High Achiever Tiffany Jenkins, 2019-06-18 NATIONAL BESTSELLER • An up-close portrait of the mind of an addict and a life unraveled by narcotics—a memoir of captivating urgency and surprising humor that puts a human face on the opioid crisis. “Raw, brutal, and shocking. Move over, *Orange Is the New Black*.”—Amy Dresner, author of *My Fair Junkie* When word got out that Tiffany Jenkins was withdrawing from opiates on the floor of a jail cell, people in her town were shocked. Not because of the twenty felonies she’d committed, or the nature of her crimes, or even that she’d been captain of the high school cheerleading squad just a few years earlier, but because her boyfriend was a Deputy Sheriff, and his friends—their friends—were the ones who’d arrested her. A raw and twisty page-turning memoir that reads like fiction, *High Achiever* spans Tiffany’s life as an active opioid addict, her 120 days in a Florida jail where every officer despised what she’d done to their brother in blue, and her eventual recovery. With heart-racing urgency and unflinching honesty, Jenkins takes you inside the grips of addiction and the desperate decisions it breeds. She is a born storyteller who lived an incredible story, from blackmail by an ex-boyfriend to a soul-shattering deal with a drug dealer, and her telling brims with suspense and unexpected wit. But the true surprise is her path to recovery. Tiffany breaks through the stigma and silence to offer hope and inspiration to anyone battling the disease—whether it’s a loved one or themselves.

The Achiever Elisabeth Bennett, 2021-10-26 The Enneagram is an ancient personality typology using nine points within a circle to represent nine distinct personality types. This sixty-day devotional is for Enneagram Three, known as the Achiever. This book will help Threes, and those who love them, better understand how God created them and how best to use their unique gifts to serve Him and love others. It features an explanation of what the Enneagram is, how it benefits people, and a full description of what it means to be a Three, including the Achiever's deadly sin and their greatest strength. Some attributes of the Achiever: Motivation: Worth, to be admired and praised for their achievements while adding genuine value to the world. Biggest Fear: Being worthless, a failure, or others finding their efforts lacking. Heart Triad: Along with Twos and Fours, Threes are part of the Heart triad. This means they first process information as feelings before moving on to thinking or doing. Actions from others tend to feel very personal, as information is first processed as feeling before it can be thought through logically. The sixty days of this devotional are split into six ten-day topics that

include uniqueness, weakness, strength, pain points, and how Achievers react in times of stress and growth.

The Compassionate Achiever Christopher L. Kukk, 2017-03-07 A powerful, practical guide for cultivating compassion—the scientifically proven foundation for personal achievement and success at work, at home, and in the community. For decades, we've been told the key to prosperity is to look out for number one. But recent science shows that to achieve durable success, we need to be more than just achievers; we need to be compassionate achievers. New research in biology, neuroscience, and economics have found that compassion—recognizing a problem or caring about another's pain and making a commitment to help—not only improves others' lives; it can transform our own. Based on the most recent studies from a wide range of fields, *The Compassionate Achiever* reveals the profound benefits of practicing compassion including more constructive relationships, improved intelligence, and increased resiliency.

To help us achieve these benefits, Christopher L. Kukk, the founding Director of the Center for Compassion, Creativity and Innovation, shares his unique 4-step program for cultivating compassion. Kukk makes clear that practicing compassion isn't about being a martyr or a paragon of virtue; it's about rejecting rage and indifference and choosing instead to be a thoughtful, caring problem-solver. He identifies the skills every compassionate achiever should master—listening, understanding, connecting, and acting—and outlines how to develop each, with clear explanations, easy-to-implement strategies, actionable exercises, and real-world examples. With the The Compassionate Achiever everyone wins—we can each achieve success in our own lives and create more productive workplaces, and healthier, less violent communities.
