My Wonderful World Of Slapstick Buster Keaton, Charles Samuels, 2015-11-06 Over half century ago the society for the Prevention of Cruelty to Children complained to Mayor Van Wyck, of New York, that Joe Keaton, a vaudeville actor, was brutally mistreating his five-year old son. At each afternoon and evening performance the child, billed as “The Human Mop”, was slammed on the floor, hurled into the wings, and sometimes banged into bass drums. Unable to find a bruise or scratch on the lad, Mayor Van Wyck refused to ban the act. The “Human Mop” bounced on to worldwide fame as Buster Keaton, one of this century’s greatest comedians. In this intimate autobiography Buster Keaton tells his whole personal and professional story, beginning with his colourful and exciting childhood as the undentable tot in the “Three Keatons” whose proudest boast was having the rowdiest, roughest act in vaudeville. Buster has played with all the great ones, from George M. Cohen and Bojangles Robinson and Al Jolson to Jack Paar and Ed Sullivan and Red Skelton, during his sixty years as a star in vaudeville, silent and talking pictures, night clubs and television. Roscoe (Fatty) Arbuckle got him into the movies and taught him how to throw a custard pie. Buster could not even keep slapstick out of his eleven months as a draftee in our World War I army. He came out to help create the Golden Age of Comedy with his friends Charlie Chaplin, Harold Lloyd, Arbuckle, Mack Sennett and the Keystone Cops. Marital troubles and alcoholism once got Buster down, but could not keep him down. MY WONDERFUL WORLD OF SLAPSTICK was written with the collaboration of Charles Samuels, co-author of *His Eye Is On the Sparrow*, Ethel Waters’ best-selling autobiography. Buster Keaton’s Life Story will enchant and thrill all those who enjoy looking past the glitter and the grease paint into a magnificent performer’s mind and heart.

Reclaiming Fair Use Patricia Aufderheide,Peter Jaszi,2018-04-27 In the increasingly complex and combative arena of copyright in the digital age, record companies sue college students over peer-to-peer music sharing, YouTube removes home movies because of a song playing in the background, and filmmakers are denied a distribution deal when a permissions i proves undottable. Analyzing the dampening effect that copyright law can have on scholarship and creativity, Patricia Aufderheide and Peter Jaszi urge us to embrace in response a principle embedded in copyright law itself—fair use. Originally published in 2011, Reclaiming Fair Use challenged the widely held notion that copyright law is obsolete in an age of digital technologies. Beginning with a survey of the contemporary landscape of copyright law, Aufderheide and Jaszi drew on their years of experience advising documentary filmmakers, English teachers, performing arts scholars, and other creative professionals to lay out in detail how the principles of fair-use can be employed to avoid copyright violation. Taking stock of the vibrant remix culture that has only burgeoned since the book's original publication, this new edition addresses the expanded reach of fair use—tracking the Twitter hashtag #WTFU (where's the fair use?), the maturing of the transformativeness measure in legal disputes, the ongoing fight against automatic detection software, and the progress and delays of digitization initiatives around the country. Full of no-nonsense advice and practical examples, Reclaiming Fair Use remains essential reading for anyone interested in law, creativity, and the ever-broadening realm of new media.
