

Addictive Angling

Michael J. Tougias,Adam Gamble

Addicted to Angling: A Lifetime's Obsession with Fish and Fishing Mike Thrussell, Nick Fisher, 2015-10-05 Mike Thrussell is one of the most recognisable names and faces in UK angling. Addicted To Angling is a detailed account of his lifetime's obsession with fish and fishing, following an ever expanding road of adventure, travel and personal growth. Taken in to the heart and mind of the author, readers will recognise and relate to the moment he crosses the line from being a fisherman to becoming an obsessive angler - one of a rare breed who have forged an entire career from the sport they love. It is a view of an often hidden world, but one that will open up opportunities for others that feel they too may, or must, follow a similar path. But Addicted to Angling is more than a personal journey: there is much to learn, too, and the detailed description of the capture of some incredible and unusual fish leaves readers with a wealth of tactics used to target not just the big fish, but also a wide number of individual species in the UK and across the globe.

One More Last Cast Dennis Dauble, 2016-08-30 What do tiny bars of complimentary soap, spam sandwiches and pillow hogs have to do with fishing? When does one more last cast beget another? How can some people confuse fishing with ... sex? This collection of short stories answers those questions, and more. Dennis Dauble - biologist, fisherman and author previously of *The Barbless Hook* and *Fishes of the Columbia Basin* - returns with more wry and humorous tales gleaned from a lifetime of fishing experiences and insights. Among the revelations received at the rod's handle: some tipping points aren't revealed (alas) until after you pass the point of no return. A four-beer buzz can move a relationship along only so far. And as any friendly, but competitive, fisher might tell you, there's a limit to how much you can trust others when it comes to a good thing. Any reader will likely see themselves somewhere in this delightful collection - and fishermen and women will particularly find kindred spirit for their passion. As Dauble writes, Fishing creeps into your thoughts, conversations and dreams to create transcendent connections that surprise and amaze.

Confessions of a Fly Fishing Addict Nick Lyons, 1999 Nick Lyons has been called a happy combination of angler-poet-romantic, and nowhere is this - and his compulsion to fish - more in evidence than in *Confessions of a Fly Fishing Addict*. Bluegills, bluefish, snook, chub, brown trout, bass, and salmon are all explored, along with the discretely different experiences of fishing in small ponds, major Western rivers, English chalk streams, and no-name brooks.

The Seasonable Angler Nick Lyons, 1988

Peacock Bass Addiction Larry Larsen, 1999 Lakeland, FL -- There are few, if any, writers more qualified or knowledgeable about peacock bass as Larry Larsen. In this, his third book in the series, Larsen reveals new methods and locations from his continued experimentation and exploration. From his many travels, it is apparent to Larsen that anglers who have even just one opportunity to tangle with peacock bass quickly become addicts. This compilation of the very latest information will help all addicts enjoy the most optimal quality of angling possible. In addition, this book attempts to provide readers with an honest overview of the numerous opportunities in South America and around the world where peacock bass exist. It also covers a large variety of peacock bass camps and operators in each country. Each of the first 12 chapters focuses on geographic areas within the various countries that almost always produce good peacock bass fishing. Chapter 13 *Battles Won and Lost* provides an experienced viewpoint on how to win battles with the giants. It points out common ways to lose the fish of your dreams and ways to prevent such a catastrophe. Chapter 14 discusses the range and seasonal movements of the peacock bass, critical elements to the success of any South American venture. Fly fishing advice is also covered in Chapter 16. I'm often asked about the most appropriate tackle to carry along on an expedition, says Larsen. My favorite lures, tackle and the types of habitats to use them in are also detailed in this book. It is amazing how little consideration is given to the proper tackle by most anglers, he adds. This is perhaps the most important of all pre-trip planning checklists.

The Soft-Hackled Fly Addict Sylvester Nemes, 1993 Thousands of trout fishermen are now truly addicted to the soft-hackled fly -- the simple, sober artificial trout fly. Novices and experts alike found the soft hackle easy to fish and highly effective in streams from east to west. New, soft-hackled fly patterns by the author and other addicts are found in this book, together with colour photographs of all the feathers and materials required for the authentic fly patterns. There is even a hackle-sizing chart which takes the guesswork out of the most crucial element of the fly. The book also attempts to match artificial flies to living insect orders. Exhaustive notes reveal the author's intimate fishing techniques with the soft-hackled fly. Addict or beginner, any fisherman reading this book will add immensely to his practical angling skills.

