*The Kind Diet* Alicia Silverstone,2011-03-15 Addresses the nutritional concerns faced by many who are new to plant-based, vegetarian diets and shows how to cover every nutritional base, from protein to calcium and beyond. Features irresistibly delicious food that satisfies on every level -- including amazing desserts to keep the most stubborn sweet tooth happy.

*The Kind Mama* Alicia Silverstone,2014-04-15 The bestselling author of *The Kind Diet* offers practical solutions for a healthier, more vibrant approach to new motherhood When did making babies get to be so hard? Infertility is on the rise globally, affecting as many as one in six couples. But instead of looking at diet and lifestyle as key factors, doctors are racing to pump their patients full of expensive and invasive fertility treatments. Once pregnant, women just accept that carrying a baby will be the gassy, swollen, irritable, sleepless nightmare that has become the new normal. Once their babies are born, they assume it will be just as challenging—from breastfeeding woes to screaming fits and constant trips to the doctor. It doesn't have to be that way. In *The Kind Mama*, Alicia Silverstone shows that if we kick nasty foods that fight our bodies and replace them with nutrient-rocking "clean" foods that heal and nourish, we can create a more positive baby-making experience, from conception through the third trimester (and beyond). By encouraging basic diet and lifestyle modifications and drawing on wisdom from medical experts, friends, and her own experience, Silverstone has created a one-stop guide that empowers women to take charge of their fertility and pregnancy, and helps them to embark on a healthier, more vibrant path to parenthood.

**Christina Cooks** Christina Pirello,2004-01-06 Public television cooking show host Christina Pirello is the woman who put the fun back into healthy cooking. In *Christina Cooks* she's responded to the hundreds of questions that her viewers and readers have put to her over the years—with lots of sound, sane advice, hints, tips and techniques—plus loads of great recipes for scrumptious, healthy meals with a Mediterranean flair. A whole foods cookbook, *Christina Cooks* offers inventive ideas for breakfast, special occasions, and what to feed the kids. Chapters include Soups, Breakfast, Kids' Favorites, Beans, Grains, Vegetables, Beverages, and Desserts—Christina addresses popular myths about dairy and protein amongst other often misunderstood ideas about healthful eating.

As If! Jen Chaney,2015-07-07 Will we ever get tired of *Clueless*? Ugh, as if! Acclaimed pop culture journalist Jen Chaney celebrates the twentieth anniversary of the classic film's release in the first book of its kind, weaving together original interviews with writer and director Amy Heckerling; key cast members, including Alicia Silverstone (Cher), Paul Rudd (Josh), Stacey Dash (Dionne), Donald Faison (Murray), Elisa Donovan (Amber), Wallace Shawn (Mr. Hall), Twink Caplan (Ms. Geist and associate producer); and other crucial *Clueless* players like costume designer Mona May, casting director Marcia Ross, director of photography Bill Pope, former Paramount chairwoman Sherry Lansing, and many more. Cast and crew also pay heartfelt tribute to the late Brittany Murphy, who lit up the screen as Cher's protégée, Tai. Chaney explores the influence of Jane Austen's *Emma* as the unlikely framework for Heckerling's script, the rigorous casting process (including the future stars who didn't make the cut), the functional yet fashion-forward wardrobe, the unique slang that drew from the past and coined new phrases for the future, the sun-drenched soundtrack that set the tone, and—above all—the massive amount of work, creativity, and craft that went into making *Clueless* look so effortlessly bright and glossy. *As If!* illuminates why plaid skirts and knee socks will never go out of style, and why *Clueless* remains one of the most beloved comedies of all time.

**Perforated Heart** Eric Bogosian,2009-05-05 Almost forty years after moving to Manhattan, author Richard Morris has achieved if not stratospheric renown then at least the accomplished career and caliber of fame that he envisioned for himself as a younger man. Now financially comfortable and artistically embittered, Richard is at his home upstate recuperating from heart surgery and nursing resentment toward his publisher and his reading public who have found new, more exciting writers and left his star to wane. In his attic, Richard comes across a stack of notebooks, the journals he

began keeping when he arrived in New York in the late '70s. He is alternately fascinated and repelled by the young man he meets in these pages: hilariously naïve and egotistically misguided, the younger Richard compulsively absorbs everything around him from art and creativity to sex and drugs. As he reads more about himself, written by himself, Richard discovers that the pivotal moments of self-invention -- and self-realization -- occur far outside the conventional chronology of a lifetime. *Perforated Heart* explores two wholly different characters -- a young, ambitious artist and his older self, jaded by both success and failure -- and creates an unforgettable portrait of the two men who inhabit the one individual. By turns meditative, deftly observant, and scathingly analytical, Eric Bogosian re-creates the landscape and atmosphere of 1970s New York City with fresh, vivid imagery and reveals a powerful commentary on the dynamic between creativity and commerce in the artistic world. *Perforated Heart* is his most rewarding and penetrating novel yet, with prose that reflects an equally astonishing range of experience and emotion.

**Glamorama** Bret Easton Ellis,2010-06-09 The New York Times bestselling author of *American Psycho* and *Less Than Zero* delivers a gripping and brilliant dissection of our celebrity obsessed culture. • “Arguably the novel of the 1990’s...Should establish Ellis as the most ambitious and fearless writer of his generation...a must read.” —The Seattle Times Set in 90s Manhattan, Victor Ward, a model with perfect abs and all the right friends, is seen and photographed everywhere, even in places he hasn't been and with people he doesn't know. He's living with one beautiful model and having an affair with another on the eve of opening the trendiest nightclub in New York City history. And now it's time to move to the next stage. But the future he gets is not the one he had in mind. With the same deft satire and savage wit he has brought to his other fiction, Bret Ellis gets beyond the facade and introduces us, unsparingly, to what we always feared was behind it. *Glamorama* shows us a shadowy looking-glass reality, the juncture where fame and fashion and terror and mayhem meet and then begin to resemble the familiar surface of our lives. Look for Bret Easton Ellis's new novel, *The Shards!*

**Disney Manga: Beauty and the Beast -- Belle's Tale (Full-Color Edition)** Mallory Reaves,2021-11-09 Now in full color! In Disney's live-action film *Beauty and the Beast*, Belle, a bright, beautiful, and independent young woman, is taken prisoner by a beast in his castle. Despite her fears, she befriends the castle's enchanted staff and learns to look beyond the Beast's hideous exterior and realize the kind heart and soul of the true Prince inside. This manga explores Belle's innermost thoughts as she learns that true beauty comes from within.

