Clifford Lane

The Air National Guard ,1993

Air National Guard at 60 Susan Rosenfeld, Charles Joseph Gross, 2007 The Air National Guard's role within the Air Force has matured and changed enormously since its establishment as a separate reserve component September 18, 1947. Air National Guard members have served around the world and their military experience and civilian skills have proven invaluable as our nation prosecuted conflicts in Korea, Vietnam, the Persian Gulf, Kosovo, Afghanistan, and Iraq. They also served during several major contingencies including the Cuban Missile Crisis and the Berlin Crisis if 1961 and 1962. In addition, Air Guard members made major contributions in a host of other operations in Panama, the Balkans, Somalia, Rwanda, Haiti, and the Iraq no-fly zones instituted after Operation Desert Storm. In the United States, the Hurricane Katrina relief efforts brought into sharp focus the Air Guard's well-established role as America's hometown Air Force. The Air National Guard flew over 3,000 sorties, moved over 30,000 passengers, and hauled over 11,000 tons of desperately needed supplies into Gulf Coast airfields, some of which Guard personnel opened and operated. Air National Guard members rescued 1,443 people--heroically saving people stranded by the flood. At eight sites along the Gulf Coast, Air National Guard medical units treated more than 15,000 patients, combining expert medical care with compassion.

The Air National Guard and the American Military

Tradition Charles Joseph Gross,1995 Recounts the Air National Guard's service and heritage as part of the nation's military forces. Traces the militia tradition and connects this story with the rising influence of air power. Outlines the Air National Guard's three primary missions: to reinforce active duty forces in wartime; to assist State governments responding to natural disasters and public emergencies; and to provide various community service functions.