All About Fishing Miles Montgomery, 2021 It's just you and the environment. Isn't this the most primitive stage of them all? Man against nature in a battle measured by verifiable results. We see this in hunting, in sail boating, and other maritime sports, in mountain climbing, even in extreme sports like snowboarding and rock climbing. Nature is the most primal arena there is. Hence, there is a certain appeal to nature that makes us want to challenge it. After all, how we fare against nature will tell us so much about how far we have come as mortals. It is a reaffirmation of our sense of self and a celebration of our humanity. It is an exhilarating feeling, a thrill that is hard to match. And set in the backdrop of this ancient struggle is the addictive passion called fly fishing. (Note, if you will, that I referred to fly fishing as a passion. To call it a sport would be too limiting. To call it a mere hobby would be too shallow a title for this activity.) With fly fishing, it's you against your environment, and that environment can be one formidable foe. It controls the calmness or roughness of the waters, the velocity and the direction of the wind, and even the factors that determine the congregation of the salmon, trout, pike, bass, or carp. Indeed, the environment you will be competing against is a tough nut to crack, but just ups the ante, doesn't it? Imagine if you were able to topple all the odds against you. Wouldn't that provide a more satisfying sense of accomplishment? Wouldn't that tell you that you have what it takes to defeat the seemingly insurmountable challenges? Wouldn't that reaffirm who you really are? And wouldn't that be a great cause for celebration? Fly fishing, in this regard, can be considered a microcosm of life. If we are able to be competitive in this field, we should be able to be just as competitive in all aspects of life. It's a matter of logic. It's a matter of nature. This is perhaps why many people have developed an addiction with fly fishing. Though these ideas may not be readily apparent to most of them, it can most certainly be the calling of their subconscious minds. The fish can represent their personal holy grail, that which they have longed for all their lives. And if they can catch the fish... they can most certainly attain their personal goals. I have asked a number of people why they are very much impassioned with fly fishing, hoping to delve deeper into the psychology of this angling pastime that is growing more and more popular by the day. They, surprisingly, provided different answers for the same question. Doug, who has been a regular companion of mine for two years now every Sunday in Maine, when we spend the afternoon trying to figure out the best bait to catch the biggest prize, has this to say: "Whenever we are here, fishing and all, I do forget my worries. You do know that I underwent anger management a couple of years ago, and fishing, not just fly fishing, was one of the activities suggested by my counselor. So that's how I started. And surprise, surprise! You haven't seen me wring your necks the past few years, right?" Indeed, the usually calm waters have soothing effects for the soul. It helps you relax and reinvigorate your mind, body, and spirit. Fly fishing is not an exhaustive activity at all. But it does require some patience. You'll be spending more time preparing and waiting than actually angling in a fish or two, after all. This isn't a pastime for a person who has attention deficit disorder. Perhaps it's the time in between noteworthy moments that makes fly fishing relaxing. Let's face it, we won't be doing anything most of the time. Hence, we are given the chance to be with ourselves, and to be just ourselves. No pretensions at all... just us and all that time. It's a great opportunity for some introspection and some reflections on the things that were, the things that are, and the things in store for us in the future. And this is perhaps the reason why Doug finds fly fishing a perfect therapy for his cognitive distortions. On the other hand, another constant companion of mine, Marx, has been fly fishing longer than all of us combined. He claims that his grandfather introduced him to this pastime, and since then, his life has centered on angling. "You do know my wife, right? Yeah, the current one. Good thing she's very understanding. Would you believe that the reason for my past divorces (he's had two) is fishing? Well, that's an exaggeration, of course... but there is a semblance of truth to it, though. I'd rather be with you guys every Sunday than talk about whatever marital problems I'm having with my wife." Marx's affair with fly fishing at the expense of his marriage is not, and should not, be promoted. We're just discussing it right now to illustrate how much of a passion fly fishing has become for many people. When I asked him why he is so enamored with this pastime, this is what Marx had to say. "There's something about fishing that keeps me coming bac

Fishing Passion Jim C. Chapralis,2001-08 Drawn from a lifetime of passion for fishing, these stories focus on one man's angling adventures at the world's most exotic locations. Jim Chapralis began fishing at the age of eight, became immediately addicted, and for the next six decades found a way to fish in forty countries. Jim pioneered the international fishing travel business, and in this book he describes trips to Angola in search of giant tarpon, to Panama, where he and friends are held at bay by a dozen guns; and to Colombia, where witch doctors practice their medicine on two of his clients. Inspiring and filled with personal anecdotes from his adventures, this book produces an insatiable desire to wet a hook for all angling addicts.