*Web of Lies* Jennifer Estep,2010-05-05 From the New York Times–bestselling author of *Spider’s Bite* comes a sequel that’s “just as hard-edged and compelling as the first” (Romantic Times). Curiosity is definitely going to get me dead one of these days. Probably real soon. I’m Gin Blanco. You might know me as the Spider, the most feared assassin in the South. I’m retired now, but trouble still has a way of finding me. Like the other day when two punks tried to rob my popular barbecue joint, the Pork Pit. Then there was the barrage of gunfire on the restaurant. Only, for once, those kill shots weren’t aimed at me. They were meant for Violet Fox. Ever since I agreed to help Violet and her grandfather protect their property from an evil coal-mining tycoon, I’m beginning to wonder if I’m really retired. So is Detective Donovan Caine. The only honest cop in Ashland is having a real hard time reconciling his attraction to me with his Boy Scout mentality. And I can barely keep my hands off his sexy body. What can I say? I’m a Stone elemental with a little Ice magic thrown in, but my heart isn’t made of solid rock. Luckily, Gin Blanco always gets her man . . . dead or alive. “A fantastic sequel in every respect . . . This second installment is even more steamy, suspenseful, and full of mystery and adventure. Packed with pulse-pounding action and suspense, this urban fantasy truly delivers.” —SciFiChick.com

**Why It's OK to Love Bad Movies** Matthew Strohl,2022-01-06 Most people are too busy to keep up with all the good movies they’d like to see, so why should anyone spend their precious time watching the bad ones? In *Why It’s OK to Love Bad Movies*, philosopher and cinematic bottom feeder Matthew Strohl enthusiastically defends a fondness for disreputable films. Combining philosophy of art with film criticism, Strohl flips conventional notions of

good and bad on their heads and makes the case that the ultimate value of a work of art lies in what it can add to our lives. By this measure, some of the worst movies ever made are also among the best. Through detailed discussions of films such as *Troll 2*, *The Room*, *Batman & Robin*, *Twilight*, *Ninja III: The Domination*, and a significant portion of Nicolas Cage's filmography, Strohl argues that so-called bad movies are the ones that break the rules of the art form without the aura of artistic seriousness that surrounds the avant-garde. These movies may not win any awards, but they offer rich opportunities for creative engagement and enable the formation of lively fan communities, and they can be a key ingredient in a fulfilling aesthetic life. Key Features: Written in a humorous, approachable style, appealing to readers with no background in philosophy. Elaborates the rewards of loving bad movies, such as forming unlikely social bonds and developing refinement without narrowness. Discusses a wide range of beloved bad movies, including *Plan 9 from Outer Space*, *The Core*, *Battlefield Earth*, and *Freddy Got Fingered*. Contains the most extensive discussion of Nicolas Cage ever included in a philosophy book.

**The Global Smartphone** Daniel Miller ,Laila Abed Rabho ,Patrick Awondo , Maya de Vries,Marília Duque,Pauline Garvey, Laura Haapio-Kirk,Charlotte Hawkins,Alfonso Otaegui ,Shireen Walton,Xinyuan Wang, 2021-05-06 The smartphone is often literally right in front of our nose, so you would think we would know what it is. But do we? To find out, 11 anthropologists each spent 16 months living in communities in Africa, Asia, Europe and South America, focusing on the take up of smartphones by older people. Their research reveals that smartphones are technology for everyone, not just for the young. The *Global Smartphone* presents a series of original perspectives deriving from this global and comparative research project. Smartphones have become as much a place within which we live as a device we use to provide 'perpetual opportunism', as they are always with us. The authors show how the smartphone is more than an 'app device' and explore differences between what people say about smartphones and how they use them. The smartphone is unprecedented in the degree to which we can transform it. As a result, it quickly assimilates personal values. In order to comprehend it, we must take into consideration a range of national and cultural nuances, such as visual communication in China and Japan, mobile money in Cameroon and Uganda, and access to health information in Chile and Ireland - all alongside diverse trajectories of ageing in Al Quds, Brazil and Italy. Only then can we know what a smartphone is and understand its consequences for people's lives around the world.

**Puppet Master Complete** Nat Brehmer,2021-09-17 This book is a comprehensive history of the most successful straight-to-video horror franchise of all time: Puppet Master. It provides an in-depth exploration of all 14 films to date--including a made-for-TV crossover and a theatrical reboot--and the action figures, comics, and other merchandise that have helped to keep the brand alive for the past 30 years. Puppet Master was the first film for independent producer extraordinaire Charles Band's Full Moon Entertainment, launching a franchise and a micro-budget studio that have both continued to this day. What led to the film's success? How did a little movie about killer puppets, designed to cater to the then-booming video market, wind up surviving video stores themselves? How did a series that had never even had a theatrical entry wind up with an unusually successful toy series? All of these questions are answered within these pages. Featuring new interviews with some of the biggest creative minds behind the franchise, as well as dozens of behind-the-scenes photos, this book is the ultimate guide to horror's most murderous marionettes.
