The Perfect Wrong Note William Westney,2006-06-01 (Amadeus). In this groundbreaking book, prize-winning pianist and noted educator William Westney helps readers discover their own path to the natural, transcendent fulfillment of making music. Drawing on experience, psychological insight, and wisdom ancient and modern, Westney shows how to trust yourself and set your own musicality free. He offers healthy alternatives for lifelong learning and suggests significant change in the way music is taught. For example, playing a wrong note can be constructive, useful, even enlightening. The creator of the acclaimed Un-Master Class workshop also explores the special potential of group work, outlining the basics of his revelatory workshop that has transformed the music experience for participants the world over. Practicing, in Westney's view, is a lively, honest, adventurous, and spiritually rewarding enterprise, and it can (and should) meet with daily success, which empowers us to grow even more. Teachers, professionals, and students of any instrument will benefit from this unique guide, which brings artistic vitality, freedom, and confidence within everyone's reach.

The Great and the Good John Giles,2012-10-18 In The Great and the Good, Ireland's leading football pundit and legend of the game John Giles looks back on more than fifty years of football, at developments in the game from the post-War period to the present day, the great players who drove it forward, the visionary managers and their teams, and the age-old question of what makes a player good and what makes one great. From his earliest days, John Giles can recall pondering the subject. 'You'd hear about certain 'great' players, such as Stanley Matthews, but no one would ever explain why they were great. And it's a thing that has always frustrated me: trying to define what makes a player great, and what separates the great from the good.' Now the man himself brings us the answers and celebrates the great ones, from Stanley Matthews, Tom Finney, Dave Mackay, John Charles, Johnny Haynes and Jimmy Greaves to Pele, Franz Beckenbauer, John Robertson, Diego Maradona, Marco van Basten, Lionel Messi, Paul Scholes and many more. It will include a section on Irish players including detailed analysis of such greats as Roy Keane, Liam Brady and Paul McGrath. And, finally, Giles names the player he considers the greatest of them all.

Reelin' in the Years Mark Radcliffe,2011-08-09 *Includes iTunes Festival: Studio Session with Mark Radcliffe discussing his new book, Reelin' In the Years, with Edith Bowman. Mark read four chapters from the book, and talked about his life in music. When Mark Radcliffe was born in the late 1950s, Britain was trying to find its own version of the dangerously sexy Elvis ... we gave the world Cliff Richard but by the time Mark was old enough to recognise pop songs on the radio, the UK was exploding into the world's most exciting place to be for a young music fan. In this, his eagerly awaited new book, Mark Radcliffe takes a record from each year of his life, using the song as a starting point from which to reach out and pull together a wonderfully entertaining catalogue of memories and asides about British culture. And, as one would expect from this unique and popular broadcaster, the tunes he lists are not the usual suspects. From The Kinks' 'See My Friends', through Slade's 'Coz I Luv You' to Kraftwerk's 'Europe Endless' and Joy Division's 'Atmosphere', Mark's selections bring forth a diverse collision of styles from eras uniquely defined by their musical genres and fashions. Bringing his choices right up to the present day, we see the inclusion of artists such as Richard Hawley, Elbow and Fleet Foxes. Mark's hugely entertaining and affectionate trawl through his favourite music of the past 50 years is guaranteed to surprise and delight his many fans.
