Dev Deshpande has always believed in fairy tales. So it's no wonder then that he's spent his career crafting them on the long-running reality dating show Ever After. As the most successful producer in the franchise's history, Dev always scripts the perfect love story for his contestants, even as his own love life crashes and burns. But then the show casts disgraced tech wunderkind Charlie Winshaw as its star. Charlie is far from the romantic Prince Charming Ever After expects. He doesn't believe in true love, and only agreed to the show as a last-ditch effort to rehabilitate his image. In front of the cameras, he's a stiff, anxious mess with no idea how to date twenty women on national television. Behind the scenes, he's cold, awkward, and emotionally closed-off. As Dev fights to get Charlie to connect with the contestants on a whirlwind, worldwide tour, they begin to open up to each other, and Charlie realizes he has better chemistry with Dev than with any of his female co-stars. But even reality TV has a script, and in order to find to happily ever after, they'll have to reconsider whose love story gets told.

One year ago, recent Portland transplant Ellie Oliver had her dream job in animation and a Christmas Eve meet-cute with a woman at a bookstore that led her to fall in love over the course of a single night. But after a betrayal the next morning and the loss of her job soon after, she finds herself adrift, alone, and desperate for money. Finding work at a local coffee shop, she's just getting through the days—until Andrew, the shop's landlord, proposes a shocking, drunken plan: a marriage of convenience that will give him his recent inheritance and alleviate Ellie's financial woes and isolation. They make a plan to spend the holidays together at his family cabin to keep up the ruse. But when Andrew introduces his new fiancée to his sister, Ellie is shocked to discover it's Jack—the mysterious woman she fell for over the course of one magical Christmas Eve the year before. Now, Ellie must choose between the safety of a fake relationship and the risk of something real. ### **I Have Life: Alison's Journey as told to Marianne Thamm**

Marianne Thamm,2016-06-01 The triumphant story of a woman who refused to become a victim. Like an apparition, conjured out of the darkness, a young man with light blond hair pushed his face into the car. I immediately spotted the knife. It was a long, thin weapon, almost like a letter opener, with a tapering blade. It felt cold and spiny as he pressed it to my neck. When he spoke his voice, which was quiet and controlled, sounded as though it emanated from a distant planet. But every word thudded into my skull. "Move over or I'll kill you," he whispered. And so began Alison's nightmare journey with the two callous killers who were to rape her, stab her so many times doctors could not count the

wounds, slit her throat and leave her for dead in a filthy clearing miles from the city of Port Elizabeth which was her home. But Alison defied death. And more than that, she denied her attackers the satisfaction of destroying her life. *I Have Life* is the triumphant story of a woman who refused to become a victim. The courage which allowed her to move beyond severe physical and emotional trauma and to turn a devastating experience into something life-affirming and strong, is an inspiration to people everywhere.

**Alison's Automotive Repair Manual** Brad

Barkley, 2004-02-11 A widow in her mid-thirties, Alison has been mourning for two years. Now living in small town West Virginia with her sister Sarah and brother-in-law Bill, Alison is unable to move on with her life. Finally, she promises Sarah and Bill that she will start over---once she restores the abandoned, nearly ruined 1976 Corvette she found rusting in the garage and immediately loved. Unfortunately, Alison doesn't know the first thing about cars, and the fact that the townspeople (with the exception of a cute demolition man) find a woman messing with automotive parts bewildering doesn't help. With beautiful frankness and surprising hilarity, Brad Barkley tells of a gutsy woman's attempts to overcome loss, and fit into a close-knit community, in a triumphant look at grief, love, loss, and moving on.

**Fun Home** Alison Bechdel, 2007 A fresh and brilliantly told memoir from a cult favorite comic artist, marked by gothic twists, a family funeral home, sexual angst, and great books. This breakout book by Alison Bechdel is a darkly funny family tale,

pitch-perfectly illustrated with Bechdel's sweetly gothic drawings. Like Marjane Satrapi's *Persepolis*, it's a story exhilaratingly suited to graphic memoir form. Meet Alison's father, a historic preservation expert and obsessive restorer of the family's Victorian home, a third-generation funeral home director, a high school English teacher, an icily distant parent, and a closeted homosexual who, as it turns out, is involved with his male students and a family babysitter. Through narrative that is alternately heartbreaking and fiercely funny, we are drawn into a daughter's complex yearning for her father. And yet, apart from assigned stints dusting caskets at the family-owned fun home, as Alison and her brothers call it, the relationship achieves its most intimate expression through the shared code of books. When Alison comes out as homosexual herself in late adolescence, the denouement is swift, graphic -- and redemptive.

