Naturally Sweet America's Test Kitchen,2016-08-23 In this timely, unique cookbook, America's Test Kitchen tackles the monumental challenge of creating foolproof, great-tasting baked goods that contain less sugar and rely only on natural alternatives to white sugar. White sugar is one of the most

widely demonized health threats out there, even more than fat, and consumers are increasingly interested in decreasing the amount of sugar they use and also in using less-processed natural sweeteners. But decreasing or changing the sugar in a recipe can have disastrous results: Baked goods turn out dry, dense, and downright inedible. We address these issues head-on with 120 foolproof, great-tasting recipes for cookies, cakes, pies and more that reduce the overall sugar content by at least 30% and rely solely on more natural alternatives to white sugar.

Super Natural Every Day Heidi Swanson, 2011-04-05 HEIDI SWANSON'S approach to cooking whole, natural foods has earned her a global readership. From her Northern California kitchen, she introduced us to a less-processed world of cooking and eating through her award-winning blog, 101 Cookbooks, and in her James Beard Award-nominated cookbook, *Super Natural Cooking*, she taught us how to expand our pantries and integrate nutrient-rich superfoods into our diets. In *Super Natural Every Day*, Heidi helps us make nutritionally packed meals part of our daily repertoire by sharing a sumptuous collection of nearly 100 of her go-to recipes. These are the dishes that Heidi returns to

again and again because they're approachable, good for the body, and just plain delicious. This stylish cookbook is equal parts inspiration and instruction, showing us how to create a welcoming table filled with nourishing food for friends and family. The seductively flavorful vegetarian recipes for breakfast, lunch, dinner, snacks, treats, and drinks are quick to the table but tasty enough to linger over. Grab a Millet Muffin or some flaky Yogurt Biscuits for breakfast on the go, or settle into a lazy Sunday morning with a stack of Multi-grain Pancakes and a steaming cup of Ginger Tea. A bowl of Summer Squash Soup or a couple of Chanterelle Tacos make for a light and healthy lunch, and for dinner, there's Black Sesame Otsu, Pomegranate-Glazed Eggplant with Tempeh, or the aptly named Weeknight Curry. Heidi's Rose Geranium Prosecco is the perfect start to a celebratory meal, and the Buttermilk Cake with fresh plums or Sweet Panzanella will satisfy even the most stubborn sweet tooth. Gorgeously illustrated with over 100 photos that showcase the engaging rhythms of Heidi's culinary life and travels, *Super Natural Every Day* reveals the beauty of uncomplicated food prepared well and reflects a realistic yet gourmet approach to a healthy and sophisticated natural foods lifestyle.

Flipped Wendelin Van Draanen, 2003-05-13 A classic he-said-she-said romantic comedy! This updated anniversary edition offers story-behind-the-story revelations from author Wendelin Van Draanen. The first time she saw him, she flipped. The first time he saw her, he ran. That was the second grade, but not much has changed by the seventh. Juli says: "My Bryce. Still walking around with my first kiss." He says: "It's been six years of strategic avoidance and social discomfort." But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there's maybe more to Juli than meets the eye, she's thinking that he's not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of inspiration, on the making of the movie of *Flipped*, on why she'll never write a sequel, and a selection of the amazing fan mail she's received. Awards and accolades for *Flipped*: SLJ Top 100 Children's

Novels of all time IRA-CBC Children's Choice IRA Teacher's Choice Honor winner, Judy Lopez Memorial Award/WNBA Winner of the California Young Reader Medal "We flipped over this fantastic book, its gutsy girl Juli and its wise, wonderful ending." – The Chicago Tribune "Van Draanen has another winner in this eighth-grade 'he-said, she-said' romance. A fast, funny, egg-cellent winner." – SLJ, Starred review "With a charismatic leading lady kids will flip over, a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts." –Publishers Weekly, Starred review

On Location Sarah Echavarre Smith, 2021-09-21 Nothing like a rocky start between enemy coworkers stuck together on location to prove that love isn't just a ploy for ratings—it's a force of

nature. Alia Dunn has finally gotten her big break. After years of working her way up at TV's top outdoor travel channel, she gets the green light from network executives to bring her dream project to life: produce a series about Utah's national parks. It's a touching tribute to her late apomg, who sparked Alia's passion for travel and the outdoors as a kid. Alia is thrilled—until she meets her newest crew member, Drew Irons. The same Drew she had the most amazing first date with two weeks ago—who then ghosted her. The same Drew who has the most deliciously thick forearms and who loves second-guessing her every move on set in front of the entire crew. It's not long before the tension between them turns hotter than the Utah desert in the dead of summer, and their steamy encounters lead to major feelings. But when the series host goes rogue one too many times, jeopardizing the entire shoot, Alia realizes that she'll need to organize one hell of a coup to save her show—and she'll need Drew's help to do it. It's the riskiest move she's ever made. If she pulls it off, she'll end up with a hit series and her dream guy . . . but if it all goes wrong, she could lose both.

Simmer Down Sarah Echavarre Smith, 2020-10-13 A PopSugar Must-Read for October! In this finger-licking good rom-com, two is the perfect number of cooks in the kitchen. Nikki DiMarco knew life wouldn't be all sunshine and coconuts when she quit her dream job to help her mom serve up mouthwatering Filipino dishes to hungry beach goers, but she didn't expect the Maui food truck scene to be so eat-or-be-eaten—or the competition to be so smoking hot. But Tiva's Filipina Kusina has faced bigger road bumps than the arrival of Callum James. Nikki doesn't care how delectable the British food truck owner is—he rudely set up shop next to her coveted beach parking spot. He's stealing her

customers and fanning the flames of a public feud that makes her see sparks. The solution? Let the upcoming Maui Food Festival decide their fate. Winner keeps the spot. Loser pounds sand. But the longer their rivalry simmers, the more Nikki starts to see a different side of Callum...a sweet, protective side. Is she brave enough to call a truce? Or will trusting Callum with her heart mean jumping from the frying pan into the fire?

Good and Cheap Leanne Brown, 2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour

tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.
