Portable Pilates Alycea Ungaro, 2000-12 Book & CD. Pilates is probably the most sophisticated and sought after form of exercise today. Since the 1920's it has been used to strengthen and stretch the bodies of professional dancers and athletes alike. Now, after 75 years, Pilates has become mainstream, finding its way into people's homes through dozens of how-to books and videos. Yet, these instructional materials are incomplete. This CD provides the missing ingredient. It allows you to take an actual mat class under the direction and motivating voice of an experienced instructor with no equipment, no pages to turn and no TV required. Portable Pilates is a 45-minute mat class as taught at Alycea Ungaro's Real Pilates in New York City. Owner and certified instructor Ungaro conducts the class in clear, easy-to-follow instructions. Original music and creative sound effects provide the student with the necessary cues, tempo, and dynamic for each exercise. This item is intended for those with prior Pilates experience.

Model Rules of Professional Conduct American Bar Association. House of Delegates, Center for Professional Responsibility (American Bar Association), 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

CCNA Portable Command Guide Scott Empson, 2005 All the CCNA-Level commands in one compact, portable resource.

ISIE ... ,1997

The King of Novelty Jon Goodman,2000-08-10 The King of Novelty is Jon Goodmans revisionist epic for posterity of his father, legendary novelty record producer and music sampling pioneer Dickie Goodman, a man contending with internal conflict and familial obligations while entertaining the world; foreword by Dr. Demento, and epigraph from Weird Al Yankovic. Chuck Miller, Goldmine. Visit The Official Dickie Goodman Web Site: www.dickiegoodman.com/ At www.dickiegoodman.com you can also get signed by his original record label to publish your own music or almost any other type of audio recording as well as music video all over the world! Special Bulletin: Pick your favorite online music download store and do a search under the Artist category for Dickie Goodman; he is there on all of them; here is one popular site listed: www.itunes.com/dickiegoodman Its a great way to get any one of your favorite Dickie Goodman recordings, or all of them! Plus Ringtones and an App! Amazon.com is a great place to get all the digital release albums on CD with the CD on demand feature! You can email the Dickie Goodman fan club at: dickiegoodman@comcast.net NOW! Larson Lane Entertainment has announced the option for movie rights to The King of Novelty Dickie Goodman! THE GUINNESS BOOK OF WORLD RECORDS certified Dickie Goodman for the most charted novelty/comedy records! (17) And they used this book in their research! Varese Sarabande released a CD dedicated to Dickie Goodman. And it has liner notes by Jon Goodman! The title is 25 All Time Novelty Hits and you can get it in stores or go right to the Varese Sarabande web site. For the first time ever, a Dickie Goodman record is on a GRAMMY winning CD! RHINOs, BRAIN IN A BOX-The Science Fiction Collection was nominated for a GRAMMY at the 44th annual GRAMMY Awards; and it won. This fabulous CD box set contains Dickie Goodmans original hit record from 1956, THE FLYING SAUCER (parts 1 and 2).The reasons for this achievement being so significant cannot be emphasized enough... in 1956 there was no NARAS, hence no GRAMMY for Dickie Goodman. Nearly twenty years later (1975) when Dickie Goodmans MR. JAWS went gold, there was no qualifying category, hence once again no GRAMMY for Dickie Goodman. Yet now, decades later, this international icon of American creativity took a ride on a RHINOs back and for the first time ever got his foot in the back door of the prestigious GRAMMY Awards. The folks at NARAS have also awarded Dickie Goodman with a posthumous GRAMMY Award certification! Profound, is the only word to describe THE KING OF NOVELTY, because the manuscript is symbolic of the life it represents. Not just a biography, but a metaphor. The King of Novelty is about a famous record producer whose esoteric comedy created more than a genre; Dickie Goodman created an entire subculture. Dickie Goodman, THE KING OF NOVELTY, invented the break-in record; a comedy recording that used samples of previously published hit songs to satirize and make parody of current events. In other words Dickie Goodman began what is now known as mixing and sampling by summarizing an era in two hysterical minutes. Today, sampling is the music industrys largest source of reinvention, and Dickie Goodmans novelty/comedy records started it all. THE KING OF NOVELTY describes the impact these eclectic records had on shaping American pop culture. Dickie Goodman is listed by Billboard as the #1 novelty/comedy recording artist of all time. Over four decades he sold millions of copies of a multitude of charted hits worldwide. To this day Dickie Goodman sells over 100,000 tracks a year in the US alone! THE KING OF NOVELTY is the biography of Dickie Goodman.

American Law Reports ,2002

Fading Ads of New York City Frank Jump,2011-11-21 New York City is eternally evolving. From its iconic skyline to its side alleys, the new is perpetually being built on the debris of the past. But a movement to preserve the city's vanishing landscapes has emerged. For nearly twenty years, Frank Jump has been documenting the fading ads that are visible, but less often seen, all over New York. Disappearing from the sides of buildings or hidden by new construction, these signs are remnants of lost eras of New York's life. They weave together the city's unique history, culture, environment and society and tell the stories of the businesses, places and people whose lives transpired among them — the story of New York itself. This photo-documentary is also a study of time and space, of mortality and living, as Jump's campaign to capture the ads mirrors his own struggle with HIV. Experience the ads — shot with vintage Kodachrome film — and the meaning they carry through acclaimed photographer and urban documentarian Frank Jump's lens.
