**Start with Why** Simon Sinek,2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. *START WITH WHY* asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. *START WITH WHY* shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Money, A Love Story Kate Northrup,2013-09-10 Having a good relationship with money is tough—whether you have millions in the bank or just a few bucks to your name. Why? Because just like any other relationship, your life with money has its ups and downs, its twists and turns, its breakups and makeups. And just like other relationships, living happily with money really comes down to love—which is why love is the basis of money maven Kate Northrup's book. After taking the Money Love Quiz to see where on the spectrum your relationship with money stands—somewhere between on the outs and it's true love!—Northrup takes you on a rollicking ride to a better understanding of yourself and your money. Step-by-step exercises that address both the emotional and practical aspects of your financial life help you figure out your personal perceptions of money and wealth and how to change them for the better. You'll learn about thought patterns that may be holding you back from earning what you're worth or saving what you can. You'll learn how to chart your current financial life and create a plan to get you to where you want to be—whether that's earning enough to live in a penthouse in Manhattan or a cabin in the Rockies. Using client stories and her own saga of moving from \$20,000 of debt to complete financial freedom by the age of 28, Northrup acts as a guide in your quest for personal financial freedom. She'll teach you how to shift your beliefs about money, create a budget, spend in line with your values, get out of debt, and so much more. In short, she'll teach you to love your money, so you can love your life.

**Principles** Ray Dalio,2018-08-07 #1 New York Times Bestseller “Significant...The book is both instructive and surprisingly moving.” —The New York Times Ray Dalio, one of the world's most successful investors and entrepreneurs, shares the unconventional principles that he's developed, refined, and used over the past forty years to create unique results in both life and business—and which any person or organization can adopt to help achieve their goals. In 1975, Ray Dalio founded an investment firm, Bridgewater Associates, out of his two-bedroom apartment in New York City. Forty years later, Bridgewater has made more money for its clients than any other hedge fund in history and grown into the fifth most important private company in the United States, according to *Fortune* magazine. Dalio himself has been named to *Time* magazine's list of the 100 most influential people in the world. Along the way, Dalio discovered a set of unique principles that have led to Bridgewater's exceptionally effective culture, which he describes as “an idea meritocracy that strives to achieve meaningful work and meaningful relationships through radical transparency.” It is these principles, and not anything special about Dalio—who grew up an ordinary kid in a middle-class Long Island neighborhood—that he believes are the reason behind his success. In *Principles*, Dalio shares what he's learned over the course of his remarkable career. He argues that life, management, economics, and investing can all be systemized into rules and understood like machines. The book's hundreds of practical lessons, which are built around his cornerstones of “radical truth” and “radical transparency,” include Dalio laying out the most effective ways for individuals and organizations to make decisions, approach challenges, and build strong teams. He also describes the innovative tools the firm uses to bring an idea meritocracy to life, such as creating “baseball cards” for all employees that distill their strengths and weaknesses, and employing computerized decision-making systems to make believability-weighted decisions. While the book brims with novel ideas for organizations and institutions, *Principles* also offers a clear, straightforward approach to decision-making that Dalio believes anyone can apply, no matter what they're seeking to achieve. Here, from a man who has been called both “the Steve Jobs of investing” and “the philosopher king of the financial universe” (*CIO* magazine), is a rare opportunity to gain proven advice unlike anything you'll find in the conventional business press.

**Cancer-Free with Food** Liana Werner Gray,2019-04-23 The best-selling author of *The Earth Diet* offers a simple yet comprehensive guide to nutrition for those who have been diagnosed with cancer. With a

foreword by Mark Hyman, M.D. If you want to fight cancer, what should you eat? Food is medicine. By now, this important message has made its way from holistic circles to the mainstream. To ward off cancer and decrease its risk, meals specially formulated to nourish, soothe, and fortify can be an important part of treatment. But what foods work best? That remains frustratingly elusive and time-consuming to research. Happily, author Liana Werner-Gray--known for her best-selling books including The Earth Diet and 10-Minute Recipes--has done the research for you. Within these pages she has gathered the best foods for various types of cancer, along with 195 simple and tested recipes created to boost your immune system and promote healing. Designed to work on their own or in conjunction with other therapies, these healthy and appealing meals can also be tailored for a gluten-free, keto, vegan, and paleo diet. \* For skin cancers, try Walnut Meatballs (page 210) \* For lung cancer, try Cauliflower Popcorn (page 223) \* For breast cancers, try an Orange Arugula Avocado Sesame Seed Salad (page 249) \* For prostate cancer, try Vanilla Pudding (page 335) \* For liver cancer, try Bentonite Clay Drink (page 193) An extraordinarily relevant book . . . Cancer-Free with Food is medicine for the 21st century. -- Mark Hyman, M.D., director, Cleveland Clinic Center for Functional Medicine. In Cancer-Free with Food, Liana shows how to turn your kitchen into a pharmacy so that you can take care of your health at the most fundamental and important level. -- Ty M. **The Earth Diet** Liana Werner-Gray,2014-10-28 The ultimate guide book to assist people in transforming their health through a natural lifestyle. Beauty queen Miss Earth Australia Liana Werner-Gray got a wake-up call at the age of 21, when she was diagnosed with a precancerous tumor in her throat. Realizing that health issues were holding her back, including in her entertainment career, she decided to change her lifestyle. Through juicing and using the whole-food recipes shared in this book, Liana healed herself in only three months. This success inspired Liana to create the Earth Diet and make information on the incredible power of plant-based and natural food available to others. She has since used her recipes to help thousands of people with cancer, diabetes, acne, addictions, obesity, and more. When you get the essential vitamins, minerals, and micronutrients your body needs, you can't help but feel better. In this book, you'll find more than 100 nutrient-dense, gluten-free recipes that provide proper nutrition, tips for shifting out of toxic habits, and lifestyle recipes for household and personal-care products to help you heal in all areas of your life. The Earth Diet is inclusive, with recipes for every person, ranging from raw vegans to meat eaters to those following a gluten-free diet. It also features specific guidelines for weight loss, boosting the immune system, increasing your energy, juice cleansing, and more. If you're looking for great-tasting recipes to help you live your healthiest life ever, then this book is for you.

Do Less Kate Northrup,2019-04-02 A practical and spiritual guide for working moms to learn how to have more by doing less. This is a book for working women and mothers who are ready to release the culturally inherited belief that their worth is equal to their productivity, and instead create a personal and professional life that's based on presence, meaning, and joy. As opposed to focusing on fitting it all in, time management, and leaning in, as so many books geared at ambitious women do, this book embraces the notion that through doing less women can have--and be--more. The addiction to busyness and the obsession with always trying to do more leads women, especially working mothers, to feel like they're always failing their families, their careers, their spouses, and themselves. This book will give women the permission and tools to change the way they approach their lives and allow them to embrace living in tune with the cyclical nature of the feminine, cutting out the extraneous busyness from their lives so they have more satisfaction and joy, and letting themselves be more often instead of doing all the time. Do Less offers the reader a series of 14 experiments to try to see what would happen if she did less in one specific way. So, rather than approaching doing less as an entire life overhaul (which is overwhelming in and of itself), this book gives the reader bite-sized steps to try incorporating over 2 weeks!