*The Alice B. Toklas Cook Book* Alice B. Toklas, 2021-05-18 "I'm drenched in cream, marinated in wine, basted in cognac, and thoroughly buttered by the end of *The Alice B. Toklas Cook Book*." —Eula Biss, New York Times bestselling author of *Having and Being Had* A beautiful new edition of the classic culinary memoir by Alice B. Toklas, Gertrude Stein's romantic partner, with a new introduction by beloved culinary voice Ruth Reichl. Restaurant kitchens have long been dominated by men, but, as of late, there has been an explosion of interest in the many women chefs who are revolutionizing the culinary game. And, alongside that interest, an accompanying appetite for smart, well-crafted culinary memoirs by female trailblazers in food. Nearly 70 years earlier, there was Alice. When Alice B. Toklas was asked to write a memoir, she initially refused. Instead, she wrote *The Alice B. Toklas Cook Book*, a sharply written, deliciously rich cookbook memorializing meals and recipes shared by Hemingway, Fitzgerald, Wilder, Matisse, and Picasso—and of course by Alice and Gertrude themselves. While *The Autobiography of Alice B. Toklas*—penned by Gertrude Stein—adds vivid detail to Alice's life,

this cookbook paints a richer, more joyous depiction: a celebration of a lifetime in pursuit of culinary delights. In this cookbook, Alice supplies recipes inspired by her travels, accompanied by amusing tales of her and Gertrude's lives together. In "Murder in the Kitchen," Alice describes the first carp she killed, after which she immediately lit up a cigarette and waited for the police to come and haul her away; in "Dishes for Artists," she describes her hunt for the perfect recipe to fit Picasso's peculiar diet; and, of course, in "Recipes from Friends," she provides the recipe for "Haschich Fudge," which she notes may often be accompanied by "ecstatic reveries and extensions of one's personality on several simultaneous planes." With a heartwarming introduction from Gourmet's famed Editor-in-Chief Ruth Reichl, this much-loved, culinary classic is sure to resonate with food lovers and literary folk alike.

*Alison's Automotive Repair Manual* Brad Barkley, 2003-03-10 A widow in her mid-thirties, Alison has been in mourning for two years. She lives in West Virginia with her sister and brother-in-law, and they are urging her to get on with her life and move back home. Alison promises to leave-just as soon as she renovates a nearly ruined 1976 Corvette rusting in their garage. Problem is, she doesn't know the first thing about cars, and the townspeople are reluctant to have a woman messing with automotive parts.

**All The Days Of My Life (so Far)** Alison Sweeney, 2005-07-01 You think your life is nuts? Since I was sixteen, I've spent time on Death Row, tried to sell my baby sister on the black market, been stranded at the altar (repeatedly), lied about my son's paternity, and fought viciously with just about everybody in town. Well, okay, it wasn't really me--it was my character, Sami Brady on Days of Our Lives. But like Sami, I've had my share of struggles. I've been told I was fat, watched fellow actresses starve themselves, been cruelly rejected, and wondered if I would ever date. (Hey, the first time I kissed a boy was in front of a TV camera!) There was even a time when I hated myself.

Sound familiar? This is my story. It's an account of my years on daytime's most popular soap, and of my life off-screen--the major ups and downs, the craziness of Hollywood, balancing work and play, looking for love, concerns about weight, peer pressure, and finally learning to accept myself for who I am. I'll tell you fun stories about myself and my co-stars. . .recollections of my most memorable scenes. . .and everything you've always wanted to know about Sami. I think you'll find a lot in these pages that will remind you of all the days of your life. . .and perhaps inspire you to follow your own dreams in the days to come. Alison Sweeney was born in Los Angeles, one of three children of a concert violinist mother and a business investor father. Her acting career began when she was four years old. Throughout her childhood, Alison appeared in numerous television commercials, as well television series including Friends, Simon & Simon, Webster, St. Elsewhere, and Tales from the Darkside. She had starring roles in the films The Price of Life and The End of Innocence. Alison joined the cast of Days of Our Lives as Sami Brady in 1993. In her years on the series, her character has evolved from a troubled teenager to a scheming villainess. In 2002, Alison won a fan-voted Emmy as America's Favorite Villain. She has also won the fan-voted Soap Opera Digest Award four times, and in 2001 was elected by the same publication as one of the Most Beautiful Women in Daytime Television. Soap Opera Weekly named Alison 1999's Breakout Performer of the year, and in Australia, she was voted Best Bad Girl in 2000 and 2001 by readers of Inside Soaps magazine. Alison lives in a suburb of Los Angeles with her husband, Dave.

The Door at the Top of the Stairs Alison Naomi Holt, 2012-09-01 Undercover officer Jesse Shaunessy is kidnapped and tortured, then thrown away by her department as damaged goods. Insanity, friendship, and redemption are all possibilities dependent upon one choice, one gamble, and two determined women who must risk everything to save one lost soul.
