**Affiliate Marketing** Jerry Kershen,2016-08-25 Affiliate Marketing: 10 Proven Steps to Creating an Affiliate Marketing Empire to Make Money Online An affiliate marketing guide that will teach you the basics on how to build a successful affiliate marketing empire. Do you want to make money online but don't have a product of your own to sell? Do you lack the large amount time, skill, money, and energy required to create a product of your own to sell? How does making money selling OTHER PEOPLES' PRODUCTS without the hassle of dealing with customers or order fulfillment sound? If this sounds like YOU, then keep reading... Affiliate marketing is one the best ways to make money online. Affiliate marketing benefits all parties involved: the customer who is happy with their purchase, the company just made a new sale, and you've just earned a commission off of that sale. Best part is you don't need to create a product. You don't have to deal with customer service. All you need to do is drive traffic to a site, and make a commission once the customer makes a purchase. This book will teach you: Which merchants would fit best for you and your niche What affiliate networks to avoid that your competitors are running in to prevent overcrowding How to know what your audiences' problems are and solve them How to turn problems in to profits How to research efficiently so you can put out more content How to get more traffic to your blog How to write a review of the product being advertised Why your audience don't convert to customers even if they love your content Trends that are happening and how you can use it to your advantage to stay ahead of the game Becoming a successful affiliate marketer will require lots of initial effort and commitment on your part, but with dedication and the right strategy in place, it's a journey that will lead you to the pot of gold at the end. And that's just it: the people who fail at affiliate marketing fail because they didn't have the right strategy in place, or otherwise didn't have any kind of a strategy at all. The information in this book has taught you exactly how to build the most effective, efficient, and straightforward marketing strategy possible. Don't wait any longer! *The Complete Guide to Affiliate Marketing on the Web* Bruce C. Brown, 2009 Affiliate marketing is a highly profitable online advertising method in which website merchants pay independent third parties to promote the products or services of an advertiser on their Web site. In other words, affiliate marketing involves posting a company's banner on your Web site or blog and attempting to send visitors to their Web site. If someone clicks on that banner or goes to that site and buys something, you will be paid a commission. While some affiliates pay only when a sale is made, some selling big ticket items like cars, credit cards, travel, and so forth have modified the model and pay for qualified leads. Affiliate marketing is now viewed as a key component of a company's online marketing strategy. Affiliate marketing is an advertising technique that originally was developed by Amazon.com. In this new book you will learn how to master the art and science behind affiliate marketing in a matter of hours. By investing a few dollars you can easily increase the number of visitors to your Web site and significantly increase sales. If you want to drive high quality, targeted traffic to your site, there is no better way than affiliate marketing. Since you only pay when a sale is made, your marketing dollars are being used more effectively and efficiently compared to any other advertising method. The keys to success in affiliate marketing are knowing what you are doing, devising a comprehensive and well-crafted advertising plan, and knowing the relationships between your website, search engines, PPC advertising, and campaign methodology. This groundbreaking and exhaustively researched new book will provide everything you need to know to get you started on generating high-volume, high quality leads. You will learn the six steps to a successful campaign: keyword research, software needed, copy editing, setup and implementation, performance analysis, return on investment, and reporting and avoiding PPC fraud. In addition, we spent thousands of hours interviewing hundreds of today's most successful affiliate marketing masters. This book is a compilation of their secrets and proven successful ideas. Additionally, we give you hundreds of tips and tricks to ensure your website is optimized for maximum search engine effectiveness, which will drive business to your Web site and increase sales and profits. You will find actual case studies from companies who have used our techniques and achieved unprecedented success. If you are interested in learning hundreds of hints, tricks, and secrets on how to implement affiliate marketing, optimizing your website for maximum search engine effectiveness, developing a cost-effective marketing campaign, and ultimately earning enormous profits, this book is for you.
