Nearly Famous: Adventures of an After-Dinner Speaker Bob Bevan, 2013-02-01
Firmly established in the world of entertainment, The Cat's route to fame has been through corporate and sporting dinners. He grew up loving sport and persevered despite having only one eye and an almost total absence of natural ability. His reputation as a figure of fun and his readiness to laugh at his own failures have reaped rich rewards. How many of us have played football with Bobby Moore and George Best at Wembley, or played at Lord's, or written a poem teasing the Duke of Edinburgh for never recognising us? In *Nearly Famous*, The Cat writes hilariously of the many famous people he has worked with - everyone from Colin Cowdrey, Bobby Robson and Terry Venables to Eric Clapton, Rod Stewart, Billy Connolly, Eric Morcambe and Brian Johnston - and the highs and lows of that most serious of businesses: making people laugh.

Stellicktricity Gord Stellick, 2011-10-18 From the youngest general manager in NHL history to veteran on-air hockey analyst—Gord Stellick has seen it all, and now tells it all. Few have been given the opportunity to be on both sides of the hockey rink—managing the Leafs and the Rangers and then regaling his legion of TV and radio fans with the colourful insider knowledge he's amassed—about blockbuster trades, NHL stars, and the talent that got away. But Gord Stellick has. In an almost forty-year career, he's one of the best known hockey personalities around. And *Stellicktricity* captures the man, his career as the ultimate hockey insider, and insights and anecdotes on the game he loves so much. Not only is the book crammed with details on hockey greats like Gretzky, Orr, Sakic, and Crosby, his NHL bosses (like Harold Ballard and Punch Imlach), but it also contains an inimitable look at Stellick's colleagues in the media. Destined to become a favourite of hockey fans everywhere, *Stellicktricity* not only covers every corner of the game of hockey but offers the author's unique view of other sports across North America. Stellick is ubiquitous as a host, colour commentator, and analyst on hockey broadcasts and shows of all kinds in TV and radio. The book is loaded with Leafs content and brimming with anecdotes about legendary players, hockey management, and NHL characters (like Bob Goodenow and Wendel Clark). By turns serious and funny, every page of *Stellicktricity* crackles with the wit and wisdom of a born raconteur—and the hard-headed, real world insights of a man who's lived and breathed the game of hockey for the better part of his life.