Angling Admonitions Barry Blackstone,2020-06-02 Contained in this book are one hundred and fifty fish tales from fifty years of fishing, shared by an avid fisherman who has also spent the last fifty years fishing for men as a small-town pastor in New England. This accounting of passed fishing trips and fish caught reflects on the spiritual application to the techniques and tactics using in fishing for trout and salmon, and a few other species of fish, to the biblical application for people Jesus called fishers of men! In each of these short stories, Pastor Blackstone reveals to his reader the wonderful blessings that come from leading someone to a saving knowledge of his Lord and Savior Jesus Christ. The author is convinced that Jesus deliberately chose fishermen to be his earliest disciples, men he would call apostles, because those Galilean fisherman had the necessary characteristics and qualifications to teach (cast) his gospel and to share it with the multitudes. It is the hope of the writer that this book will not only be of interest to someone that fishes, but ultimately will be found profitable to anyone that wants to share his or her faith in Jesus Christ with others.

Sight Fishing for Trout Landon Mayer,2019-07-26 In this updated edition, sight-fishing expert Landon Mayer teaches you what you need to know to spot the trout before you cast--because if you can see a trout, you are more likely to catch that trout. In this comprehensive book on the tricks and skills anglers need to master, Mayer reveals his knowledge of trout and trout water, learned through years of fishing and guiding on prime trout waters. Hunting for large trout with lightweight fishing equipment is what Landon does best. With detailed instructions on how to cast into tricky spots, how to present the fly whatever the conditions, and how to read the rise, he gives you the extra edge to find and catch more and larger fish. He tells you where to look for the trout, how to rig your line, how to retrieve the fish when you get a strike, and how to use the buddy system for a more productive day on the water. Sight fishing is intriguing, fun, addictive, and best of all, it gets result--more and bigger trout.

Ruminations of a Fly Fishing Addict Dave Bennion,2011-10-01 The saying, Life is a journey does not ring more true than in the development of a fly fisherman. This book chronicles Dave's foray into the sometimes mysterious and sometimes humorous but constantly intriguing world of fly fishing. Whether you are already an accomplished fly fisherman or just curious about what is so fascinating about fly fishing, Dave will guide you through this captivating world of rods, reels, line weights, waders, and float tubes with humor, passion and more than a little bit of self-deprecating sarcasm. He will introduce you to friends, family and situations that are unique to fly fishing and unique to his fishing world. It is Dave's hope that through this work, you will catch a glimpse of the beauty that is fly fishing.

For the Love of Fishing Jack Ranweiler,2003-06 Stories from the author's 30 years of commercial fishing in Alaskan waters.

Carp Addiction Craig Lyons,2013-07-01 Carp Addiction is a book about a man obsessed with carp fishing from his boyhood where fortunately he was mentored by a couple of experts, at the lakes he fished with, whom he still remains friends today. It was not long before he was catching few larger fish and moving on to better waters. Since those early years on Horton Kirby he has gone on to fish such places as: Walthamstow, Redmire, Sutton, The Manor, Korda (the BCSG Water) and Birch Grove amongst others and fished many places in France and has fished in Canada. His statistics speak volumes - eleven UK forties including a personal best mirror at over 47lb and two different common's over 40lb. Over 100 carp in excess of thirty pounds, all caught within the UK. His French personal best is a common of over 72lb and a mirror of over 60lb. He was voted 'Carp Angler of the Year' in 2006 and proud to be a member of the British Carp Study Group in which he was enrolled some twelve years ago. Craig is 41 years old and lives in Dartford, Kent. Unlike many successful carp anglers of today he works full time as has only ever been able to fish weekends, evenings and holidays but his 'addiction' to catching carp has never diminished in the thirty or so years he has followed his passion. Chapters Foreword by MIKE STARKEY What Makes Me Tick The Beginning Sutton DDAPS A Lifelong Affair Redmire Pool Manor Magic Birch Grove Dreams The Lake that Time Forgot A London Hideaway Holiday Dreams Harefield by KUSH RATTAN A Year on Horton by TONY OLIVO Savay Fever by MARK MCKENNA Colne Valley Commons by KUSH RATTAN Once Upon a Time by JOHN CARVER

Hooked on Bass Alan Vaughan, Mike Ladle,2021-06-28 Now an established classic on the subject, this new 2021 paperback edition of Hooked on Bass shows anglers how to catch bass, particularly the bigger fish, from the shore. With excellent photography and clear, detailed diagrams to help illustrate the advice, any angler, beginner or expert, who has caught or would like to catch bass will find endless value in the pages of this book.

