, one in which Hatch shows the courage it takes to confess, confront, and overcome his own brokenness. Through the love of family, friends, and his military dogs, Hatch learned remarkable tools and found his purpose, and now he wants to share this wisdom with the rest of us because we all have wounds.

**Baby Donor** Beau Brown, 2018-05-23 Mpreg Romance Omega Ace Hamilton has a horrible case of baby fever. Working as a receptionist at a fertility clinic only makes things worse because he sees pregnant omegas day in and day out. It's agony watching those happy couples glowing with excitement when the odds of him ever having a baby are slim to none. He could never afford the artificial insemination procedure, and no alpha will ever get him pregnant the old-fashioned way because his younger brother was born with a birth

defect. Ace is considered damaged goods by default. Alpha Wyatt Williams is a donor at the fertility clinic where Ace works. The sexy receptionist catches Wyatt's eye, and when Ace shares his sad predicament, Wyatt offers to help him out by giving him a baby the natural way. Wyatt doesn't admit it, but he's thrilled at the idea of sleeping with the irresistible omega. However, Wyatt makes it clear he wants nothing to do with the pregnancy or the baby after the deed is done. Ace really wants a baby and he really wants to sleep with the sexy alpha too. But he's not sure whether he'll be able to keep his feelings out of the equation. What he truly wants is a real family of his own, complete with an alpha and a baby too.

**Appalachian Underground** Jean Casey, 2004 A man sets out for a night of gambling, yet ends up in a high-speed chase with a State Trooper that causes him to not be able to return home. During the night of gambling, he meets up with an old girlfriend from the past who believes he can win her a million dollars in a high-stakes poker game. First, they have to come up with the buy-in fee, and to do this, they have to play by the rules of a crooked small-town sheriff which puts them in the middle of an F.B.I. sting. From the very beginning, however, the C.I.A. has set them both up without anyone's knowledge, having their own plans for the money, should they win.

**World Running Down** Al Hess, 2023-02-14 A transgender salvager on the outskirts of a dystopian Utah gets the chance to earn the ultimate score and maybe even a dash of romance. But there's no such thing as a free lunch... —

Valentine Weis is a salvager in the future wastelands of Utah. Wrestling with body dysphoria, he dreams of earning enough money to afford citizenship in Salt Lake City – a utopia where the testosterone and surgery he needs to transition is free, the food is plentiful, and folk are much less likely to be shot full of arrows by salt pirates. But earning that kind of money is a pipe dream, until he meets the exceptionally handsome Osric. Once a powerful AI in Salt Lake City, Osric has been forced into an android body against his will and sent into the wasteland to offer Valentine a job on behalf of his new employer – an escort service seeking to retrieve their stolen androids. The reward is a visa into the city, and a chance at the life Valentine’s always dreamed of. But as they attempt to recover the “merchandise”, they encounter a problem: the android ladies are becoming self-aware, and have no interest in returning to their old lives. The prize is tempting, but carrying out the job would go against everything Valentine stands for, and would threaten the fragile found family that’s kept him alive so far. He’ll need to decide whether to risk his own dream in order to give the AI a chance to live theirs. File Under: Science Fiction [ Finding Your Way | Everybody Hurts | Body Bound | City Dreams ]

*Hate to Love Him* Jody Holford, 2017-07-17 Brady Davis is as happy as he is charming. Usually. Unless he's in the same room with the frustratingly gorgeous antidote to his cheer. Mia Kendrick is headstrong and determined. She's done with men who stand in her way—even if he has arms like Thor and a smile that makes her dizzy. Whenever they're together, sparks fly—both the bad and good kind. When Mia returns home to take over management of Kendrick Place, Brady is worried her focus on big business could be the end of his tight-knit home and the family he's created there. Mia may have the power to change everything, but Brady could have the power to change her mind...if he can get inside her heart. Each book in the Kendrick Place series is a STANDALONE story that can be enjoyed out of order. \* More than Friends \* The Bad Boy Next Door \* Hate to Love Him

**The Rumrunner's Boy** Edward Yatscoff, 2023-06-11 Jarrod Hooker, 17, steps in for his injured father on a rum running crew in Lake Erie. It's a lucrative job they cannot afford to lose. Jarrod is resented by the rumrunners and they set out to undermine him. Carving out respect for himself among rough men will take a mighty effort. But ill winds begin to blow across the lake when money from liquor shipments goes missing and the U.S. Coast Guard steps up

smuggling patrols. Worse yet, an American gangster, a rogue from the notorious Purple Gang, seizes control of the operation. Whatever happens on the next run will change everything for everyone. Amid sabotage and bullets flying, Jarrod must put his trust in the most dangerous man he's ever met. Although Canada is only a few miles offshore, it may as well be a world away.

