The Mindful Geek Michael Taft, 2015-09-14 The Mindful Geek tells you how to derive the real world benefits of hardcore mindfulness meditation without drinking the metaphysical Kool-Aid. Meditation teacher, Michael W. Taft gives you step-by-step instructions in the powerful and reliable techniques of mindfulness meditation, and outlines the psychological and neuroscientific research underpinning these practices. By treating mindfulness as a scientifically-based, psychological technique, you can keep your atheistic or agnostic secular skepticism and still maintain a powerful, regular, and deeply effective meditation practice. That's because meditation doesn't require you to believe in it to work. Like any good technology, if you use it correctly, it will do the job reliably whether you believe in it or not. And make no mistake—meditation is a kind of technology; a technology for hacking the human wetware in order to improve your life. This book is a practical, hands-on manual about how to make the most of that technology for yourself. If you are smart, skeptical, technically-inclined, and have a desire to see what meditation is really all about, this book is for you. Michael has taught a lot of meditation programs at tech corporations like Google, so this material has been field-tested on some world-class geeks.

This House Is on Fire Shri Anandi Ma, 2005-09 This biography of Shri Dhyanigogi, the kind of Indian saint who only exists in legend, provides tales of his exploits--at 100 years old he could walk faster than any of his followers--that are intertwined with his spiritual teachings. After 80 years

of solitude in rural India, Dhyanyogi came out from seclusion to teach in India and the United States. Tales of the gentle yogi facing down tigers, battling hunger and thirst, and traveling through the treacherous mountains and scorching deserts of India are all told here. In his unending desire to be a resource to followers, Dhyanyogi is known to have said to his followers, This house is on fire--loot all you can!--referring to the wisdom he had and how little time he had on earth to impart it.

The Poetry of Religious Sorrow in Early Modern England Gary Kuchar, 2011-03-03 In early modern England, religious sorrow was seen as a form of spiritual dialogue between the soul and God, expressing how divine

grace operates at the level of human emotion. Through close readings of both Protestant and Catholic poetry, Kuchar explains how the discourses of 'devout melancholy' helped generate some of the most engaging religious verse of the period. From Robert Southwell to John Milton, from Aemilia Lanyer to John Donne, the language of 'holy mourning' informed how poets represented the most intimate and enigmatic aspects of faith as lived experience. In turn, 'holy mourning' served as a way of registering some of the most pressing theological issues of the day. By tracing poetic representations of religious sorrow from Crashaw's devotional verse to Shakespeare's weeping kings, Kuchar expands our understanding of the interconnections between poetry, theology and emotion in post-Reformation England.

Underwater Dogs Seth Casteel, 2012-10-23 The exuberant, exhilarating photographs of dogs underwater that have become a sensation From the water's surface, it's a simple exercise: a dog's leap, a splash, and then a wet head surfacing with a ball, triumphant. But beneath the water is a chaotic ballet of bared teeth and bubbles, paddling paws, fur and ears billowing in the currents. From leaping Lab to diving Dachshund, the water is where a dog's distinct personality shines through; some lounge in the current, paddling slowly, but others arch their bodies to cut through the water with the focus

and determination of a shark. In more than eighty portraits, award-winning pet photographer and animal rights activist Seth Casteel captures new sides of our old friends with vibrant underwater photography that makes it impossible to look away. Each image bubbles with exuberance and life, a striking reminder that even in the most loveable and domesticated dog, there are more primal forces at work. In *Underwater Dogs*, Seth Casteel gives playful and energetic testament to the rough-and-tumble joy that our dogs bring into our lives.