It's More Than Fishing Pat Murray,2020-08-13 “The only constant in fishing is that the fish are still trying to avoid being caught as hard today as they were 100 or 1,000 years ago. To improve as anglers, we must be willing to change and evolve.” It’s More Than Fishing is a how-to guide for Texas coastal fishing that addresses a number of key aspects of coastal angling, including the basics of patterning, fishing the Texas surf, choosing lures and baits, common myths and misconceptions, and what to keep in mind when hiring a fishing guide. In addition to these how-to elements, It’s More Than Fishing also includes insight and information from marine biologists, fishing legends, and guides about coastal angling and the importance of conservation. Author Pat Murray has spent more than two decades as a marine conservation professional and more than four decades as a Texas coastal angler, and he emphasizes the critical role of recreational anglers in protecting and enhancing marine resources. Each chapter begins with a handy summary to guide readers through the information, making it easy to jump around. Throughout the book, Murray reminds the reader that angling is part science, but it’s also part art. Similar to fine arts, culinary pursuits, and any other timeless crafts, angling is an evolving skill that has been in practice for centuries. Successful fishing requires a mixture of knowledge, practice, patience, and skill. Murray believes that if anglers view their pursuit as an art, they will not only invest in developing their skills, but their passion for fishing and ocean resources will increase along with their catches.

True Tales from an Expert Fisherman John Bailey,2018-04-03 An original and very personal collection of stories about the love of fish and the pleasures of fishing. John Bailey’s extraordinary adventures have taken him to some of the most inhospitable places on Earth. This exciting and often humorous book brilliantly captures the magical, mysterious and addictive nature of fishing.

Still Life with Brook Trout John Gierach,2005 Gierach's latest masterwork of streamside philosophy is a witty account of all that makes fishing unique and addictive.

The History of Fly Fishing in Fifty Flies Ian Whitelaw,2015-04-02 The History of Fly Fishing in Fifty Flies recounts the story of a sport that dates back two thousand years, focusing on milestone flies from the first feathered hook to contemporary patterns using cutting edge materials. From the many thousands of fly patterns developed over the centuries (there are more than 1,700 salmon fly patterns alone) these fifty have been chosen to represent the development not only of the flies themselves, but also the fly fishing techniques - and of rods, lines, and reels. These iconic flies also chart the spread of this addictive sport from its modern origins on the chalk streams of southern England and the rivers of Scotland to the US, Europe, South America and the Antipodes, and now to every country in the world. Once limited to trout and salmon, fly-fishing techniques today are used to catch every fish species from minnows to marlin, in rivers, lakes and oceans from the Amazon to the Arctic. Filled with profiles of the key characters, tying tips, photographs and illustrations of the flies, and detailed explanations of the techniques used to fish them, The History of Fly Fishing in Fifty Flies charts the exponential growth and diversification of this fascinating sport.

The World's Best Fishing Stories The Editors of Field & Stream,2015-03-26 A collection of true-life fishing tales about big catches, bright seas, and the one that got away—from John Updike, Phil Caputo, Jim Harrison, and others. Anyone who appreciates a good story can appreciate the infinite resource that is the sport of fishing. This collection represents the very best stories about fishing to appear in Field & Stream throughout its 120-year history. It includes writers old and new, with tales infamous and unknown. A fishing story is, in the end, not about catching fish. What matters is the quest, the company, and the challenge. Here you’ll find stories of deep insight, incredible drama, and delightful humor from the likes of Bill Heavey, Zane Gray, Eddie Nickens, Ian Frazier, Kim Barnes, Thomas McGuane, and many others.

The Power of Positive Fishing Michael J. Tougias,Adam Gamble,2023-09-05 Join Michael J. Tougias and Adam Gamble out on the water to see how their mutual passion for heart-pounding fishing action transforms their destinies. When the pair first met, they were married with two children each, nice homes in the suburbs, jobs that paid the bills, and frequent fishing trips. But their comfortable lives had cracks in them, and they soon found themselves hit by the rogue waves of divorce, financial challenges, addiction, and career upheaval. What kept them going—and helped them navigate the rough waters of middle age—was fishing and friendship. Together they not only learned some of the successful secrets of striped bass fishing, but they were also brutally honest in their advice for each other. They began to see their time spent on Adam’s boat, the Scout, as a way to explore new ways of thinking, dreaming big, and being right with the world. The two not only discovered ways forward but began living lives far beyond what they thought possible. The Power of Positive Fishing is an emotional journey interspersed with humor on how two individuals finally began tapping their full potentials, while hooking some great fish along the way.

Addictive Angling Introduction

In todays digital age, the availability of Addictive Angling books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Addictive Angling books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Addictive Angling books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Addictive Angling versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Addictive Angling books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a

vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Addictive Angling books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Addictive Angling books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Addictive Angling books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With

platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Addictive Angling books and manuals for download and embark on your journey of knowledge?

FAQs About Addictive Angling Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Addictive Angling is one of the best book in our library for free trial. We provide copy of Addictive Angling in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Addictive Angling. Where to download Addictive Angling online for free? Are you looking for Addictive Angling PDF? This is definitely going to save you time and cash in something you should think about.