**Aces Wild** Erica S. Perl, 2015-04-14 Zelly Fried has finally convinced her parents to let her get a dog, with the help of her grandfather Ace. Unfortunately, said dog (also named Ace) is a shoe-chewing, mud-tracking, floor-peeing kind of dog. Despite Zelly's best efforts to drag Ace (literally!) to puppy kindergarten, his flunking report card says it all: This Ace is wild. Also wild is the other Ace in Zelly's life. Grandpa Ace has decided to begin dating again and is dining and dancing every night, against his doctor's orders. Determined to get both Aces under control, Zelly enlists the help of her two best friends, Allison and Jeremy (despite the fact that they don't quite see eye to eye). They need to come up with a plan, fast. But how? It's not like either Ace ever does what he's told.

**Aces High** Bill Yenne, 2009-02-03 Capturing the hearts of a beleaguered nation, the fighter pilots of World War II engaged in a kind of battle that became the stuff of legend. They cut through the sky in their P-38s to go one-on-one against the enemy—and those who survived the deadly showdowns with enough courage and skill earned the right to be called aces. But two men in particular rose to become something more. They became icons of aerial combat, in a heroic rivalry that inspired a weary nation to fight on. Richard “Dick” Bong was the bashful, pink-faced farm boy from the Midwest. Thomas “Tommy” McGuire was the wise-cracking, fast-talking kid from New Jersey. What they shared was an unparalleled gallantry under fire which won them both the Medal of Honor—and remains the subject of hushed and reverent conversation wherever aerial warfare is admired. What they had between them was a closely watched rivalry to see who would emerge as the top-scoring American ace of the war. What they left behind is a legacy of pride we will never forget, and a record of aerial victories that has yet to be surpassed anywhere in the world.

*Amazing Grayson* M.E. Carter, 2018-08-16 They're going to have the ride of their lives... Greer Declan is finally settling into her new town. After a

nasty divorce and an ex who ended up in prison (isn't karma great sometimes?), it was finally time to start somewhere new. That somewhere is Flinton, Texas... home of Vikings football, her big brother Jack, and All Hands Farm - a dairy farm that specializes in helping special needs high schoolers learn vital life skills. Grayson Whitman, known as Ace to his friends, has spent his life taking care of others. From his mother, to his brother, to the kids in the specialized program he runs, his life has never really been his own. He's not complaining. He's just... bored. That is, until Greer's son Oli joins the program. Neither have conventional situations But Greer and Ace quickly learn that life's difficulties are actually what makes it amazing. \*\*Amazing Grayson is a three part story that follows the evolution of Greer and Ace's relationship. Each part can be read as a stand alone story, but combined, they create the complete novel.\*\*\*

*Five Brothers and a Baby* Peggy Moreland, 2010-11-01 I'LL GET OFF YOUR LAND, BUT THE BABY STAYS. Ace stared at the woman who stood defiantly on Tanner land with a blanket-wrapped bundle in her arms. It seemed he and his four brothers had inherited something besides the Bar-T. But what on earth was he supposed to do with a baby girl? All Maggie had done was deliver a motherless infant to its rightful heirs. Now Ace Tanner had asked her to move in, where she and the sexy rancher were soon sharing a lot more than middle-of-the-night feedings. Was instant fatherhood about to turn a rough-and-tumble loner into a family man to make the Lone Star state proud?

**The River** Victor Simpson, 2019-02-08 Ace Smith is a Seattle detective wounded in a gunfight in the seedy part of town. Faced with career ending injuries Ace is given a lifeline working as a detective for the Governor's cold case task force. What was a second chance could cause Ace to lose everything he loves while he tracks a sadistic killer out for revenge.

**Trauma Doesn't Stop at the School Door** Karen Gross, 2020 This book explores how educational institutions have failed to recognize and effectively address the symptoms of trauma in students of all ages. Given the prevalence of traumatic events in our world, Gross argues that it is time for educational institutions and those who work within them to change their approaches and responses to traumatic symptoms that manifest in students in schools and colleges. These changes can alter how and what we teach, how we train teachers, how we structure our calendars and create our schedules, how we address student behavior and disciplinary issues, and how we design our physical space. Drawing on real-life examples and scenarios that will be familiar to educators, this resource provides concrete suggestions to assist institutions in becoming trauma-responsive environments, including replicable macro and micro changes. "Ideas and strategies that teachers, parents, students, and leaders of any organization can leverage to make positive transformational changes." —Martha J. Kanter, U.S. under secretary of education (2009–2013) "A treasure trove of information on trauma, as well as thoughtful recommendations for schools from pre-K through college." —Kathleen

Ross, president emeritus, Heritage University “It is a book for the ‘Generation T’ in the context of our time. Offers strategies of quieting the hyper-aroused stress response system. –Ed K.S. Wang, Massachusetts General Hospital
