No Limit John L. Smith,1997 Of all the modern Las Vegas casino operators, none had more flair than Bob Stupak. The self-proclaimed Polish Maverick rose from humble origins as the son of a Pittsburgh boss gambler to head one of the largest privately owned casinos in Las Vegas, the infamous Vegas World. Stupak parlayed a small slot joint into a \$100 million-a-year gambling operation by manipulating the local and national media with outrageous stunts and promotions. His headline-grabbing handiwork is now the stuff of Las Vegas legend. Remember Vegas World's VIP Vacation? Stupak's cleverly worded advertisements flooded millions of mailboxes around the country and appeared in dozens of prominent national periodicals, including Playboy, Parade, and USA Today, attracting hordes of tourists to his out-of-the-way casino. Though the VIP Vacation became the most successful promotional campaign in the history of Las Vegas, it was also the most controversial. It prompted sanctions and fines from casino-industry regulators, but not before generating enough seed money to fund early construction of the \$550 million Stratosphere Tower, Hotel & Casino. Of all of Stupak's big ideas, the Stratosphere Tower was the biggest. It was to be the tower to end all towers, the greatest mousetrap in a city of great mousetraps. But the tallest observation tower in the country was erected on a wobbly financial foundation of oppressive interest rates and sky-high debt, which ultimately turned the no-lose proposition into one of Las Vegas' most high-profile flops.

Tales from the Pit David G. Schwartz,2016 Dealing in a casino presents challenges and rewards not seen in many workplaces. With hundreds of thousands of dollars at stake every minute, table games pits are high-stress workplaces. Managing a workforce of dealers and attending to the needs of players brings stresses of its own. In 2015, the University of Nevada, Las Vegas's Center for Gaming Research received a grant from the UNLV University Libraries Advisory Board that enabled it to undertake an oral history project intended to capture the stories of table games managers, including both those currently working in the field and those who have retired. Drawn from these interviews, Tales from the Pit provides an overview of how the interviewees felt about a variety of topics, ranging from their experiences breaking in as new dealers to their transitions to management and the changes the industry has seen over their careers. The current and former managers speak candidly about the owners, bosses, dealers, and players who made each day challenging. This book illuminates the past several decades of casino history through the words of those who lived and made it.

Casino Capitalism, Society and Politics in China's Macau Sonny Shiu-Hing Lo,2020-07-20 This book explores the characteristics of casino capitalism in Macau under Chinese sovereignty and administration. It argues that casino capitalism propelled the region's economic prosperity and social stability in the period starting from the internationalization of the casino industry in 2002 to the end of 2019. However, casino capitalism also exacerbated the income gap between the rich and the poor. To tackle income inequality, the Macau developmental state combined casino capitalism with social welfarism. The region's developmental state has been characterized by its relatively decisive leadership, its autonomy from the capitalist and working classes, and a comparatively weak civil society. China has encouraged Macau to shift from its overdependence on casino capitalism to economic diversification and integration with the Greater Bay Area. However, given Macau's long-standing and profound dependence on casino capitalism, the path of economic diversification is destined to be long and difficult. As this book also argues, the Macau model of "one country, two systems" is a unique one which cannot be easily transplanted to Hong Kong, where the overdeveloped politics and assertive civil society are a far cry from Macau's frozen politics and quiescent society.

Is This Anything? Jerry Seinfeld,2020-10-06 The first book in twenty-five years from "one of our great comic minds" (The Washington Post) features Seinfeld's best work across five decades in comedy. Since his first performance at the legendary New York nightclub "Catch a Rising Star" as a twenty-one-year-old college student in fall of 1975, Jerry Seinfeld has written his own material and saved everything. "Whenever I came up with a funny bit, whether it happened on a stage, in a

conversation, or working it out on my preferred canvas, the big yellow legal pad, I kept it in one of those old school accordion folders,” Seinfeld writes. “So I have everything I thought was worth saving from forty-five years of hacking away at this for all I was worth.” For this book, Jerry Seinfeld has selected his favorite material, organized decade by decade. In this “trove of laugh-out-loud one-liners” (Associated Press), you will witness the evolution of one of the great comedians of our time and gain new insights into the thrilling but unforgiving art of writing stand-up comedy.
